Sweets Tim Richardson, 2008-12-05 In *Sweets* Tim Richardson takes us on a magical confectionery tour letting his personal passion fuel the narrative of candy's rich and unusual history. Beginning with a description of the biology of sweetness itself, Richardson navigates the ancient history of sweets, the incredible range and diversity of candies worldwide, the bizarre figures and practices of the confectionery industry, and the connection between food and sex. He goes on to explore the role of sweets in myth and folklore and finally offers a personal philosophy of continual sweet eating based on the writings of Epicurus. For anyone with a sweet tooth, *Sweets* is manna. This history of candy is full of delights. *New York Times Book Review*. *Sweets* is an informative, entertaining grab bag of personal opinion, anecdote, and culinary history. *Los Angeles Times*.

Advanced Level Computing Through Diagrams Ian Simons, 2002 Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The diagrammatic approach makes the key concepts and processes and the links between them easier to memorize. Comprehensive coverage. Key topics are graphically presented on page spreads, making the book extremely easy to use. Additionally, this book features specification matching grids so that you feel confident that your specification is covered. Saves revision time. Your students will save valuable revision time by using these notes instead of condensing their own. In fact, many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes.

meditation can help to nurture young minds and hearts The Importance of Being Myrtle Ulrika Jonsson,2011-09-01 Is a death in the family the chance for a new start When Myrtle s husband Austin dies on the bus one morning everything seems to freeze But in reality Myrtle has been frozen for nearly forty years locked into an emotionless marriage So if the barriers have been lifted why does she still feel trapped Her daughters are a mystery to her one prickly and defensive the other with a closely guarded secret And thanks to Austin s cold presence friends are a rarity How is a widow supposed to find herself when she s alone and unconfident of her place in the world But hope might rest with Gianni the kind stranger in whose arms Austin died And when nosy neighbour Dorothy discovers Myrtle s sad news she also refuses to let her wallow But Myrtle will

never move on until she's dealt with her past and the reason for her devotion to Austin. The truth must out even though the consequences might prove devastating for Myrtle and her daughters.

The Teacher's Guide to Intervention and Inclusive Education Glynis Hannell, 2015-11-17 Enables educators to quickly identify individual student's difficulties and strengths and then target intervention directly where it is needed.

Success with Inclusion Glynis Hannell, 2007-10-23 Today's classroom welcomes diversity where many levels, speeds and styles of learning coexist. *Success with Inclusion* provides over 1000 specific strategies to help identified areas of difficulty or advanced development. Using this book teachers will be able to quickly and easily identify and record their pupils' individual learning patterns using the observation charts provided, structure a well-planned inclusive environment, implement creative and thoughtful learning interventions, create an atmosphere of flexibility and compassion. Author and experienced teacher Glynis Hannell gets down to the nitty-gritty with chapters full of practical and creative ideas that will help accommodate not only pupils with difficulties but also those who are advanced. Learning strategies here will help you to be an effective inclusive teacher, address a variety of reading difficulties, support pupils' writing skills, make maths comprehensible, fun and relevant, enhance pupils' concentration, encourage habits of organisation, foster teamwork between yourself, colleagues, parents and pupils. The 42 photocopiable worksheets, checklists, charts, games and planners are provided in the appendix to give teachers a headstart. Also here are observation charts, literacy and maths resources as well as support materials for teachers, pupils and parents.

Probability: A Lively Introduction Henk Tijms, 2017-10-06 Probability has applications in many areas of modern science, not to mention in our daily life. Its importance as a mathematical discipline cannot be overrated and it is a fascinating and surprising topic in its own right. This engaging textbook with its easy-to-follow writing style provides a comprehensive yet concise introduction to the subject. It covers all of the standard material for undergraduate and first-year graduate level courses as well as many topics that are usually not found in standard texts such as Bayesian inference, Markov chain Monte Carlo simulation and Chernoff bounds.

Teaching and Learning Communication, Language and Literacy Ann Browne, 2007-03-22 Teaching and Learning Communication, Language and Literacy is a comprehensive guide to the teaching and learning of communication, language and literacy in the foundation stage (3-5 years). It draws on research findings and good practice to provide practical guidance about working with young children in nursery and reception classes. The book examines how young children develop as learners and users of language and literacy and the contribution that home and school make to their learning. It locates learning in a play-based curriculum and provides a rationale for making play both a context and a resource for learning. It also takes account of recent policy initiatives such as the Curriculum Guidance for the Foundation Stage, the organization for literacy in reception classes and the foundation stage assessment profile. Throughout the book a distinction is made between the organization and activities that are appropriate to nursery and reception children. The book contains practical suggestions about activities and resources including ways of working with environmental print and found texts, ICT
