Love Liberation And Marriage:

Love, Liberation, and Marriage Dorothy T. Samuel, 1976 The Sexual Life of Our Time in Its Relations to Modern Civilization Iwan Bloch, 1909 **The Sexual Life of Our Time in Its Relation to Modern Civilization** Iwan Bloch, 1912

Eschatology and Ethics Carl E. Braaten, 2017-12-28 Carl Braaten has written an interesting book applying the eschatological perspective to different dimensions of the Christian faith of the life of the church and of Christian ethics His extremely readable style leads to profound insight I particularly like the chapter on the ministry and the wisdom of his reflections on ethical questions Wolfhart Pannenberg University of Munich More than any other theologian today Braaten successfully relates biblical faith and ethics to the whole spectrum of urgent current concerns Richard H Hiers Dept of Religion University of Florida Braaten rightly insists that the church has lost its eschatological bite and he does much toward recovering that loss Gerhard O Forde Luther Theological Seminary St Paul Minnesota This book continues Braaten's persistent effort to interpret vital human concerns by the promise that the Lord lives Robert W Jenson Lutheran Theological Seminary Gettysburg Pennsylvania The Sexual Life of Our Time in Its Relations to Modern Civilization Ivan Bloch, 2021-04-22 The author's aim in writing this book was to write a complete Encyclopedia on the sexual sciences and it will probably be acknowledged by all who study its pages that the author has accomplished his intention in a very scholarly manner and in such form as to be of great value to the professions for whom this translation is intended The subject is no doubt one which appeals to and affects the interests of all adult persons but the publishers have after very serious and careful consideration come to the conclusion that the sale of the English translation of the book shall be limited to members of the legal and medical professions To both these professions it is essential that a knowledge of the science of Sex and the various causes for the existence of abnormalities should be ascertained so that they may be guided in the future in their investigations into and the practice of attempts to mitigate the evil which undoubtedly exists and to bring about a more healthy class of beings It is the first time that the subject has been so carefully and fully gone into in the English language and it is believed that the very exhaustive examination which the author has made into the matter and the various cases to which he has called attention will be of considerable use to the medical practitioner and also to the lawyer in criminal and quasi criminal matters and probably in matrimonial disputes and cases of insanity *Autonomy and Dependence in the Family* Rita Liljestrom, 2003-09-02 The width of this problematic is skillfully illustrated in this volume where scholars sociologists and psychologists from countries at the opposite edges of the European continent Turkey and Sweden discuss the structural conditions and moral **She's Not the Man I Married** Helen Boyd, 2007-02-15 Helen Boyd's husband who had long been open about being a cross dresser was considering living as a woman full time Suddenly Boyd was confronted with the reality of what it would mean if her husband were actually to become a woman socially legally and medically Would Boyd love and desire her partner the same way Boyd's first book *My Husband Betty* explored the relationships of cross

dressing men and their partners Now She s Not the Man I Married is both a sequel and a more expansive examination of gender in relationships It s for couples who are homosexual or heterosexual and for readers who fall anywhere along the gender continuum As Boyd struggles to understand the nature of marriage passion and love she shares her confusion and anger providing a fascinating observation of the ways in which relationships are gendered and how we cope or don t with the emotional and sexual pressures that gender roles can bring to our marriages and relationships Sciences of Modernism Paul Peppis,2014-02-28 Sciences of Modernism charts the numerous collaborations and competitions occurring between early modernist literature and early twentieth century science *The Secret Success of Marriage* BRANFORD B YEBOAH,2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray **Hubert Harrison** Brian Kwoba,2025-05-30 The significance of Hubert Henry Harrison 1883 1927 as a journalist activist and educator lies in his innovation of radical solutions to radical injustices He witnessed staggering luxury for the few alongside crushing poverty for the many White mob violence continually haunted Black communities while imperial conquest and world wars wrought wanton destruction upon entire nations of people These conditions sparked a global political awakening to which Harrison gave voice as a leading figure in cutting edge struggles for socialism internationalism free love freethinking and free speech He did far more than cultivate the rich dark soil in which the so called Harlem Renaissance would take root Harrison also played a pivotal role in the rise of Marcus Garvey and the emergence of the largest international organization of African people in modern history Because of his fearless radicalism however he has been erased from popular memory Hubert Harrison presents a historical restoration of Harrison s numerous intellectual and political breakthroughs Offering a fresh interpretation of his contributions to social movements for economic racial and sexual liberation Brian Kwoba s richly textured narrative highlights the startling and continued relevance of Harrison s visionary thinking across generations The School in the Social Setting Alan Gorr,1974-08 The Wonders of Life Ernst Haeckel,1904 The publication of the present work on The Wonders of Life has been occasioned by the success of The Riddle of the Universe which was written five years prior to this volume Within a few months of the issue of this study of

the monistic philosophy in the autumn of 1899 ten thousand copies were sold The clear opposition of the author s monistic philosophy based as it was on the most advanced and sound scientific knowledge to the conventional ideas and to an outworn revelation led to the publication of a vast number of criticisms and attacks The present work on the wonders of life is as the title indicates a supplementary volume to The Riddle of the Universe While the latter undertook to make a comprehensive survey of the general questions of science as cosmological problems in the light of the monistic philosophy the present volume is confined to the realm of organic science or the science of life It seeks to deal connectedly with the general problems of biology in strict accord with the monistic and mechanical principles which had been laid down by the author in 1866 in his work titled General Morphology In the latter publication special stress was placed on the universality of the law of substance and the substantial unity of nature which had been further treated in the second and fourteenth chapters of The Riddle of the Universe The arrangement of the vast material for this study of the wonders of life was modeled on that of the Riddle Retained in the present volume is the division into larger and smaller sections and the synopses of the various chapters Thus the whole biological content falls into four sections and twenty chapters Preface PsycINFO Database Record c 2010 APA all rights reserved

A Woman's View Jeanine Basinger, 2013-09-04 Now Voyager Stella Dallas Leaver Her to Heaven Imitation of Life Mildred Pierce Gilda these are only a few of the hundreds of women s films that poured out of Hollywood during the thirties forties and fifties The films were widely disparate in subject sentiment and technique they nonetheless shared one dual purpose to provide the audience of women primarily with temporary liberation into a screen dream of romance sexuality luxury suffering or even wickedness and then send it home reminded of reassured by and resigned to the fact that no matter what else she might do a woman s most important job was to be a woman Now with boundless knowledge and infectious enthusiasm Jeanine Basinger illuminates the various surprising and subversive ways in which women s films delivered their message Basinger examines dozens of films exploring the seemingly intractable contradictions at the convoluted heart of the woman s genre among them the dilemma of the strong and glamorous woman who cedes her power when she feels it threatening her personal happiness and the self abnegating woman whose selflessness is not always as noble as it appears Basinger looks at the stars who played these women and helps us understand the qualities the right off screen personae the right on screen attitudes the right faces that made them personify the woman s film and equipped them to make believable drama or comedy out of the crackpot plots the conflicting ideas and the exaggerations of real behavior that characterize these movies In each of the films the author discusses whether melodrama screwball comedy musical film noir western or biopic a woman occupies the center of her particular universe Her story in its endless variations of rags to riches boy meets girl battle of the sexes mother love doomed romance inevitably sends a highly potent mixed message Yes you women belong in your proper place that is content with the Big Three of the women s film world men marriage and motherhood but meanwhile and paradoxically see what fun glamour and power you can enjoy along

A Women's Lectionary for the Whole Church Year A Wilda C. Gafney, 2021-08-17 What would it look like if women built a lectionary focusing on women's stories What does it look like to tell the good news through the stories of women who are often on the margins of scripture and often set up to represent bad news How would a lectionary centering women's stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching The scriptures are androcentric male focused as is the lectionary that is dependent upon them As a result many congregants know only the biblical men's stories told in the Sunday lectionary read in their churches A more expansive more inclusive lectionary will remedy that by introducing readers and hearers of scripture to women's stories in the scriptures A Women's Lectionary for the Whole Church when completed will be a three year lectionary accompanied by a stand alone single year lectionary Year W that covers all four gospels Year A features the Gospel of Matthew with John interwoven as is the case in the Revised Common Lectionary RCL and Episcopal Lectionary
