True Love Wins, Or 'Midst War's Alarms William G. Kennedy, 1901 **Authentically Emergent** R. Scott

Smith, 2018-08-08 Are Brian McLaren Tony Jones Doug Pagitt and Rob Bell yesterday's news as many evangelicals seem to think Truth and the New Kind of Christian 2005 tried to provide a balanced assessment of McLaren's and Jones's views But they seem to be right about much more that is affecting evangelicals than was realized then Also that book misunderstood one of their core claims everything is interpretation Moreover their views have developed over the years e.g. ethically about colonialism its influences and how we should live now They also have advanced several further claims about the gospel and traditional doctrines To what extent should Christians embrace their views Are these the ways to go forward toward a more authentic Christianity one that is morally better and a better fit for our times Like Truth this book gives careful attention to their thought It also offers its own portrait of major shaping influences on Western Americanized Christianity But there remains a root issue that keeps the Western church whether progressive emergents or evangelicals in its Babylonian captivity It is liberation from that root that will lead to an authentically emergent Christianity *Let Love Win Through YOU*

Ed Gross, 2010-02-12 Do you sense that something is missing Could it be just one indispensable thing Here is the simple but profound answer It is the love of Jesus *The Jesus You Really Didn't Know* Andy Angel, 2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us *The Evangelical Universalist* Gregory

MacDonald, Robin A. Parry, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index *Verses, Voices, & Visions of Vallejo* D.L. Abel,2025-09-09 Selling God unveils the subtle deceptions behind the unorthodox theology commonly referred to as the prosperity gospel and contrasts those misleading truth claims against the true gospel as delineated in scripture While many in Christianity have identified the pernicious claims of Prosperityism directly associating them with certain televangelists authors and megachurch pastors I am going a step further to suggest the errors that are presented in the prosperity gospel narratives are more widespread and invasive than most believe The prosperity gospel often referred to in this book as Prosperityism has a distinctive allure which is not from the Holy Spirit but pleases the human flesh If the concept is pleasing to man perhaps it can be sold In this book I am making the case that the miracles and blessings of God should not be sold When God s holy blessings are marketed the gospel of Christ is sacrificed on the altar of material gain We all want to be prosperous and throughout scripture we see that prosperity as defined by God is awarded to righteous living Nevertheless this prosperity is characterized by God s holy nature which is in direct contrast to that presented in the health and wealth gospels Prosperityism can be identified by persons or groups that alter either through omitting or reinterpreting scripture verses to present a marketable narrative that attracts and maintains adherents When this happens the gospel and the church suffer the inevitable consequences In the book Selling God my interest is preserving the true and undefiled gospel of Christ **The Gathering Place** Mitch Gray,2018-04-18 One of the greatest callings within humanity is unity To live together walk together work together and serve together In love this calling can be brought to reality The Gathering place explores the opportunities of walking in love acting in mercy and speaking in grace Love is present within each one of us Within humanity The Gathering Place entertains the idea of what living this life in love and making unity our mission can look like in this very moment **Worth Fighting For** John Pavlovitz,2024-04-02 A 2024 Foreword INDIES Award Finalist An urgent and passionate commentator John Pavlovitz lives in the tension between despair and hope Presbyterian Outlook John Pavlovitz s Worth Fighting For is a stirring playbook for Christians who strive to ensure that kindness triumphs over toxicity Fortright and encouraging Worth Fighting For envisions a grassroots revolution of love led by a compassionate coalition of those who give a damn Foreword Reviews John Pavlovitz has inspired millions to

keep boldly loving both neighbors and strangers throughout the years of Trump's hate mongering campaign and presidency and continues to be a voice of sanity and urgency when so much is still at stake. It's a scary time for America with rights for women and transgender people being rolled back, the truth about Black history and experience being silenced and unrestricted gun violence on the rise. People who value inclusion, compassion, and the common good are understandably anxious and angry, but we can't give up hope. We need motivation to keep fighting for justice. This inspiring volume features Pavlovitz's most important writing from the past several years alongside brand new essays to provide the encouragement, stamina, and direction we need to keep going even when things feel bleak. Emergence Christianity Phyllis Tickle, 2012-09-01. Whatever else one might say about Emergence Christianity, says Phyllis Tickle, one must agree it is shifting and reconfiguring itself in such a prodigious way as to defy any final assessments or absolute pronouncements. Yet the insightful and well-read Tickle offers us a dispatch from the field to keep us informed of where Emergence Christianity now stands, where it may be going, and how it is aligning itself with other parts of God's church. Through her careful study and culture watching, Tickle invites readers to join this investigation and conversation as open-minded explorers rather than fearful opponents. As readers join Tickle down the winding stream of Emergence Christianity, they will discover fascinating insights into concerns, organizational patterns, theology, and most pressing questions. Anyone involved in an emergence church or a traditional one will find here a thorough and well-written account of where things are and where they are going.

52 Original Wisdom Stories Penelope Wilcock, 2015-08-21. Fifty-two stories about the large themes of life, nature, and faith. Positive and life-affirming. *52 Original Wisdom Stories* follows the liturgical year and is an ideal resource for public worship. Sid and Rosie are an older married couple with several children and grandchildren. Through a series of short, engaging narratives, we learn about their faith, their feelings for one another, their hopes and dreams, and their perception of how God speaks to them through the events of their lives. Each story stands on its own; their sequence follows the rhythm of the church's year from Advent through Christmas, Easter, Pentecost, and Harvest Thanksgiving. With an open tone of wonder and reflection, author Penelope Wilcock explores the ordinary and extraordinary topics of daily life: falling in love, marriage, birth, education, illness, woodlands, farming, meeting adversity, hospitality, home-making, work. This beautiful hardback is ideal for personal reflection and growth and as a refreshing resource for church and small group discussions.

Hidden in Contradiction Jeff McSwain, 2023-09-22 Does God's grace grab you and stir you to purposeful Spirit filled living Or is the gospel that you hear and preach big on belief and short on embodiment Do you see a need for change whether personal ecclesial or social that transcends us righteous vs them wicked polarizations Beginning with every person's participation in Christ as a keystone to creation Jeff McSwain introduces the vibrant reality of Trinitarian community and shows us the dangers of losing sight of the belovedness we share as humans hidden with Christ in God Avoiding simplistic categories McSwain exalts the total goodness of every person in this world by virtue of creation in Christ while also acknowledging the simultaneous contradiction the total depravity of every person by virtue of the fall If ignoring our human duplicity contributes to relational fractures at every level McSwain's dimensional view of human agency urges us to embrace the redemptive truth of our identity in Christ and to refuse our false destructive selves that have been crucified with Christ Filled with scriptural exegesis and practical illustrations that pastors and teachers will especially appreciate this project is a refreshing application of Christology to anthropology and everyday life an inspiring work of systematic theology aimed at systematic change

Winning People, Losing America C. Collier McNair, 2016-11-29 Secular society coupled with religious culture has inadvertently created a climate in America that blindly praises political correctness and the legislation of questionable laws Religious traditionalists must now contend with how to remain spiritually relevant in perilous and polarizing times without compromising age old biblical practices and principles A glorified biblical commentary you might say this book addresses almost everything you wanted to ask your local traditional religious leader but was afraid to If I can't share my wisdom and experiences and exercise my talents gifts and skills at the slight chance I may inspire and help others what good is my life
