Love, Drugs, Art, Religion Brian R. Clack, 2016-05-13 In this original and far reaching contribution to the philosophy of religion Brian R Clack examines the manner in which religious belief emerges from the turbulence and anxiety of human existence Taking his cue from Freud's suggestion that human life is so hard to bear that it requires nothing short of cultural and psychological palliative care Clack explores each of the palliative measures Freud catalogues intoxicants religion art and love and evaluates their role in the mitigation of suffering and the provision of the assistance required for an endurable life This examination provides the context for an investigation into the meaning and function of religious belief when considered as a palliative Clack initially subjects religion to ferocious critique defending the psychoanalytic judgment that religious beliefs operate as wish fulfilling illusions but then elaborates a revised understanding of religion one in which comforting illusions are banished and in which religious belief faces up to reality and reconciles us both to the pains and disappointments of existence and to our nullity and inevitable annihilation in this genuinely interdisciplinary work Clack breaks new ground by using detailed explorations of the phenomena of drug use romantic love and the enjoyment of art in order to throw light on the meaning and nature of religion This book will be vital reading for anyone concerned with the fundamental questions of religious belief the psychoanalytic approach to culture or simply the unavoidable existential problems lying at the very heart of human life

Music Love Drugs War Geraldine Quigley, 2019-01-10 A clever multiple narrative account of teenage kicks and sectarian strife in early 80s Northern Ireland this debut marks out Quigley as a writer of compassion and humour Guardian The end of the school year is approaching and siblings Paddy and Liz McLaughlin Christy Meehan Kevin Thompson and their friends will soon have to decide what they're going to do with the rest of their lives But it's hard to focus when there's the allure of their favourite hangout place the dingy Cave where they go to drink and flirt and smoke Most days Christy Paddy and Kevin lie around listening to Dexys and Joy Division Through a fog of marijuana beer and budding romance the future is distant and unreal But this is Derry in 1981 and they can't ignore the turmoil of the outside world A friend is killed and Christy and Paddy stunned out of their stupor take matters into their own hands Some choices are irreversible and choosing to fight will take hold of their lives in ways they never imagined With humour and compassion Geraldine Quigley reveals the sometimes slippery reasons behind the decisions we make and the unexpected and intractable ways they shape our lives A novel that is warm but also unsettling and exhilarating That's some feat Roddy Doyle A poignant and powerful coming of age story Sunday Mirror

Philosophy of Sex

and Love Patricia Marino, 2019-03-13 Writing for non specialists and students as well as for fellow philosophers this book explores some basic issues surrounding sex and love in today's world among them consent objectification non monogamy racial stereotyping and the need to reconcile contemporary expectations about gender equality with our beliefs about how love works Author Patricia Marino argues that we cannot fully understand these issues by focusing only on individual desires and choices Instead we need to examine the social contexts within which choices are made and acquire their meanings That perspective she argues is especially needed today when the values of individualism self expression and self interest permeate our lives Marino asks how we can fit these values which govern so many areas of contemporary life with the generosity caring and selflessness we expect in love and sex Key Features of Philosophy of Sex and Love An Opinionated Introduction Offers a contemporary problems based approach to the subject helping readers better understand and address current issues and controversial questions Includes coverage of sex and love as they intersect with topics like disability race medicine and economics Considers not only the ethical but also the broadly social and political dimensions of sex and love Includes a helpful introduction and conclusion in each chapter and is written throughout in a clear and straightforward style with examples and signposts to help guide the student and general reader A comprehensive and up to date bibliography provides a valuable tool for anyone's further research

Controlling Love Peter Herissone-Kelly, 2022-09-15 Recent research in neurochemistry has shown there to be a number of chemical compounds that are implicated in the patterns of lust attraction and attachment that undergird romantic love For example there is evidence that the phenomenon of attachment is associated with the action of oxytocin and vasopressin There is therefore some reason to suppose that patterns of lust attraction and attachment could be regulated via manipulation of these substances in the brain in other words by their use as love drugs A growing bioethical literature asks searching questions about this prospect and especially about the use of such drugs to enhance or reignite attachment in flagging relationships This Element examines some of the central arguments on the topic and sounds a note of caution It urges that there are reasons to think the states of attachment produced or facilitated by the use of such drugs would not be desirable

Gordon, 2022-12-30 New technologies and medicines make it increasingly possible to enhance human functioning in new ways to become smarter more emotionally attuned and perhaps even morally better But just because we can use the latest science to improve ourselves should we This book has two main aims First it outlines and criticises the six main contemporary arguments for scepticism about the role of human enhancements in promoting well being These arguments concern respectively i the value of achievements ii freedom iii hyperagency iv human nature v authenticity and vi inequality It will be shown for the first time in a book length treatment why the overarching bioconservative case against enhancement doesn't hold water The second central aim of the book is positive as we'll see each of the bioconservative critiques considered and rejected will be shown to nonetheless motivate a distinctive kind of theoretical desideratum that a viable positive enhancement proposal should satisfy The remainder of the book then defends a two part enhancement proposal that will be shown to clearly satisfy the theoretical desiderata that emerged from reflecting on the earlier critique of bioconservatism The first part of the positive proposal motivates and outlines the general role of an enhancement counsellor in facilitating voluntary enhancement I then offer an applied case study of this role in the special case of enhancement for the purpose of facilitating romantic and parental relationships *Human Enhancement and Well Being A Case for Optimism* will be of interest to scholars and advanced students working in applied ethics bioethics philosophy of technology philosophy of well being and social epistemology *AGAPE: A Book of Love* HOWARD WEST, 2016-12-25 When a person is under the influence of a drug like let's say cocaine an organic chemical called dopamine is produced in the person's Ventral Tegmental Region of the brain The Ventral Tegmental Region of the brain is termed by psychology as the Reward Center of the brain It is associated with our wants focus motivations and cravings Surprisingly when a person is in love the same dopamine is produced in the Ventral Tegmental Region or Reward Center of the brain Thus Internal Love i.e. being in love is considered by some as an invisible narcotic because it acts on the same principle as drugs This book will teach its reader how to break that cycle through in depth discussion on the following 1 What true love is 2 What relationships are all about 3 The difference between loving someone and being in love with someone 4 How to mature in love 5 How lovers can live together in a home of peace and harmony I Love Me More Jenna Banks, 2022-03-08 A guide to why we should first love ourselves and how to go about it Most women have been conditioned to believe that self love is selfish and that self sacrifice is a virtue Many focus their desire for love and wholeness outside themselves and onto others such as their partners only to feel disappointed that they don't get back what they give Does this
