**Love, Freedom, and Aloneness** Osho,2002-12-13 Why it is that people who are happy being alone have the best chance to have good relationships with others     India My Love Osho,2002-01-23 India is not just a geography or history It is not only a nation a country a mere piece of land It is something more it is a metaphor poetry something invisible but very tangible It is vibrating with certain energy fields that no other country can claim For almost ten thousand years thousands of people have reached to the ultimate explosion of consciousness Their vibration is still alive their impact is in the very air you just need a certain perceptivity a certain capacity to receive the invisible that surrounds this strange land It is strange because it has renounced everything for a single search the search for the truth In these pages we are treated to a spellbinding vision of what Osho calls the real India the India that has given birth to enlightened mystics and master musicians to the inspired poetry of the Upanishads and the breathtaking architecture of the Taj Mahal We travel through the landscape of India's golden past with Alexander the Great and meet the strange people he met along the way We are given a front row seat in the proceedings of the legendary court of the Moghul Emperor Akbar and an insider's view of the assemblies of Gautama the Buddha and his disciples In the process we discover just what it is about India that has made it a magnet for seekers for centuries and the importance of India's unique contribution to our human search for truth     *Yoga* Osho,2002-12-06 Drawing from yoga's original teachings Osho clarifies the mind body relationship and reveals yoga to be not only a set of physical exercises but what he calls a science of the soul     **Spiritual Liberation** Michael Bernard Beckwith,2009-10-06 Michael Bernard Beckwith the dynamic spiritual leader who touched millions of readers and viewers in *The Secret* and through the spiritual community he founded the Agape International Spiritual Center is now sharing his transforming central message and his powerfully accessible means for embodying that message in daily life a process he calls aspiring toward spiritual liberation Michael Beckwith teaches that inner spiritual work not religiosity or dogma liberates us He draws on a wide spectrum of ancient wisdom teachers such as Jesus the Christ and Gautama the Buddha contemporary spiritual luminaries Thich Nhat Hanh Sri Aurobindo and the Dalai Lama and Western contributors to the New Thought tradition of spirituality such as Emanuel Swedenborg Walter Russell and Dr Howard Thurman to create a profound new belief synthesis Either read silently or aloud *Spiritual Liberation* can be included during meditation or prayer Each chapter includes an affirmation that distills its core concepts into a sentence or two for the reader to easily practice throughout the day Beckwith's personal and touching accounts guide the practitioner to integrate and activate the intrinsic gifts of divinity into everyday life The core concepts of Beckwith's teachings are cohesively conceived and convincingly stated in the provocative chapters of *Spiritual Liberation* Topics covering Evolved People Transportation to Trans formation Transcending the Tyranny of Trends and Inner Ecology are some of his foundational teachings that bring together insights from a range of spiritual paths to form a coherent practice that is neither Eastern nor Western but truly spiritually global Regardless of their

belief system readers will find it impossible to finish this book without at least a few Aha moments      **Engaging the Heart in Business** Alice Alessandri, Alberto Aleo, 2020-07-22 In the wake of the profound upheavals that our society has been facing the business world is undergoing change Values such as trust well being sustainability and respect for human beings and their deeper ambitions are becoming increasingly important Corporations and professionals can achieve and maintain success only if they can bring their relationship with their customers to a new higher level The condition that links the two is very similar to that created when we fall in love The organizational models and marketing approaches based on the metaphor of war and the inherent rhetoric of command and control are no longer valid to form such a bond we need love The authors are aware of this Since 2013 in collaboration with international scholars they have been studying the new market dynamics and the fundamental role of ethics in gaining commercial results While their previous book Sales Ethics 2015 helped to set up and manage customer relationships based on trust and fairness this new book will support you in building your business strategy and designing marketing tools from customer analysis to the definition of your offer and the style of communication up to the positioning of prices and the management of resources in the light of a new model the Loving Business Model which aims to make the customer fall in love with you and you with your work This book like its predecessor is the result of independent research conducted between Italy and the United States combined with the authors many years of professional experience It contains the most up to date and effective techniques available in the modern marketing landscape supported by case studies concrete examples and activities which will guide you to put your newly acquired knowledge into practice

**Man Enough** Victor J Jeleniewski Seidler, 1997-09-15 In this book one of the leading contributors to the growing debate about men masculinities and sexual politics Victor J Seidler criticizes the Enlightenment coupling of white heterosexual masculinity with reason He argues that in modern society masculinity can never be taken for granted Men must always prove that they are man enough to cope in the correct way with the problems and challenges of everyday life Seidler believes that men have to break this chain of obligations to the Enlightenment notion of masculinity Through engaging with men's diverse relationships with their bodies sexualities emotional lives feelings and desires Seidler explores ways of affirming masculinities while critically engaging with the power that men have in the wider society The book is also a contribution to antisexist politics Seidler is interested in taking on those forms of men's politics which find it difficult to engage with men's power and society and also those who take it for granted that male power is normal and natural He seeks to recognize both the power that white heterosexual masculinities have in shaping forms of philosophy and social theory while at the same time recognizing that masculinity cannot be simply defined as a relationship of power

*Joining Creation's Praise* Brian Brock, 2025-08-19 In the beginning God created Thus begins the Bible's story of a long conversation between God and creatures one in which humans are often the least edifying contributors They need to learn what it means to confess themselves creatures if they are to begin to understand what it means to be human and how to live *Joining Creation's Praise* a major statement by a leading Christian ethicist shows how confessing that we are creatures deeply reshapes every aspect of Christian thinking and living

Human beings are made to embody Christ's image in the world not as dominators but as conduits of divine life. In this comprehensive yet clear volume of theological ethics, Brian Brock follows the first few chapters of Genesis in order to discover the things that the sages of Israel took to be crucial for the ethical life of human beings among other creatures in God's world. Informed by theological rigor and careful exegesis, the many ethical reflections in this volume allow an ancient wisdom to shed fresh light on very postmodern ethical questions about conversion, life with God, knowledge and wisdom, dominion, Sabbath, vocation, economics, human dignity, our relationship with the rest of creation, sexuality, marriage, family, sin, death, and politics.
