Loyal True And Brave Americas Civil War Soldiers

James T. Controvich

Loyal True And Brave Americas Civil War Soldiers:

The Loyal, True, and Brave Steven E. Woodworth, 2002 This is a collection of writings by and about Civil War soldiers The pieces offer a revealing insight into the life of a Civil War soldier and bring to life the experiences of both Union and Confederate soldiers

The Loyal, True, and Brave Steven E. Woodworth, 2002 This is a collection of writings by and about Civil War soldiers The pieces offer a revealing insight into the life of a Civil War soldier and bring to life the experiences of both Union and Confederate soldiers

The Loyal, True, and Brave Robert J. Sweetman, 2020-12-21 In the summer of 1863 the fate of the Union hangs in the balance Union army failures in the East have moved the Confederacy ever so close to their goal of independence For the Union Army of the Potomac the stakes are enormous one more defeat and the war could be lost This story follows four Union soldiers during the period from the disastrous loss at Chancellorsville to the culmination at the battle of Gettysburg the largest land battle ever fought on American soil As the Union Army chases Lee north towards Pennsylvania these four individuals must try to absorb the lessons of Chancellorsville while preparing for the next make or break battle George Meade has the unwanted Army command suddenly thrust upon him and must overcome his self doubt to lead his disorganized Army into a must win fight Winfield Scott Hancock the superb warrior leader faces the demands of increased responsibility and eventually the realization of the enormous sacrifices he will be required to make Henry Taylor an Infantry Sergeant with the First Minnesota must prepare his men for the next battle while struggling with his own loss of faith and fears that their luck will run out in the coming fight All the while the intensely ambitious political General Daniel Sickles searches for any opportunity real or contrived to promote his own career As the battle unfolds each individual must prove that they can be counted among **The Loyal True and Brave**

Civil War Settlers Anders Bo Rasmussen, 2022-05-19 The first thorough analysis of Scandinavian Americans examining citizenship settler colonialism and whiteness in the Civil War era

American Civil War James R. Hedtke, 2018-08-17 This book debunks popular myths and misconceptions about the American Civil War through primary source documents and shows how misinformation can become so widespread The American Civil War deeply divided the nation and was a pivotal point in American history The acrimony and bitterness of this four year struggle coupled with its importance to the fabric of American life has resulted in the development and perpetuation of many myths about the conflict This work separates myth from reality The author examines 10 popular myths about the war each of which is examined in terms of its origins and how it became ensconced in the American memory It uses primary sources to explain the evolution of the myths and to inform the reader about what really happened providing a unique quality to this work Moreover the book not only explains the flaws in the myth but encourages the reader to further investigate each of the topics

The Routledge Sourcebook of Religion and the American Civil War Robert R. Mathisen, 2014-10-24 In recent years the intersection of religion and the American Civil War has been the focus of a growing area of scholarship However primary sources on this subject are housed in many different archives and libraries

scattered across the U S and are often difficult to find The Routledge Sourcebook of Religion and the American Civil War collects these sources into a single convenient volume the most comprehensive collection of primary source material on religion and the Civil War ever brought together With chapters organized both chronologically and thematically and highlighting the experiences of soldiers women African Americans chaplains clergy and civilians this sourcebook provides a rich array of resources for scholars and students that highlights how religion was woven throughout the events of the war Sources collected here include Sermons Song lyrics Newspaper articles Letters Diary entries Poetry Excerpts from books and memoirs Artwork and photographs Introductions by the editor accompany each chapter and individual document contextualizing the sources and showing how they relate to the overall picture of religion and the war Beginning students of American history and seasoned scholars of the Civil War alike will greatly benefit from having easy access to the full texts of original documents that illustrate the vital role of religion in the country s most critical conflict

Daily Life of U.S. Soldiers Christopher R. Mortenson, Paul J. Springer, 2019-06-14 This ground breaking work explores the lives of average soldiers from the American Revolution through the 21st century conflicts in Afghanistan and Iraq What was life really like for U S soldiers during America s wars Were they conscripted or did they volunteer What did they eat wear believe think and do for fun Most important how did they deal with the rigors of combat and coming home This comprehensive book will answer all of those questions and much more with separate chapters on the American Revolution the War of 1812 the Mexican American War the Civil War the Indian Wars the Spanish American War World War I World War II in Europe World War II in the Pacific the Cold War the Korean War the Vietnam War the Persian Gulf War the Afghanistan War and War on Terror and the Iraq War Each chapter includes such topical sections as Conscription and Volunteers Training Religion Pop Culture Weaponry Combat Special Forces Prisoners of War Homefront and Veteran Issues This work also examines the role of minorities and women in each conflict as well as delves into the disciplinary problems in the military including alcoholism drugs crimes and desertion Selected primary sources bibliographies and timelines complement the topical sections of each chapter

The Cambridge History of the American Civil War: Volume 2, Affairs of the State Aaron Sheehan-Dean, 2019-10-31 This volume explores the political and social dimensions of the Civil War in both the North and South Millions of Americans lived outside the major campaign zones so they experienced secondary exposure to military events through newspaper reporting and letters home from soldiers Governors and Congressmen assumed a major role in steering the personnel decisions strategic planning and methods of fighting but regular people also played roles in direct military action as guerrilla fighters as nurses and doctors and as military contractors Chapters investigate a variety of aspects of military leadership and management including coverage of technology discipline finance the environment and health and medicine Chapters also consider the political administration of the war examining how antebellum disputes over issues such as emancipation and the draft resulted in a shift of partisan dynamics and the ways that people of all stripes took advantage of the flux of war to advance

their own interests **"Deliver Us from This Cruel War"** Joseph J. Hoyle,2010-03-16 Joseph J Hoyle enlisted in the Confederate Army in May 1862 as a private By the time of his death in September 1864 he was serving as a lieutenant in the 55th Regiment North Carolina Troops The personal letters of this soldier supplemented by the editor s overview of the events and actions of the regiment offer a view of the common soldier as well as battlefield and camp culture The letters also reveal among other things how this former schoolteacher urged his fellow soldiers forward at Gettysburg despite a sense that the cause was lost

African-Americans in Defense of the Nation James T. Controvich,2011-03-28 The role of the African American in American history has been documented but sometimes ignored by historians This work is intended to assist researchers in locating the wealth of material that has been published African Americans in Defense of the Nation builds on a long list of early bibliographies concerning the subject This work brings together a broad spectrum of titles related to the African American participation in America s wars It covers both the military exploits as African Americans have been involved in every American conflict since the Revolution and their participation in the homefront support in building the weapons that the armed forces used Organized both chronologically and topically chapters cover the various conflicts from the Revolutionary War to the Post World War II era and branches of the military as well as the role of African American women in the United States military This extensive reference work is the most comprehensive listing of African American units available Additionally a listing of juvenile titles will assists parents and teachers in locating material

A Family Embraced with Tragedy Chris McMullan,Daniel Lango,Matt Hughes,2010-08-31 Imagine being in love at 14 Conflict raises in your country As war is declared you are faced with an ultimate choice Put yourself in a battlefield facing a relative on the opposing side Would you run or perhaps fight Characters in the story have to cope with these issues 14 yr old Pete deals with a frightening dream of Robert s death in battle whom is his older brother Against his mother s decision Pete run s away from home to join Robert s confederate regiment Pete s love Michelle cuts her hair disguising herself as a man to follow him He is unaware of her identity Pete s dream becomes more frightful and haunting as they travel in search of his brother Does he and his love make it Will Pete find closure with his haunting dream If they were to become soldiers will they escape the dreadful fate Michelle foresees Find out in this novel A Family Embraced with Tragedy Warning the book is tragic suspenseful and contains graphic content

Cold Harbor to the Crater Gary W. Gallagher,Caroline E. Janney,2015-07-24 Between the end of May and the beginning of August 1864 Lt Gen Ulysses S Grant and Gen Robert E Lee oversaw the transition between the Overland campaign a remarkable saga of maneuvering and brutal combat and what became a grueling siege of Petersburg that many months later compelled Confederates to abandon Richmond Although many historians have marked Grant s crossing of the James River on June 12 15 as the close of the Overland campaign this volume interprets the fighting from Cold Harbor on June 1 3 through the battle of the Crater on July 30 as the last phase of an operation that could have ended without a prolonged siege The contributors assess the campaign from a variety of perspectives examining

strategy and tactics the performances of key commanders on each side the centrality of field fortifications political repercussions in the United States and the Confederacy the experiences of civilians caught in the path of the armies and how the famous battle of the Crater has resonated in historical memory As a group the essays highlight the important connections between the home front and the battlefield showing some of the ways in which military and nonmilitary affairs played off and influenced one another Contributors include Keith S Bohannon Stephen Cushman M Keith Harris Robert E L Krick Kevin M Levin Kathryn Shively Meier Gordon C Rhea and Joan Waugh

In the Wake of War Andrew F. Lang, 2017-12-18 The Civil War era marked the dawn of American wars of military occupation inaugurating a tradition that persisted through the late nineteenth and early twentieth centuries and that continues to the present In the Wake of War traces how volunteer and even professional soldiers found themselves tasked with the unprecedented project of wartime and peacetime military occupation initiating a national debate about the changing nature of American military practice that continued into Reconstruction In the Mexican American War and the Civil War citizen soldiers confronted the complicated challenges of invading occupying and subduing hostile peoples and nations Drawing on firsthand accounts from soldiers in United States occupation forces Andrew F Lang shows that many white volunteers equated their martial responsibilities with those of standing armies which were viewed as corrupting institutions hostile to the republican military ethos With the advent of emancipation came the enlistment of African American troops into Union armies facilitating an extraordinary change in how provisional soldiers interpreted military occupation Black soldiers many of whom had been formerly enslaved garrisoned regions defeated by Union armies and embraced occupation as a tool for destabilizing the South's long standing racial hierarchy Ultimately Lang argues traditional fears about the army's role in peacetime society grounded in suspicions of standing military forces and heated by a growing ambivalence about racial equality governed the trials of Reconstruction Focusing on how U S soldiers white and black volunteer and regular enacted and critiqued their unprecedented duties behind the lines during the Civil War era In the Wake of War reveals the dynamic often problematic conditions of military occupation

The Battle of the Crater John F. Schmutz, 2009-06-08 The Battle of the Crater is one of the lesser known yet most interesting battles of the Civil War This book detailing the onset of brutal trench warfare at Petersburg Virginia digs deeply into the military and political background of the battle Beginning by tracing the rival armies through the bitter conflicts of the Overland Campaign and culminating with the siege of Petersburg and the battle intended to lift that siege this book offers a candid look at the perception of the campaign by both sides

The Fenians Patrick Steward, Bryan P. McGovern, 2013-07-17 Aspirations of social mobility and anti Catholic discrimination were the lifeblood of subversive opposition to British rule in Ireland during the mid nineteenth century Refugees of the Great Famine who congregated in ethnic enclaves in North America and the United Kingdom supported the militant Fenian Brotherhood and its Dublin based counterpart the Irish Republican Brotherhood IRB in hopes of one day returning to an independent homeland Despite lackluster leadership the movement was

briefly a credible security threat which impacted the history of nations on both sides of the Atlantic Inspired by the failed Young Ireland insurrection of 1848 and other nationalist movements on the European continent the Fenian Brotherhood and the IRB collectively known as the Fenians surmised that insurrection was the only path to Irish freedom By 1865 the Fenians had filled their ranks with battle tested Irish expatriate veterans of the Union and Confederate armies who were anxious to liberate Ireland Lofty Fenian ambitions were ultimately compromised by several factors including United States government opposition and the resolution of volunteer Canadian militias who repelled multiple Fenian incursions into New Brunswick Quebec Ontario and Manitoba The Fenian legacy is thus multi faceted It was a mildly threatening source of nationalist pride for discouraged Irish expatriates until the organization fulfilled its pledge to violently attack British soldiers and subjects It also encouraged the confederation of Canadian provinces under the 1867 Dominion Act In this book Patrick Steward and Bryan McGovern present the first holistic multi national study of the Fenian movement While utilizing a vast array of previously untapped primary sources the authors uncover the socio economic roots of Irish nationalist behavior at the height of the Victorian Period Concurrently they trace the progression of Fenian ideals in the grassroots of Young Ireland to its de facto collapse in 1870s In doing so the authors change the perception of the Fenians from fanatics who aimlessly attempted to free their homeland to idealists who believed in their cause and fought with a physical and rhetorical force that was not nonsensical and hopeless as some previous accounts have suggested

PATRICK STEWARD works in the Mayo Clinic Development Office in Rochester Minnesota He obtained a Ph D in Irish History at University of Missouri under the direction of Kerby Miller Patrick additionally holds two degrees from Tufts University and he was a strategic intelligence analyst at the Drug Enforcement Administration in Washington D C early in his professional career

BRYAN MCGOVERN is an associate professor of history at Kennesaw State University in Kennesaw Georgia He is author of the widely praised 2009 book John Mitchel Irish Nationalist Southern Secessionist and has written various articles chapters and book reviews on Irish and Irish American nationalism

Haunted by Atrocity Benjamin G. Cloyd, 2010-05-24 Benjamin G Cloyd deftly analyzes how Americans have remembered the military prisons of the Civil War from the war itself to the present making a strong case for the continued importance of the great conflict in contemporary America The first study of Civil War memory to focus exclusively on the military prison camps *Haunted by Atrocity* offers a cautionary tale of how Americans for generations have unconsciously constructed their recollections of painful events in ways that protect cherished ideals of myth meaning identity and ultimately the deeply rooted faith in American exceptionalism

Civil War Almanac John C. Fredriksen, 2007 Presents a comprehensive reference to the American Civil War including a chronology of major events biographical sketches related articles and a collection of maps

Making Legal History Daniel J. Hulsebosch, R. B. Bernstein, 2013-09-20 One of the academy's leading legal historians William E Nelson is the Edward Weinfeld Professor of Law at New York University School of Law For more than four decades Nelson has produced some of the most original and creative work on American

constitutional and legal history His prize winning books have blazed new trails for historians with their substantive arguments and the scope and depth of Nelson s exploration of primary sources Nelson was the first legal scholar to use early American county court records as sources of legal and social history and his work on legal history in England colonial America and New York has been a model for generations of legal historians This book collects ten essays exemplifying and explaining the process of identifying and interpreting archival sources the foundation of an array of methods of writing American legal history The essays presented here span the full range of American history from the colonial era to the 1980s Each historian has either identified a body of sources not previously explored or devised a new method of interrogating sources already known The result is a kaleidoscopic examination of the historian s task and of the research methods and interpretative strategies that characterize the rich complex field of American constitutional and legal history

Living Hell

Michael C. C. Adams, 2016-09-15 A senior military historian presents an unflinching account of the human costs of the Civil War Many Americans argues Michael C C Adams tend to think of the Civil War as more glorious less awful than the reality Millions of tourists flock to battlefields each year as vacation destinations their perceptions of the war often shaped by reenactors who work hard for verisimilitude but who cannot ultimately simulate mutilation madness chronic disease advanced physical decay In *Living Hell* Adams tries a different tack clustering the voices of myriad actual participants on the firing line or in the hospital ward to create a virtual historical reenactment Perhaps because the United States has not seen conventional war on its own soil since 1865 the collective memory of its horror has faded so that we have sanitized and romanticized even the experience of the Civil War Neither film nor reenactment can fully capture the hard truth of the four year conflict *Living Hell* presents a stark portrait of the human costs of the Civil War and gives readers a more accurate appreciation of its profound and lasting consequences Adams examines the sharp contrast between the expectations of recruits versus the realities of communal living the enormous problems of dirt and exposure poor diet malnutrition and disease He describes the slaughter produced by close order combat the difficulties of cleaning up the battlefields where tens of thousands of dead and wounded often lay in an area of only a few square miles and the resulting psychological damage survivors experienced Drawing extensively on letters and memoirs of individual soldiers Adams assembles vivid accounts of the distress Confederate and Union soldiers faced daily sickness exhaustion hunger devastating injuries and makeshift hospitals where saws were often the medical instrument of choice Inverting Robert E Lee s famous line about war Adams suggests that too many Americans become fond of war out of ignorance of its terrors Providing a powerful counterpoint to Civil War glorification *Living Hell* echoes William Tecumseh Sherman s comment that war is cruelty and cannot be refined Praise for *Our Masters the Rebels* A Speculation on Union Military Failure in the East 1861 1865 This excellent and provocative work concludes with a chapter suggesting how the image of Southern military superiority endured in spite of defeat Civil War History Adams s imaginative connections between culture and combat provide a forceful reminder that Civil

War military history belongs not in an encapsulated realm with its own categories and arcane language but at the center of the study of the intellectual social and psychological currents that prevailed in the mid nineteenth century Journal of American History Praise for The Best War Ever America and World War II Adams has a real gift for efficiently explaining complex historical problems Reviews in American History Not only is this mythologizing bad history says Adams it is dangerous as well Surrounding the war with an aura of nostalgia both fosters the delusion that war can cure our social ills and makes us strong again and weakens confidence in our ability to act effectively in our own time Journal of Military History

American Civil War Steven E. Woodworth, 2008 This volume examines the daily lives of soldiers and families during the Civil War considering the roles and experiences of men women and children black and white with special sections on religion and popular culture
