Lovers Knot:

Love, Sex, and Marriage Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and Marriage provides a classification of English terms for these three fields from the earliest written records of the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms *The Keystone*, 1921 *Chaucer and Clothing* Laura Fulkerson Hodges, 2005 A detailed discussion of the meaning and significance of the terms used to describe the clothing of Chaucer's religious and academic pilgrims Religious and academic dress in the middle ages functioned as a metaphorical signifier of spiritual and intellectual standards implied a given social status signalled the rejection or possession of garment wealth and in the details suggested the wearer's spiritual state This book presents the first sustained analysis of the characterizing dress worn by Chaucer's pilgrims who are in holy orders and or affiliated with universities the author uses approaches from a variety of disciplines received criticism of late medieval literature developments in political economic and social history the visual arts and material culture in order to present the complex ideas and rhetoric the pilgrims dress expresses She also makes the religious intellectual and material culture of Chaucer's day accessible to modern audiences through the reconstruction of the significance of fabrics dyes accessories garments and assembled costumes and an explanation of technical details and specialist vocabularies for cloth making clothing accessories and their images in the visual arts [The Little Book of The](#) Larry Verch, 2017-04-19 This book was really begun in 1963 when I attended a creative writing course in college Having been an avid reader all my life it seemed a great way to see a story from the writer's perspective It became a comfortable relaxing escape Most of my inspirations came unexpectedly through dreams Some of the stories took place over several nights There is really no on going theme in this book Rather a randomness of thoughts This book contains in a sense an analysis of sadness love anger and frustration As well a child's view of simplistic events I wrote these poems and stories because I wanted to I published them in a book because I can **Convict Tattoos** Simon Barnard, 2016-08-29 At least thirty seven per cent of male convicts and fifteen per cent of female convicts were tattooed by the time they arrived in the penal colonies making Australians quite possibly the world's most heavily tattooed English speaking people of the nineteenth century Each convict's details including their tattoos were recorded when they

disembarked providing an extensive physical account of Australia's convict men and women Simon Barnard has meticulously combed through those records to reveal a rich pictorial history *Convict Tattoos* explores various aspects of tattooing from the symbolism of tattoo motifs to inking methods from their use as means of identification and control to expressions of individualism and defiance providing a fascinating glimpse of the lives of the people behind the records Simon Barnard was born and grew up in Launceston He spent a lot of time in the bush as a boy which led to an interest in Tasmanian history He is a writer, illustrator and collector of colonial artifacts He now lives in Melbourne He won the Eve Pownall Award for Information Books in the 2015 Children's Book Council of Australia's Book of the Year awards for his first book *A Z of Convicts in Van Diemen's Land* *Convict Tattoos* is his second book The early years of penal settlement have been recounted many times yet *Convict Tattoos* genuinely breaks new ground by examining a common if neglected feature of convict culture found among both male and female prisoners Australian This niche subject has proved fertile ground for Barnard who is ink free by providing a glimpse into the lives of the people behind the historical records revealing something of their thoughts, feelings and experiences Mercury The best thing to happen in Australian tattoo history since Cook landed A must have for any tattoo historian Brett Stewart Australian Tattoo Museum

The Mascot Book Elizabeth Villiers, 1929 **Lavinia Fontana's Mythological Paintings** Liana De Girolami Cheney, 2020-08-18 This volume investigates emblematic and art historical issues in Lavinia Fontana's mythological paintings Fontana is the first female painter of the sixteenth century in Italy to depict female nudes as well as mythological and emblematic paintings associated with concepts of beauty and wisdom Her paintings reveal an appropriation of the antique a fusion between patronage and culture and a humanistic pursuit of Mannerist conceits Fontana's secular imagery provides a challenging paragone with the male tradition of history painting during the sixteenth century and paves the way for new subjects to be depicted and interpreted by female painters of the seventeenth century
