**Lucretia the Unbearable** Marjorie Weinman Sharmat,1981 Because Lucretia Bear is overly concerned about her health the other animals don't enjoy being with her Good Behavior Stephen W. Garber, Marianne Daniels Garber, Ph.D., Robyn Freedman Spizman,1993-10-15 An invaluable child care reference that contains over 1 200 sensible solutions to every conceivable childhood problem from birth through age 12 **Rethinking Britten** Philip Rupprecht,2013-09-19 This book offers a new account of the composer's enduring popularity 12 essays by a group of leading senior and emerging scholars offer fresh historical and interpretive contexts for all phases of Britten's career *The Rape of Lucretia and the Founding of Republics* Melissa M. Matthes,2007-11-21 The bonds among republican citizens are created in part through the stories told and retold as the foundational myths of the republic In this book Melissa Matthes takes advantage of the way in which republican theorists in different eras Livy Machiavelli and Rousseau retell the story of the rape of Lucretia to support their own conceptions of republicanism The recurring presentation of this story as theater by these different theorists reveals not only the performative elements of republicanism but as Matthes argues adds to Hannah Arendt's emphasis on the oral dimensions of speech and hearing the important idea of public space as a visual field Lucretia's story also helps illuminate the gendering of republicanism particularly the aspects of violence and subordination that lie at its very origin By focusing attention on this underlying and deeply gendered quality of republics Matthes brings republican theory into fruitful dialogue with feminism *Nancy Polette's E is for Everybody* Nancy Polette,1982 **Lucretia Ann in the Golden West** Ruth Gipson Plowhead,2001-03 Lucretia Ann her kitty Benjamin and her chum Dimmis Greensleave have reached their land o dreams the Golden West Lucretia Ann in the Golden West the second book of a trilogy is set against a historical background allowing youngsters to relive the pioneer days **Children's Book Review Index** ,1985 Summoned Souls Cheetah Richards,2015-01-20 Based on a true story a young Welsh woman's trial and conviction leads to a violent cauldron of events This story has all the ingredients of a heart wrenching gripping journey as you peel the layers back on lives that ended in death and ignominy In this journey you will run the gamut of all possible emotions of those who fought insanity to survive in the early 1800s The skulls of Lucretia Dunckley Martin Beech and John Lynch are still stored in the Anthropology Department in the Australian Museum Sydney Australia May your soul rest in peace Lucretia Your pitiful but dramatic story is cast here in perpetuity **Kirkus Reviews** ,1982 Adult books are categorized by genre i.e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **The Bookfinder** Sharon Spredemann Dreyer,1985 **Honour, Exchange and Violence in Beowulf** Peter Stuart Baker,2013 Argues for a new

reading of Beowulf in its contemporary context where honour and violence are intimately linked This book examines violence in its social setting and especially as an essential element in the heroic system of exchange sometimes called the Economy of Honour It situates Beowulf in a northern European culture where violence was not stigmatized as evidence of a breakdown in social order but rather was seen as a reasonable way to get things done where kings and their retainers saw themselves above all as warriors whose chief occupation was the pursuit of honour and where most successful kings were those perceived as most predatory Though kings and their subjects yearned for peace the political and religious institutions of the time did little to restrain their violent impulses Drawing on works from Britain Scandinavia and Ireland which show how the practice of violence was governed by rules and customs which were observed with variations over a wide area this book makes use of historicist and anthropological approaches to its subject It takes a neutral attitude towards the phenomena it examines but at the same time describes them forthrightly avoiding euphemism and excuse making on the one hand and condemnation on the other In this it attempts to avoid the errors of critics who have sometimes been led astray by modern assumptions about the morality of violence PETER S BAKER is Professor of English at the University of Virginia **Bulletin of the Center for Children's Books** University of Chicago.
