

A photograph of a dirt path leading through a forest. The trees are covered in autumn foliage, with shades of orange, yellow, and brown. The path is light-colored and leads towards a bright light source in the distance, creating a strong lens flare effect. The overall mood is serene and contemplative.

Love is not blind; love
is the holy vision.

Awakening to the Power of Peace—Love—Joy—Gratitude Jean Maalouf, 2019-08-09 Humankind is at the present time reaching a critical point in history A disaster of apocalyptic proportions could erupt at any time I know not with what weapons World War III will be fought predicted Albert Einstein but World War IV will be fought with sticks and stones What we are to do in order to prevent such catastrophic events We are to

change the way we think insists philosopher Maalouf We are to see people and things in different ways We are to see with God's eyes We are to witness the birth of a new consciousness For philosopher Jean Maalouf who holds two Ph.D.s and who has published more than forty books one needs to go beyond the symptoms he affirms and find the root causes of our crises His new book *Awakening to the Power of Peace Love Joy Gratitude* goes straight to the very core of our crises and points the way to their solutions The truth is that the battlefield is not primarily on the land where people confront and kill each other The true battlefield is where decisions are made in the people's minds hearts and souls This is also where solutions should be found Dr Maalouf invites us to change the way we perceive reality so that a new way of living can emerge If we don't learn to love one another and to live together in peace we will continue to kill each other and we will perish together We are interconnected We are interdependent What we think about how we see things and what we say and do and the way we live our life matter greatly We lay all of us together we should live in peace love joy and gratitude Understanding Love Susan Wolf, Christopher Grau, 2014-02 A unique and interdisciplinary collection in which scholars from Philosophy join those from Film Studies English and Comparative Literature to explore the nature and limits of love through in depth reflection on particular works of literature and film **Pocket Handbook of Christian Apologetics** Peter Kreeft, Ronald K.
