Magical Worlds Of Narnia:

The Magical Worlds of Narnia David Colbert, 2005 Examines the origins and hidden meanings of the characters and plots within C S Lewis's Narnia series *Magical Worlds of Narnia* David Colbert, 2009-02-01 Why a wardrobe Why does Aslan lie on a stone table What did C S Lewis mean by Shadowlands Who and what inspired the White Witch How did The Lord of the Rings author J R R Tolkien influence Narnia What if you found another world filled with magical creatures like centaurs witches and a talking lion and the door to it was in your own house So begins C S Lewis's classic book The Lion the Witch and the Wardrobe which along with its 6 sequels has delighted readers for generations This book explores the myths legends and history behinds the Narnia series Discover the medieval lore and ancient myths that inspired Lewis and trace Narnia's origins to the Bible the tales of King Arthur and various corners of history Illustrations **The Magical Worlds of Narnia** David Colbert, 2005 bull Who led Lewis to create the White Witch bull Why did the adventure begin in a wardrobe bull Why wasn't Aslan in the stories at first What if you found another world filled with magical creatures like centaurs witches and a talking lion and the door to it was in your own hours Beginning with the enchanted opening of The Lion the Witch and the Wardrobe C S Lewis's seven Chronicles of Narnia have delighted readers for generations Now The Magical Worlds of Narnia explores the medieval lore and ancient myths that inspired Lewis tracing Narnia's origins to the Bible the tales of King Arthur and Lewis's personal history This essential guide is a passport to one of the most unusual adventures of all time **Pocket Companion to Narnia** Paul F. Ford, 2005-07-26 The pocket guide is an adventurer's passport to the land of Narnia From Aslan the great lion to Zardeenah the mysterious lady of the night this comprehensive and accessible companion contains hundreds of alphabetically arranged entries covering all the characters events places and themes that Lewis magically wove into his timeless and magical world This little book will be perfect for the millions of kids and parents who already love the Narnia books and want to go deeper into that world as well as for those newly drawn to the story by the Narnia movie The Pocket Companion is a perfect gift book a natural movie tie in and will continue to help readers and fans get closer to the magical world of Narnia for years to come *The Magical World of the Inklings* Gareth Knight, 2010 Because of the combination of information understanding and insight on which it is founded The Magical World of the Inklings is more than outstanding It is not in the same league with anything else I have come across Owen Barfield The works of J R R Tolkien C S Lewis Charles Williams and Owen Barfield have had a profound impact on the contemporary world Together they were The Inklings a small literary group of friends who set out to explore the mythopoeic or myth making element in imaginative fiction The Magical World of the Inklings reveals how each of these writers created a magical world which initiated the reader into hidden and powerful realms of the creative imagination War of the Fantasy Worlds Martha C. Sammons, 2009-12-22 This investigation focuses on C S Lewis's and J R R Tolkien's contrasting views of art and imagination which are key to understanding and interpreting their fantasy works providing insight into their goals themes

and techniques as well as an appreciation of the value and impact of their mythologies Most scholarship about J R R Tolkien and C S Lewis describes their shared faith and academic interests or analyzes each writer s fantasy works War of the Fantasy Worlds C S Lewis and J R R Tolkien on Art and Imagination is the first to focus solely on their contrasting concepts of fantasy The authors views of art and imagination the book shows are not only central to understanding the themes value and relevance of their fantasy fiction but are also strikingly different Understanding the authors thoughts about fantasy helps us better understand and appreciate their works Yet this book is not a critical analysis of The Lord of the Rings or The Chronicles of Narnia Rather it examines only elements of Tolkien s and Lewis s books that relate to their views about art fantasy and creativity or the implementation of their theories The result is a unique and altogether fascinating perspective on two of the most revered fantasy authors of all time

The Harry Potter Generation Emily Lauer, Balaka Basu, 2019-04-10 The generation of readers most heavily impacted by J K Rowling s Harry Potter series those who grew up alongside the boy who lived have come of age They are poised to become teachers parents critics and writers and many of their views and choices will be influenced by the literary revolution in which they were immersed This collection of new essays explores the many different ways in which Harry Potter has shaped this generation s views on everything from politics to identity to pedagogical spaces online It seeks to determine how the books have affected fans understanding of their place in the world and their capacity to create it anew

Spaces and Places in the Fantastic Kristin Aubel, Sarah Edwards, Christian Lenz, 2025-06-12 This book is an interdisciplinary collection of essays examining the spaces and places central to fantasy science fiction and horror across literature film television art and video games By employing new and interdisciplinary approaches this volume highlights the intricate interplay between setting imagination and cultural context in the fantastic Through its diverse themes and texts it provides a comprehensive overview of contemporary research on how spaces both function in and shape fantastic storytelling What unites these essays is their sharp observations of the complex workings of fantastic geographies and their ability to challenge and contribute to preconceived notions and existing research The included essays explore how fantastic landscapes from soundscapes and digital worlds to bodies in and as spaces shape identity reflect social ideas and norms and challenge perceptions of the real world Contributions from international scholars address a wide range of topics such as queer and digital spaces cartography and the fine arts offering fresh perspectives on the construction poetics and functions of fantastic geographies The editors are united in their research interest in the fantastic and literary geography The essays collected in this edited volume are based on a conference they organised in 2022 at TU Dortmund University Germany
