elephant became a hand on Bob's ranch tending to simple chores riding the fences and shadowing Bob on his horse. She developed a winning personality and a strong character and became a beloved member of the Norris family and partner to the ranch hands. But Bob knew from the start that the ultimate goal was for Amy to regain her confidence and her independence even if it were possible to go back to the savannahs of Africa. This is the true story of how Amy and Bob came together. No one who reads *The Cowboy and His Elephant* can fail to be moved by such a simple tale of unlikely love.
