Creating Love John Bradshaw, 2013-04-24 Why are so many of us at times completely baffled by a relationship How can we think we

know someone so well and admit in the end that we hardly knew that person at all Why do many people who work diligently and strenuously to gain wholeness and balance still feel so frustrated about having a fulfilling relationship Why have so many people given up on love from the Prologue John Bradshaw s bestselling books and compelling PBS series have touched and changed millions of lives Now in Creating Love he offers us a new way to understand our most crucial relationships with our romantic partners and spouses with our parents and children with friends and co workers with ourselves and with God Bradshaw s compassionate approach shows that many of us have been literally entranced by past experiences of counterfeit love so we unknowingly re create patterns that can never fulfill us Here he provides both the insights and the precise tools we need to keep those destructive patterns from repeating in the present And then he shows how we can open ourselves to the soul building work of real love and create healthy loving relationships where we can be fully ourselves in every part of our lives

Love Is the Resistance Ashley Abercrombie,2021-08-31 When it comes to disagreement we are in perpetual fight or flight mode Rather than respond with a posture of compassion and connection we are encouraged to resist others personally and politically Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us But the real resistance the kind that helps us grow is learning to love others especially those who disagree with us If you re tired of seeing your real life and online communities in turmoil and you long to be an agent of peace understanding and reconciliation it s time to join a new kind of resistance movement one that pushes us toward personal transformation Grounded in Scripture and illustrated with compelling true stories this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others stop avoiding necessary tension and resolve your internal and external conflicts When we make love our habitual reaction to

the conflicts and divisions in our lives we ll find that we can stay true to our convictions without sacrificing our relationships
