Loving Voices:

Old friends, lectures Charles Leach, 1882 *Performer's Voices Across Centuries and Cultures* Anne Marshman, 2012

This book and its accompanying website present the selected proceedings of the inaugural The Performer's Voice An International Forum for Music Performance and Scholarship directed by Dr Anne Marshman editor and hosted by the Yong Siew Toh Conservatory of Music National University of Singapore The chapters which were selected through a process of international peer review reflect the symposium's wide ranging interdisciplinary scope coupled with an uncompromising emphasis on the act of performance the role of the performer and the professional performer's perspective **Giving Voice to Love** Judith A. Peraino, 2011-11-28 The lyrics of medieval courtly love songs are characteristically self-conscious Giving Voice to Love investigates similar self-consciousness in the musical settings Moments and examples where voice melody rhythm form and genre seem to comment on music itself tell us about musical responses to the courtly chanson tradition and musical reflections on the complexity of self expression **Listen to the Voice of Love.
