Encounters With American Culture Peter S. Prescott, 2005-10-01 This collection of essays discusses some of the important books authors and literary trends of a volatile era in American and world literature whose cultural repercussions are still being felt Peter S Prescott was one of the most penetrating knowledgeable and sensitive critics to write for a general audience in the tradition of Edmund Wilson Readers will discover not only Prescott s acute and subtle comments on the enduring and or representative books of the time but also his humor and style his way with an anecdote or aphorism his talent for parody and his ability to laugh at himself as well as at the authors he sometimes skewers Prescott s writing has an immediacy and vivacity that suggests what it was like to read new books during his time Here is one critic s view ironic and complex of good books by famous writers like Norman Mailer Jorge Luis Borges Joyce Carol Oates Aleksandr Solzhenitsyn and Vladimir Nabokov as well as of good books by little known writers and others who would later achieve reknown Here too is some astringent criticism of distinguished and popular authors who have fallen into self indulgence Prescott writes about the New Journalism in its early days and about fragmentary autobiography as a literary form genres whose importance he

was among the first to recognize His essays also touch on theater film food and politics The criticism in this volume are examples of the literary essay in its truest sense an attempt to explore in however brief space allowed what the author sees around him and connections between books and other aspects of the way people live Always personal and urbane these essays are often hilarious generally moving and exemplify the essay as an art form Peter S Prescott was book review editor for Newsweek His books include *A Darkening Green Notes from the Silent Generation* and *The Child Savers Juvenile Justice Observed* Anne L Prescott is Helen Goodhart Altschul Professor of English at Barnard College

Dear,2013-07-01 The shadowy world of supposedly legalized spying has an enduring fascination for us all *Spy and Counterspy* reveals for the first time the web of spies that spanned the globe during and after the Second World War working for organisations like MI5 MI6 the CIA OSS Soviet Smersh NKVD Japanese Tokko and the German Gestapo These men and women lived extraordinary lives always on the edge of exposure and the risk of death Many of them were so in love with the Great Game of espionage that they betrayed their countries and acted as double and sometimes even triple agents in a complex deception that threatened the very grasp of power in government Their war in the shadows remained unrecognized until today *Ideologies and the Corruption of Thought* Joseph Gabel,2018-01-16 Edited and with an introduction by Alan Sica In 1975 Joseph Gabel published a modern masterpiece which appeared in English as *False Consciousness An Essay on Reification* Combining his special knowledge of existential psychiatry axiology Marxism and political history Gabel proposed the utterly novel idea that victims of serious mental disturbances especially paranoia and schizophrenia reproduce those distorted thought patterns commonly associated with ideological beliefs at the collective level Such beliefs initially had been laid bare in the 1920s by Gabel's intellectual progenitors Karl Mannheim and George Lukacs Gabel's remarkable innovation was to transfer the private crisis of mental collapse into the analytic framework previously reserved for ideological critique making him an expert on what was later called the micro macro problem *Ideologies and the Corruption of Thought* includes Gabel's essays over the last 40 years characteristically treating micro and macro theoretical matters simultaneously

Originally written in French and German they have been recast in idiomatic English and bibliographically updated Using a unique mode and vocabulary of analysis Gabel offers theoretical investigations of McCarthyism and Stalinism original and more recent types as well as Althusser Orwell and Jonathan Swift in his capacity as a psychiatric theorist He also explores anti Zionism anti Semitism and a fascinating case study of a paranoid who regarded himself as the pope In addition this volume includes a range of general commentaries on ideological thought utopianism and false consciousness This rich feast of social and political analysis and theory illuminates a range of contemporary concerns racism utopian fantasy ethnocentrism anti Semitism the interplay of social structure and mental illness and ideological transformations of social life which only Gabel s unique mixture of the clinical and the political could achieve It will be studied with interest by all theorists and politically alert readers in the social sciences philosophy and related fields of study [NIrV, Free on the Inside Bible, Large Print, Paperback](#) Zondervan,2017-02-07 Developed in conjunction with Prison Fellowship the NIrV Free on the Inside Bible Large Print is a powerful tool for prison ministry Included are personal testimonies extra study helps 10 6 type size and the easy to read complete Bible text of the New International Reader s Version NIrV **The ^AOxford Handbook of the History of Crime and Criminal Justice** Paul Knepper,Anja Johansen,2016-04-15 The Oxford Handbook of the History of Crime and Criminal Justice provides a systematic and comprehensive examination of recent developments across criminology and criminal justice Chapters examine methodological and theoretical approaches to criminology on going debates and controversies and contemporary issues such as drug trafficking terrorism and the intersections of gender race and class in the context of crime and punishment [AQ](#) ,1999 **The Publishers Weekly** ,1972 **Sorcerer's Apprentice paperback** Tahir Shah,2013-09-09 Sorcerer s Apprentice is an extraordinary tale of Indian magic India is a land of miracles where godmen and mystics mesmerise audiences with wondrous feats of magic In great cities and remote villages alike these mortal incarnations of the divine turn rods into snakes drink acid eat glass hibernate and even levitate A quest for the bizarre wondrous underbelly of the Subcontinent Shah s travels lift the veil on the East s most puzzling miracles The Journey of Observation leads him to a cornucopia of characters Illusionists all some are immune to snake venom others speak through oracles or have the power to transform ordinary water into petrol Along the way Shah witnesses a duel of miracles crosses paths with an impoverished billionaire and even meets a part time god Revealing confidence tricks and ingenious scams Sorcerer s Apprentice exposes a side of India that most writers never even imagine exists **The Complete Book of Essential Oils and Aromatherapy** Valerie Ann Worwood,2012-08-23 This encyclopedic book contains in practical and easy to understand form every conceivable use for essential oils and aromatherapy in everyday life The author a practicing aromatherapist for more than twenty years unlocks the power of essential oils in more than 600 original recipes most needing only a few essential oils Unlike over the counter products the recipes you make yourself contain no harmful preservatives Most basic needs can be covered with just ten essential oils
