Magnificent Mittens:

Magnificent Mittens Anna Zilboorg,1998 Anna Zilboorg s mitten designs use geometric patterns sophisticated colours occasional embellishment with beads and embroidery and generous cuffs with simple yet effective edgings This text presents instructions for 42 fully charted mitterns that are featured **Magnificent Mittens & Socks** Anna Zilboorg,2009 The new revised edition of Magnificent Mittens Socks includes directions for working socks Anna s toe up free sole sock design works with all those beautiful color patterns stranded patterning on the top of the foot and a reinforced sole This practical approach avoids the inelasticity of most stranded color patterned socks and solves the problem of too much work for too little wear

Now your socks can be as magnificent as your mittens **Daily Discoveries for JANUARY** Elizabeth Cole Midgley,2005-03-01 Provides language arts social studies writing math science health music drama physical fitness and art activities for use in kindergarten through sixth grade classes which celebrate the month of January Includes lists of books and bulletin board ideas Gloves Ida Tomshinsky,2011-12-13 No outfit is complete without accessories Trinity of hats

scarves and gloves is a common ensemble that is used as modern fashion accessory by both men and women It was a necessity to protect hands from gusty winds and keep them warm during cold weather winters The historic evolution and democratization development of gloves had an exotic trip with detours aplenty throughout the centuries Gloves in fashion were an exclusive enterprise a pursuit of the wealthy Therefore the use of materials the length and fabrication evolved from made at home into real industry Eventually an array of hand wear of different styles and colors became available for masses In the intervening time Europe countries were the ones that planted the seeds that would define fashion culture chic and elegance for decades to come Today whatever its seasonal vagaries gloves and mittens as fashion accessories have been a reflection of society as an industry often stirring provocative debate Is it art or craft Who would wear elbow long opera gloves Is couture dead Is department store obsolete The answers are in the gloves themselves in their history and present

The Mythical West Richard W. Slatta,2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs **Everlasting "Love" - That Is** Dorothy Farley,2014-06-16 CAT HAVEN is a Heaven on Earth resort for cats which was established in 1995

in loving memory of Brandy a 14 year old tortoise shell calico who taught us love and respect for all forms of creatures whether wild or tame We at CAT HAVEN believe that humans must acknowledge our place in this world and act responsibly We demand more space than we have a right to so it is our responsibility to take care of those creatures whom we have displaced CAT HAVEN Charitable Trust is not an adoption service Our theory is simple all cats deserve to live in a safe nurturing environment and those cats that choose to live at CAT HAVEN may do so for life Donations Accepted to perpetuate the Trust www.youtube.com/watch?v=bVuLkQsCETI
