He had no time to marry, but without an heir, the Cameron clan is vulnerable. In present-day New York, Emma's life had been stale for awhile, and her cynicism only grew, but it isn't until she falls through a portal and lands in Medieval Scotland that she realizes she'd put her life on hold. She's willing to give the gorgeous Highlander a chance if it means that she'll have the future with love and family that she's always wanted. Brodie doesn't believe in the magic of love, but when he gives into his desires, the nights turn hot, and he risks losing his heart. When Emma discovers that she's pregnant, she learns that there is a way for her to go home.
