

A book cover featuring a large, vibrant photograph of Magic Johnson. He is a Black man with a joyful expression, looking upwards and to the right, with his mouth open in a wide smile. He is wearing a light-colored, possibly white, blazer over a dark shirt. The background of the photo is a soft, out-of-focus purple and blue. The title 'BASKETBALL'S SMILING SUPERSTAR' is printed in a bold, red, sans-serif font in the upper right corner. Below the title, the author's name 'By Rick L. Johnson' is written in a smaller, yellow, sans-serif font. At the bottom, the word 'MAGIC' is in large, bold, purple letters, and 'JOHNSON' is in white letters on a red rectangular background, flanked by four yellow stars. A small 'Taking part' logo is visible on the left side, near the spine.

Magic Johnson Rick L. Johnson, 1992 A biography of the star guard for the Los Angeles Lakers who shocked fans by retiring in 1991 because he had contracted the AIDS virus **Subject Guide to Books in Print**, 1996 **Books in Print Supplement**, 1994 **African-American Sports Greats** David L. Porter, 1995-10-30 African American athletes have played a significant role in the development and popularity of American professional sports and have encountered numerous obstacles on the road to athletic success This is the first comprehensive multi sport biographical dictionary of African Americans who reached the pinnacles of success in their sport It contains more personal and career profiles of African American sports greats than are found in any other single source Biographical profiles of 166 noted athletes coaches and administrators in team and individual sports include both Ristorical figures such as Jesse Owens and Satchel Paige and contemporary stars such as Charles Barkley Ken Griffey Jr Michael Jordan Jackie Joyner Kersee Shaquille O Neal and Emmitt Smith Forty four sports historians contributed the colorfully written biographies which blend both personal background information and athletic career accomplishments All information is current through the middle of 1995 The dictionary covers the contributions made by African American greats in football baseball basketball track and field boxing wrestling auto and stock car racing golf thoroughbred racing tennis cycling and figure skating More than two thirds of the entries represent team sports The dictionary is organized alphabetically by person Each colorfully written profile is 800 1 000 words in length and traces the subject s personal life family and educational background personal struggles career accomplishments records set statistical data awards and honors and overall impact and features lively quotations by and about the sports luminaries Each entry contains a handy bibliography of books and articles about the subject Biographies of managers coaches and club executives describe their teams statistical achievements accomplishments strategy and sports impact A general introduction traces the historic struggle of African American athletes in professional and Olympic sports and appendices provide alphabetical listings of biographical entries and entries by sport A selection of photos complement the profiles For the sports fan or librarian this is a first stop for biographical information that captures the personality of the athlete and includes all the pertinent information about his or her accomplishments It is an essential addition to the reference sections of junior high high school and public libraries **AIDS Narratives** Steven F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual s bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of

AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it
