*MySQL for the Internet of Things* Charles Bell, 2016-02-13 This book introduces the problems facing Internet of Things developers and explores current technologies and techniques to help you

manage mine and make sense of the data being collected through the use of the world's most popular database on the Internet MySQL. The IoT is poised to change how we interact with and perceive the world around us and the possibilities are nearly boundless. As more and more connected devices generate data, we will need to solve the problem of how to collect, store, and make sense of IoT data by leveraging the power of database systems. The book begins with an introduction of the MySQL database system and storage of sensor data. Detailed instructions and examples are provided to show how to add database nodes to IoT solutions, including how to leverage MySQL high availability, including examples of how to protect data from node outages using advanced features of MySQL. The book closes with a comparison of raw and transformed data, showing how transformed data can improve understandability and help you cut through a clutter of superfluous data toward the goal of mining nuggets of useful knowledge. In this book, you will learn to: Understand the crisis of vast volumes of data from connected devices; Transform data to improve reporting and reduce storage volume; Store and aggregate your IoT data across multiple database servers; Build localized, low-cost MySQL database servers using small and inexpensive computers; Connect Arduino boards and other devices directly to MySQL database servers; Build high-availability MySQL solutions among low-power computing devices.

**The Aiken and Burnetts Murders** D. R. Beavers, 2014-07-15. When Jessie Barnes' parents are seriously injured in a car accident, she takes a leave of absence from her investigator job with the Chicago Police Department to help care for them in their home in Aiken, South Carolina. While in town, she's tapped to help the shorthanded local sheriff's department. Just a week after her arrival in the sleepy southern town, she is called to investigate a double homicide. Tom and Carol Lowe have been shot to death in their spacious home on Mulberry Street. This isn't a typical crime for Aiken, which generally deals with much lesser-profile problems. Working with lead investigator Bill Hankinson, Jessie must leave her tough Chicago tactics behind as she adjusts to his southern ways. The job gets interesting when additional

murders occur in nearby Burnettsville. She is assisted through the investigations and her indoctrination into the southern lifestyle by William Bradford, a local entrepreneur who develops a romantic interest in her. As Jessie and the sheriff's department struggle to discover the truth behind these unlikely crimes, their investigation reveals shocking details that are highly unusual in these typically peaceful towns.

**The Aftermath** Elsie Frederick, 2020-10-19 This is the second part of Elsie Frederick's autobiography, so picking up from the first book and the astonishing saga of George's Heart Transplant, this brings us right up to date. She is not an author; these are probably the only books she will ever write. At 70 years of age and locked down amidst the Corona Virus Covid 19 epidemic, she has taken the opportunity to finish the story started over 30 years ago. The ensuing years brought more serious health issues to deal with. From Stroke through to Dementia, the problems she encountered could have been so much easier to deal with if she had received help from her extended family instead of denial, greed, avarice, deceit, and lies. Her love and loyalty were tested to the limit. It shows the devastation that can happen between families when support and understanding is needed but not forthcoming. It became eventually, in 2013, catastrophic. What followed was almost too dreadful to believe. It has taken the last 7 years to get her head straight and finally heal herself. She will never get over what happened, but at least she can now go forward. It has been a catharsis for her to write excruciatingly painful but necessary, as it is a true record of what happened and the process has given her the freedom to live and laugh again. Regrets, yes, of course, it should never have happened, but it did, and she regards it now as the Ultimate Survival.

**Different Strokes** P. A. Hinga, 2016-08-11 *Different Strokes: The Awakening* By P. A. Hinga. Cecelia Lowes, beautiful, brilliant, and independent, has just landed the perfect internship at Burke Enterprises Inc. She meets and falls in love with the owner, enigmatic, powerful, and attractive Vincent Burke. Dating the boss is something that Cecelia never thought she would do. Vincent is open about his feelings towards Cecelia, but he is a man harboring a dark secret. Cecelia soon discovers that their love is part of an age-old prophecy that is destined to end in tragedy. Unable to resist the pull they feel towards each other, Cecelia and Vincent embark on a journey that leads them into a world filled with intrigue, passion, and danger.
