The Pocket Guide to Feminism Bel Olid, 2024-11-05 A woman's life is different This is clear when a stranger's catcall makes her feel targeted in the street When politicians make off the cuff sexist remarks When media commentators wade in with their condemnation of free unrestricted abortion When a father is praised to the skies for attending parents evening while the mother's attendance is taken for granted When they fire her because she's pregnant When they dismiss her medical symptoms as anxiety To counter sexism today we need to learn the art of self defence Today feminism is more alive and more necessary than ever because discrimination against women has become more subtle and difficult to detect yet it retains its paralysing power With combative energy and acerbic wit Bel Olid explains the key concepts of the current feminist struggle in a smart radical and often counterintuitive way

The Faber Pocket Guide to Musicals James Inverne, 2010-12-22 With hit TV shows picking the leads in productions of *Oliver* and *The Sound Of Music* and smash musicals like *Hairspray* and *Wicked* all the West End rage musical theatre is as popular as it's ever been James Inverne provides an indispensable guide to his top one hundred greatest shows of all time

and ten of the worst Whether you know your Pal Joey from The Producers your West Side Story from your Witch Witch the Faber Pocket Guide To Musicals is packed with entertaining behind the scenes stories essential songlists and comprehensive recording guides Did you know for instance that one of the best recordings of Les Miserables is in Hebrew Or that the Mel Brooks wasn't the first person to want to make a musical of The Producers That claim goes to Eric Idle Or the ridiculous story of the huge purpose built theatre constructed in Holland to house a flop about Grace Kelly Key features include The hundred greatest musicals Numbers to listen for Snapshot plot summaries Ten terrible musicals Recommended recordings James Inverne has been writing about musical theatre for years and brings copious knowledge passion for the subject and a sense of fun to a genre that continues to entertain us all Make the most of the musicals with this vital book **Charm Offensive** Kelly Ricciardi Colvin, 2023-03-30 In the aftermath of the Second World War the French government cultivated images of sensual and sophisticated white French women in an attempt to reestablish its global image as a great nation They promoted the beauty sexual appeal and general allure of French women all while shrinking the boundaries of what was considered beautiful Charm Offensive explores how this elevation of French femininity created problems on both sides of the equation the pressure on French women to conform to an exacting physical standard was immense while the inability of anyone else to access that standard resulted in a sense of failure Drawing on cultural figures like Air France hostesses tourism workers and celebrities such as Brigitte Bardot Charm Offensive offers an innovative understanding of a tumultuous time of decolonization *The Pocket Guide To Making Stuff Better* Quinn Hanson, 2020-08-27 If you could simultaneously increase revenue and lower costs would your company benefit Would you benefit This wide ranging book teaches leaders managers and individual contributors how to super charge processes to improve customer retention and satisfaction reduce costs and increase revenue The backstory Industrial Engineering blends the problem solving ability of an engineer the business acumen of an MBA and the people focus of a social worker There is a saying that Engineers make stuff Industrial Engineers make it better From construction to banking manufacturing to professional services tech to sustainability product design to destruction task elimination to automation sales to project management IEs have an impact in everything If there is something at work or at home you think could be better Industrial Engineering is the skill set to make the change This book details the tools anyone can use to make huge improvements Companies like Toyota and Apple have become completely dominant in their industries by using Industrial Engineering tools to improve their operations iterate quickly build great teams and create more value for their customers For the first time the tools they used are available to everyone in an easy to digest weekend read Industrial Engineering may really be thought of as business engineering To look at a business analyze how it is functioning and then design a better way to do things is not simple The tools needed are not obvious and often cost hundreds of thousands of dollars to learn in a graduate school program This book is an exploration of dozens of those tools at a fraction of the cost You'll benefit from this if You're interested in improving the way things are done at work You have

management responsibility or supervise anyone You re a leader founder or advisor to a business You want to approach your managers with succinct plans to make improvements in your role or at the company You are looking for a ways to earn a promotion

Sex and the Spiritual Teacher Scott Edelstein,2011-03-01 Sex and the Spiritual Teacher looks at the complex of forces that tempt otherwise insightful compassionate and well intentioned teachers to lose their way and that tempt some of their students to lose their way as well It analyzes why most of our current efforts to keep spiritual teachers from transgressing usually don t and in fact can t work Perhaps most importantly it suggests a set of practices and structures that can build community encourage healthy student teacher relationships increase trust and spiritual intimacy between teachers and their students and help authentic spiritual teachers stay happily monogamous or celibate Sex and the Spiritual Teacher is for anyone who is or might become part of a spiritual community students teachers clergy lay leaders and even casual visitors It s a reader friendly no nonsense guide to making spiritual life safer and fuller for all of us one person relationship and community at a time
