## Main Babe Sur Le Canada:

*Prejudice and Pride* Damien-Claude Bélanger, 2011-01-01 As a country with enormous economic military and cultural power the United States can seem an overwhelming neighbour one that demands consideration by politicians thinkers and cultural figures *Prejudice and Pride* examines and compares how English and French Canadian intellectuals viewed American society from 1891 to 1945 Based on over five hundred texts drawn largely from the era s periodical literature the study reveals that English and French Canadian intellectuals shared common preoccupations with the United States though the English tended to emphasize political issues and the French cultural issues Damien Claude Belanger s in depth analysis of anti American sentiment during this era divides Canadian thinkers less along language lines and more according to their political stance as right wing left wing or centrist Significantly the era s discourse regarding American life and the Canadian American relationship was less an expression of nationalism or a reaction to US policy than it was about the expression of wider attitudes concerning modernity Peel's Bibliography of the Canadian Prairies to 1953 Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba The Canada Gazette Canada, 1910 **The Postwar Novel in Canada** Rosmarin Heidenreich, 2006-01-01 As a comparative study which includes the analysis of both English Canadian and Quebec novels this book provides an overview of the novel as it has developed in this country since the Second World War Focusing on narratological rather than thematic elements the book represents a systematic application of the insights and analytical tools of reader reception theory in particular the models proposed by Wolfgang Iser and Hans Robert Jauss Placing the emphasis on the text and its effects rather than on the historical or psycho sociological genesis of the text the author invokes the models and paradigms of other literatures to establish a broader cultural context permitting the significance of a literature to emerge as a carrier of meaning in and beyond the culture that produces it Tracing a critical path from Hugh MacLennan s hierarchic romance structures and Gabrielle Roy s social realism to the metafiction of Hubert Aquin and Timothy Findley the author reveals that the novel s narratological features themselves are often closely linked with ideological positions Canadian Catalogue of Books Willet Ricketson Haight, 1896 Canadiana , 1989 **The Canada Gazette** Canada, Canada.
