The Comeback: LeBron, the Cavs & Cleveland Terry Pluto, 2016-10-14 This epic homecoming tale recounts one of the greatest sports stories in Cleveland history how LeBron James and the Cavaliers took fans on a roller coaster ride from despair to hope and finally to glory as the 2016 NBA champions Fans felt gut punched in 2010 when local hero and MVP LeBron James announced he was leaving the Cavaliers and Northeast Ohio for Miami The Cavs nose dived in the standings and struggled to recover Then in June 2014 LeBron announced he was coming home And he had a mission Lead the Cavaliers to the NBA Finals and give Cleveland its first championship in 52 years But would LeBron's return be enough to restore his reputation revive the franchise and reward long suffering Cleveland fans Award winning sportswriter Terry Pluto tells how it all happened How LeBron won back fans with a heartfelt message and savvy PR How the Cavs front office crafted a championship caliber team with a big three of James Kyrie Irving and Kevin Love and a bench stocked not only with talent but character and chemistry How LeBron's added experience from four seasons and two titles in Miami prepared him for this second chance in Cleveland How the Cavaliers reached the 2016 NBA Finals to face a Golden State Warriors team led by MVP Stephen Curry that had just set an NBA record for wins and had vanquished the Cavs in the Finals the previous season How LeBron and the Cavs down a historically hopeless three games to one sparked an unprecedented come from behind surge symbolized by LeBron's superhuman block in Game 7 to stun Golden State and bring home the NBA Championship And how the ecstatic fans joined the team in a joyful celebration that brought more than a million people together in downtown Cleveland Pluto tells it all with insightful analysis extensive front office details and a deep empathy for the fans Dixie Be Damned Neal Shirley, Saralee Stafford, 2015-05-11 In 1891 when coal companies in eastern Tennessee brought in cheap convict labor to take over their jobs workers responded by storming the stockades freeing the prisoners and loading them onto freight trains Over the next year tactics escalated to include burning company property and looting company stores This was one of the largest insurrections in US working class history It happened at the same time as the widely publicized northern labor war in Homestead Pennsylvania And it was largely ignored then and now Dixie Be Damned engages seven similarly hidden insurrectionary episodes in Southern history to demonstrate the region's long arc of revolt Countering images of the South as pacified and conservative this adventurous retelling presents history in the rough Not the image of the South many expect this is the South of maroon rebellion wildcat strikes and Robert F Williams's book Negroes with Guns a South where the dispossessed refuse to quietly suffer their fate This is people's history at its best slave revolts multiracial banditry labor battles prison uprisings urban riots and more Neal Shirley grew up in Winston Salem North Carolina and now lives in Durham NC where he is involved in several anti prison initiatives and runs a small publishing project called the North Carolina Piece Corps Saralee Stafford was born in the Piedmont of North Carolina Her recent political work has focused on connecting the struggles of street organizations with those of anarchists in the area She teaches gender related health in

Durham North Carolina **Lumbee Indians in the Jim Crow South** Malinda Maynor Lowery, 2010 With more than 50 000 enrolled members North Carolina's Lumbee Indians are the largest Native American tribe east of the Mississippi River Malinda Maynor Lowery a Lumbee herself describes how between Reconstruction and the 1950s the Lumbee crafted a **A Study Guide for Lois Lowry's "Gathering Blue"** Gale, Cengage, 2019-05-17 A Study Guide for Lois Lowry's Gathering Blue excerpted from Gale's acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs **Malcolm Lowry's "La Mordida"** Malcolm Lowry, 1996 Although Malcolm Lowry 1909 1957 published only two novels Ultramarine and Under the Volcano in his lifetime numerous other works most of which have since been edited for publication were in various stages of composition at his death La Mordida the longest and most significant of the manuscripts that have not been previously published is a draft of a novel based on Lowry's visit to Mexico in 1945 46 which ended in the arrest and deportation of Lowry and his wife following a nightmarish run in with corrupt immigration authorities On its most immediate level the title La Mordida which means the little bite Mexican slang for the small bribe that officials are apt to demand in order to expedite matters refers to the autobiographical protagonist's legal difficulties In a larger sense however it also represents his inability to escape his past to repay the fine or debt that he owes The central narrative of La Mordida involves a descent into the abyss of self culminating in the protagonist's symbolic rebirth at the book's end Lowry planned to use this basic narrative pattern as the springboard for innumerable questions about such concerns as art identity the nature of existence political issues and alcoholism Above all La Mordida was to have been a metafictional work about an author who sees no point in living events if he cannot write about them and who is not only unable to write but suspects that he is just a character in a novel A reading of La Mordida in the context of Lowry's aesthetic theories and psychological problems shows why he dreaded the completion of his projects to such an extent that he called success a horrible disaster and compared death to the accepted manuscript of one's life The reason La Mordida makes clear lies partly in the aesthetic theories that led Lowry to attempt a book that he prophetically called something never dreamed of before a work of art so beyond conception it could not be written Patrick A McCarthy's edition of La Mordida is based on materials held in the Malcolm Lowry Archive at the University of British Columbia Its publication provides essential evidence for a balanced assessment of Lowry's creative processes and his achievement as a writer

Settler Sovereignty Lisa Ford, 2010 In a brilliant comparative study of law and imperialism Lisa Ford argues that modern settler sovereignty emerged when settlers in North America and Australia defined indigenous theft and violence as crime This occurred not at the moment of settlement or federation but in the second quarter of the nineteenth century when notions of statehood sovereignty empire and civilization were in rapid global flux Ford traces the emergence of modern settler sovereignty in everyday contests between settlers and indigenous people in early national Georgia and the colony of

New South Wales In both places before 1820 most settlers and indigenous people understood their conflicts as war resolved disputes with diplomacy and relied on shared notions like reciprocity and retaliation to address frontier theft and violence This legal pluralism however was under stress as new global statecraft linked sovereignty to the exercise of perfect territorial jurisdiction In Georgia New South Wales and elsewhere settler sovereignty emerged when at the same time in history settlers rejected legal pluralism and moved to control or remove indigenous peoples *The Free State of Jones and The Echo of the Black Horn* Thomas Jefferson Knight, Ethel Knight, 2016-07-12 Subject of the upcoming film *Free State of Jones* this book provides recollections of the man who took on the Confederacy during the Civil War and established the liberated Mississippi county Soldier Father Rebel Outlaw A man of deep convictions Captain Newt Knight disagreed with the values of the South and was accused of deserting the Confederate army He was a believer in doing what was just During the Civil War he formed his own band of deserters who would rebel against the Confederacy and support the Union In the spring of 1864 the government in Jones County was effectively overthrown and the county was dubbed The Free State of Jones Eventually Knight would establish a mixed race town for both whites and former slaves to inhabit together This edition merges two rare books on the subject Thomas Jefferson Knight's *The Life and Activities of Captain Newt Knight* and Ethel Knight's *The Echo at the Black Horn* Each paints a singular portrait of this elusive historical figure Was he Civil War Era Robin Hood or a manipulative cult leader Both surely have fictitious elements determined by the authors' biases Historian Jim Kelly provides a forward that helps examine the importance of each position on Newt Knight's role in the conflict and what his motivations truly were Now the subject of a new feature film the experiences of Newt Knight will be brought back to light This highly informative book helps to explore his life and give an in depth look at the man through the eyes of his son and grand niece
