Alan Ayckbourn in Chekhov's Footsteps. A Study of Chekhovian Character Traits in Ayckbourn Drama

Mustafa Kirca,2010-02-01 Mustafa Kirca explores the dark sides of Alan Ayckbourn s comedy by comparing the playwright s characters with those of Chekhov s drama and drawing a parallelism in the character portrayal of both artists The significance of Ayckbourn s plays following Chekhov s footsteps particularly lies in his vivid portrayal of characters from everyday life with psychological depth Kirca shows that the fine mix of comedy and tragedy in Ayckbourn s drama is conveyed through his realistic characterization contrary to the farcical style of his plays This kind of character portrayal in Ayckbourn s plays brings him very close to Chekhov and establishes the known equilibrium between comedy and tragedy in his theatre The study covers Ayckbourn s Absent Friends Just Between Ourselves Joking Apart Season s Greetings Woman in Mind A Small Family Business and Henceforward From Chekhov s drama The Seagull Uncle Vanya The Three Sisters and The Cherry Orchard are included to define the general Chekhovian character traits The book is especially interesting for teachers students and for general readers who are interested in modern human comedies

Unveiling the Origin of Sexuality Frederick Guttmann, Years ago I became aware of the need to address the subject of Sex but I did not feel the intellectual experiential or contextual capacity to evoke the issue It is not just about knowing or having experience in something but about what the Holy Spirit wants you to address when is the time what are the tools how is the topic going to be addressed and what is going to be said I am talking about an area that we know is taboo especially if you look at it from a Christian perspective because talking about sexuality from a humanist or esoteric perspective is not new but each of these trends has interests that are poorly focused and fundamental gaps in some cases even terribly biased Sexuality must be analyzed from the understanding of the functionality of our organs and senses the role of the psyche the spiritual role the mental role the emotional role the evolutionary role the biological role the physiological role and the educational role What is sexuality What is behind the sexual practice What are gender archetypes What purposes does sex have Get rid of the idea that sex is a bad thing whether in a conscious or subconscious sense God has not created anything bad It was God who created the sexual subject not the devil The evil plagiarizes do not believe Don t take sex as a god and a reference either don t idealize it or prioritize it
