Magical Staff The Vitalist Tradition In Western Medicine:

The Magical Staff Matthew Wood,1992 **Vitalism** Matthew Wood,2000-03-16 Vitalism the recognition that the physical body is animated by a vital life force is the foundation of most natural healing therapies The forefathers of alternative medicine discovered methods of healing the body by stimulating this life force In Vitalism The History of Herbalism Homeopathy and Flower Essences Matthew Wood describes the theories lives and work of nine great physicians who laid the groundwork for natural medicine **Homeopathy, Healing and You** Vinton McCabe,2025-09-23 Homeopathy If you work with an illness instead of wrestling against it it can guide you through the expression of your symptoms to a life that is truly healthy in body mind and spirit Healing To believe in healing is to believe that change can come about in your life like spontaneous combustion that you can catch health just as you can disease And You We have an invisible nature that defies chemical compositions and that allows us understanding of more than just physical creation There is a hidden wisdom in our bodies and in our illnesses If we can begin to change our thinking and to live our lives homeopathically we can find healing without taking any medicines homeopathic or allopathic Vinton McCabe a preeminent voice in homeopathy will show people how to start on the path to this healing *Medical Herbalism* David Hoffmann,2003-10-24 A foundational textbook on the scientific principles of therapeutic herbalism and their application in medicine A complete handbook for the medical practitioner Includes the most up to date information on preparations dosage and contraindications By the author of The Complete Illustrated Holistic Herbal Medical Herbalism contains comprehensive information concerning the identification and use of medicinal plants by chemical structure and physiological effect the art and science of making herbal medicine the limitations and potential of viewing herbs chemically and the challenge to current research paradigms posed by complex plant medicines It also includes information on toxicology and contraindications the issues involved in determining dosage and formulation types for an individual guides to the different measurement systems and conversion tables and the pros and cons of both industrial and traditional techniques With additional sections devoted to the principles of green medicine the history of Western Herbalism the variety of other medical modalities using medicinal plants an extensive resource directory and a discussion of treatments organized by body system Medical Herbalism is the comprehensive textbook all students and practitioners of clinical herbalism need to develop their healing practices *Alternative Healthcare* Jack Raso,2013-12-05 Raso examines the philosophical underpinnings of alternative medicine as well as hands on healing Qigong and faith healing He shows that whatever the specific philosophy the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well being of mind and body The final section is a firsthand account of Raso s many revealing visits to various alternative healthcare practitioners The book concludes with an encyclopedic glossary of alternative healthcare terminology **Cannabis, Sacred and Profane** Christopher Partridge,2024-08-22 Focussing on the ways in which cannabis has been demonized sacralized and normalized Christopher

Partridge analyses the complex and often difficult relationship Western societies have had with the plant since the nineteenth century After an introduction to cannabis and its uses the book discusses how and why it was constructed as a profane influence and a marker of deviance It then examines the emergence of medicinal cannabis showing how this has contributed to its normalization and even its sacralization Finally there is a discussion of sacred cannabis which looks at its use within modern occultism Rastafari and several cannabis churches Overall the book provides a cultural history of cannabis in the modern world which exposes the underlying reasons for the various and changing attitudes to this popular psychoactive substance

Alchemical Medicine for the 21st Century Clare Goodrick-Clarke, 2010-06-08 Using the ancient art of spagyrics for treatment of today's health problems Contains detailed indications for using alchemical preparations therapeutically Shows how the essences work holistically to heal the mind body and spirit with the energetic qualities of the plant Provides effective therapy for a wide range of physical and mental disorders Spagyrics is a branch of medicinal alchemy that enhances the healing properties already existing in plants Developed by Paracelsus the magus and alchemist of the early 16th century spagyrics is a holistic therapy that promotes healing at all levels of the human being body soul and spirit Spagyric essences harness the dynamic life force in plants that triggers recovery from the energetic imbalance of illness The harmonizing and balancing qualities of spagyric essences differ from other plant remedies and aromatherapy oils because they not only include the plant's energetic information but also incorporate the salt of the plant from which all toxic matter has been purged The preparation of this alchemical medicine makes it possible to capture the full therapeutic spectrum of plants including the cosmic energies they have absorbed **Alchemical Medicine for the 21st Century** contains detailed indications for using these alchemical preparations to treat both physical and mental disorders The author shows for example that the tincture made from dandelion is especially potent on liver related ailments and also raises the spirit and frees the patient from anger and bitterness The immune system is also boosted by this essence providing tonic effects for allergy sufferers The author a homeopath since 2000 also shows how these spagyric essences can be potentized homeopathically

Examining Complementary Medicine Andrew Vickers, 1998 Until recently criticism and analysis of complementary therapy has come exclusively from orthodox medicine but with the widespread adoption of complementary therapies within conventional medical and therapeutic practices the time is now right for critical self analysis on the part of practitioners within complementary therapies

The History of American Homeopathy John S. Haller, 2009 The History of American Homeopathy traces the rise of lay practitioners in shaping homeopathy as a healing system and its relationship to other forms of complementary and alternative medicine in an age when conventional biomedicine remains the dominant form of complementary medicine within the American social scientific religious and philosophic traditions

Alternative Medicine Resource Guide Francine Feuerman, Marsha J. Handel, 1997 Contains information on resources and publications in the general field of alternative medicine and thirty two specific modalities
