Magician Within Accessing The Shaman In The Male Psyche:

The Magician Within Robert Moore, Douglas Gillette, 1994-06-01 **The Magician Within** Robert L. Moore, Douglas Gillette, 1993 An extension of Robert Moore and Douglas Gillette's theory about the underlying structures and dynamics of the male psyche The Magician Within explores the psyche's spiritual side and its qualities of insight wisdom and healing The authors present the psychological dynamics of the Magician program which enables men to move from boyhood into manhood in a positive self-affirmative way then enables them to help others and they illustrate its universal presence in virtually all human societies Next they explore the Shadow or destructive side of this male potential and ask men to look at themselves and their own lives to see how they may be caught in the destructive dynamics of either the Detached Manipulator or the Innocent One Then readers are invited to use their capacities for thoughtful self-reflection to access the Shaman in themselves for fuller and more generative lives BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Cardinal Jean-Marie Lustiger on Christians and Jews** Bruce Tallman, 2005 Written by an experienced practitioner this book offers spiritual directors a road map to becoming more fully conscious and proficient in their work helps directees learn to discern the good director from the not so good and teaches both director and directee how to cope in less than ideal spiritual direction situations The author describes the four heroic archetypes Sovereign Warrior Seer Lover and the antiheroic archetypes associated with each of them BOOK JACKET **Crossing into Manhood: A Men's Studies Curriculum** Christopher P. Mason, 2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men's lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity Crossing into Manhood is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social constructionist and the essentialist perspectives on masculine gender As a result a men's studies curriculum has been formulated one that offers a balanced bio-psycho-social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men's studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher's website **Chicago 92: The Transcendent Function - Individual and Collective Aspects** Mary Ann Mattoon, 1993 With an all-encompassing theme The Transcendent Function Individual and Collective Aspects The Twelfth International Congress for Analytical Psychology was convened in Chicago on 23 August 1992

A wide range of papers and presentations elucidated diverse approaches to the roles played by symbols in analysis their relationships to one another and their beholders and possibilities for transcendence **Shamans/Neo-Shamans** Robert J. Wallis,2003-12-08 Robert J Wallis explores the interface between the new and prehistoric shamans of popular culture and anthropology drawing on interviews with a variety of practitioners particularly contemporary pagans in Britain and orth America Sacred Fire Ronald Rolheiser,2017-03-14 When one reaches the highest degree of human maturity one has only one question left How can I be helpful TERESA OF VILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow up to the contemporary classic The Holy Longing With his trademark acuity wit and thoughtfulness Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity In this new book Rolheiser takes us on a journey through the dark night of the senses and of the spirit Here we experience the full gamut of human life pleasure and fervor disillusionment and boredom But as Rolheiser explains when we embrace the struggle and yearning to know God we can experience too a profound re understanding to our daily lives What lies beyond the essentials the basics Rolheiser writes Where do we go once some of the basic questions in our lives have been answered or at least brought to enough peace that our focus can shift away from ourselves to others Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness Who am I Who loves me How will my life turn out Where do we go once the basic question in life becomes How can I give my life away more purely and more meaningfully How do I live beyond my own heartaches headaches and obsessions so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In Sacred Fire Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God Soul Making Douglas M. Gillette,2024-11-19 Explains how to embrace the paradox of the spiritual path that we are already reflections of the Divine and manifest our soul s transcendent nature in everyday life Provides contemplative and philosophical tools to support the journey to experience the Sacred Explores mythic stories of soul development and intuition found in Maya and Pythagorean traditions ancient Egyptian thought and Zoroastrianism In the mind of the Divine every person has Infinite Eternal and Absolute Worth But how do we manifest our transcendent nature in everyday life How can we construct our lives in the material world so they reflect the Divine nature of our souls Through his own story of spiritual self realization Douglas M Gillette explores the paradox that lies at the heart of the quest for union with the Divine As the author explains those of us on the mystical path are each working on our souls to better reflect their Divine nature yet we are already reflections of the Divine To help you embrace this paradox the author provides mythic stories of soul development and intuition from Maya and

Pythagorean traditions ancient Egyptian thought and Zoroastrianism He shows how embracing the power of emotions like wonder dread and awe provide a mirror that allows us to see ourselves as infinite and immortal persons on finite and mortal adventures In addition to myth the author s synthesis of Neoplatonism and Panentheism provides readers with contemplative tools to fulfill their mystical journey Bringing together a wide range of contrasting worldviews and ideas assumed to be in opposition the author shows how unifying views that are often considered polar opposites is a primary vehicle for actualizing our core purpose as souls in the physical world He deeply investigates the emergence of personhood as we build our material lives and he reveals the thrill of actually entering into the Sacred through the paradoxical journey of soul making becoming in the physical world what we already are in the infinity and eternity of the Divine Psyche Facing the Dragon Robert L. Moore,2003 Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled Jungian Psychology and Human Spirituality Liberation from Tribalism in Religious Life this book length essay attacks the related problems of human evil spiritual narcissism secularism and ritual and grandiosity Robert Moore dares to insist that we stop ignoring these issues and provides clear sighted guidance for where to start and what to expect Along the way he pulls together many important threads from recent findings in theology spirituality and psychology and brings us to a point where we can conceive of embarking on a corrective course Traditional doctrinal and historical interpretation both rely heavily on rational analysis But from the disciples at Emmaus to the beginnings of the present century it has been the impact of scripture upon the human heart that has changed human lives In recent decades this impact has been strengthened by advances in linguistic and literary theory by such disparate influences as feminism structuralism Jungianism deconstructionism the analysis of archaic imagery and myth the recovery of Gnostic texts and finally an openness to pluralism whether ethnic geographic religious or interpretive All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role If you would understand the deepest roots of terrorism greed and religious fanaticism read Facing the Dragon But be forewarned you may find some offshoots in your own garden June Singer Jungian analyst author of Boundaries of the Soul Robert Moore Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self King Warrior Magician Lover He served as Distinguished Service Professor of Psychology Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary and has served as a Training Analyst at the C G Jung Institute of Chicago He is Co founder of the Chicago Center for Integrative Psychotherapy **Communication and Lonergan** Thomas J. Farrell,Paul A. Soukup,1993 Essays about communication and the thought of Canadian Jesuit philosopher and theologian Bernard Lonergan
