Lovecraft's Legacy Gregor Gregorc, 2019 This thesis argues that in the case of H P Lovecraft it is not possible to separate the person from the author as his personal fears beliefs and perceived threats decisively shape his body of work I show this especially through the analysis of the story The Rats in the Walls which reveals the author's atavistic fear of mental deterioration which originates from the family's fragile mental disposition Next the story The Horror at Red Hook marks Lovecraft's outbursts of racial prejudice towards immigrants which came to the fore when he came in contact with the Other during his stay in New York Finally the analysis of the story The Shadow over Innsmouth points out Lovecraft's fear of miscegenation and his obsession with a pure ethnic line Not only did Lovecraft's personal fears dominate his life he also channelled them to become an inspiration for his eldritch weird fiction

Midnight Rambles David J. Goodwin, 2023-11-07 A micro biography of horror fiction s most influential author and his love hate relationship with New York City By the end of his life and near financial ruin pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten Today Lovecraft stands alongside J R R Tolkien as the most influential genre writer of the twentieth century His reputation as an unreformed racist and bigot however leaves readers to grapple with his legacy *Midnight Rambles* explores Lovecraft s time in New York City a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work Initially New York stood as a place of liberation for Lovecraft During the brief period between 1924 and 1926 when he lived there Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States He also married fellow writer Sonia H Greene a Ukrainian Jewish migr in the fashion industry However cascading personal setbacks and his own professional ineptitude soured him on New York As Lovecraft became more frustrated his xenophobia and racism became more pronounced New York s large immigrant population and minority communities disgusted him and this mindset soon became evident in his writing Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes most notably his overtly racist short story *The Horror at Red Hook* set in Red Hook Brooklyn His personal letters reveal an even darker bigotry Author David J Goodwin presents a chronological micro biography of Lovecraft s New York years emphasizing Lovecraft s exploration of the city environment the greater metropolitan region and other locales and how

they molded him as a writer and as an individual Drawing from primary sources letters memoirs and published personal reflections and secondary sources biographies and scholarship *Midnight Rambles* develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race ethnicity and immigration
