Magizm I Edinobozhie Religiozni Put Chelovechestva Do Epokhi Velikikh Uchitelei

Wallace L. Daniel

Magizm I Edinobozhie Religiozni Put Chelovechestva Do Epokhi Velikikh Uchitelei:

The Dangerous God Dominic Erdozain, 2017-10-02 At the heart of the Soviet experiment was a belief in the impermanence of the human spirit souls could be engineered conscience could be destroyed The project was in many ways chillingly successful But the ultimate failure of a totalitarian regime to fulfill its ambitions for social and spiritual mastery had roots deeper than the deficiencies of the Soviet leadership or the chaos of a command economy Beneath the rhetoric of scientific communism was a culture of intellectual and cultural dissidence which may be regarded as the prehistory of perestroika This volume explores the contribution of Christian thought and belief to this culture of dissent and survival showing how religious and secular streams of resistance joined in an unexpected and powerful partnership The essays in *The Dangerous God* seek to shed light on the dynamic and subversive capacities of religious faith in a context of brutal oppression while acknowledging the often collusive relationship between clerical elites and the Soviet authorities Against the Marxist notion of the ideological function of religion the authors set the example of people for whom faith was more than an opiate against an enduring mythology of secularization they propose the centrality of religious faith in the intellectual political and cultural life of the late modern era This volume will appeal to specialists on religion in Soviet history as well as those interested in the history of religion under totalitarian regimes

Russia's Uncommon Prophet Wallace L. Daniel, 2016-04-20 This lucidly written biography of Aleksandr Men examines the familial and social context from which Men developed as a Russian Orthodox priest Wallace Daniel presents a different picture of Russia and the Orthodox Church than the stereotypes found in much of the popular literature Men offered an alternative to the prescribed ways of thinking imposed by the state and the church Growing up during the darkest most oppressive years in the history of the former Soviet Union he became a parish priest who eschewed fear who followed Christ's command to love thy neighbor as thyself and who attracted large diverse groups of people in Russian society How he accomplished those tasks and with what ultimate results are the main themes of this story Conflict and controversy marked every stage of Men's priesthood His parish in the vicinity of Moscow attracted the attention of the KGB especially as it became a haven for members of the intelligentsia He endured repeated attacks from ultraconservative anti-Semitic circles inside the Orthodox Church For Men represented the spiritual vision of an open non-authoritarian Christianity and his lectures were extremely popular He was murdered on September 9 1990 For years his work was unavailable in most church bookstores in Russia and his teachings were excoriated by some both within and outside the church But his books continue to offer hope to many throughout the world they have sold millions of copies and are testimony to his continuing relevance and enduring significance This important biography will appeal to scholars and general readers interested in religion politics and global affairs

Whispering the Secrets of Language: An Psychological Quest through **Magizm I Edinobozhie Religiozni Put Chelovechestva Do Epokhi Velikikh Uchitelei**

In a digitally-driven earth where screens reign great and immediate transmission drowns out the subtleties of language, the profound techniques and mental nuances hidden within phrases usually go unheard. However, located within the pages of **Magizm I Edinobozhie Religiozni Put Chelovechestva Do Epokhi Velikikh Uchitelei** a charming literary prize pulsing with raw emotions, lies an extraordinary quest waiting to be undertaken. Written by a talented wordsmith, that marvelous opus attracts visitors on an introspective trip, softly unraveling the veiled truths and profound affect resonating within the very fabric of every word. Within the psychological depths of this touching evaluation, we shall embark upon a genuine exploration of the book is primary styles, dissect their captivating publishing style, and fail to the powerful resonance it evokes serious within the recesses of readers hearts.
