Now *The Essential Guide to Children's Books and Their Creators* assembles the best of that volume in one handy, affordable reference geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children's literature by focusing on the essentials: the best books for children, the ones that inform, impress, and most importantly, excite young readers. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children's authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. *The Essential Guide to Children's Books and Their Creators* summarizes the canon of contemporary children's literature in a practical guide essential for anyone choosing a book for or working with children.

Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature, this timely single-volume reference covers the books our children are or should be reading now, from board books to young adult novels. Enriched with dozens of color illustrations and the voices of authors and illustrators themselves, it is a cornucopia of delight. 23 color, 153 b/w illustrations *Those Who Sit in Darkness* Donald J. Richardson, 2012-10-30 As a boy growing up in Iowa, Missouri, Nebraska, and Kansas, I had no objective conception of evil. We were practicing Roman Catholics in our family, so our consideration of evil was focused on self-urges which could lead to sins, which themselves constituted sin. Evil was what lay in the barely hidden recesses of our personalities. There was no objective correlative of evil; the church taught we were evil embodied. Thus we never regarded others as evil or even bad. What would have happened had we ever encountered anyone who was truly evil? Surely out there were people who couldn't be justified or whose behavior couldn't be rationalized away. What would happen when we met?
