Main Problems In American History:

Main Problems in American History Howard H. Quint, Milton Cantor, Dean Albertson, 1987-01-01 **Problems in Modern Latin American History** James A. Wood, Anna Rose, 2019-02-12 Now in its fifth edition this leading reader has been updated with new readings and visual sources This edition includes an added final chapter on current social movements to help students reflect on the ecological realities that inform their world In addition the Legacies of Colonialism chapter has been restored to give students an understanding of the deep roots of the problems explored Instead of a separate chapter on women and social change women s voices have been woven more seamlessly throughout the book to reflect women s parity and equity in history With its innovative combination of primary and secondary sources and thoughtful editorial analysis this text is designed specifically to stimulate critical thinking in a wide range of courses on Latin American history since independence

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

OE [publication] , 1968 **Kansas Populism** O. Gene Clanton, 2021-10-08 Because Kansas has been called the leading Midwestern Populist state and the Midwestern phrase was the principle one of this significant movement in American history this first comprehensive history of the Kansas People s party its leaders and their thoughts and actions is an important addition to Populist historiography Through this study of the leadership as well as a complete and personal background analysis of the Populist and Republican members of five Kansas legislatures the author helps to place Populism within its proper historical context Although Kansas Populism is shown to have had a retrogressive strain the pervasive force of the movement is revealed as a constructive and progressive response to the technological achievements that had revolutionized agriculture and industry over the course of the nineteenth century Their answers were not always commendable but the Populists were the first political activists to come to grips in an effective manner with the problems created by the continuing economic revolution that uniquely characterizes modern history and they were intent on demonstrating apparently that the purification of politics was not an iridescent dream In the dialogue which they conducted in the program which they advance

they assisted in launching a progressive quest that continues in our own time Undertaken with the objective of testing recent controversial interpretations of the Populist movement this book according to one reader far surpasses studies of Populism in other states done long ago and innocent of modern methods It contains passages almost epigrammatic in their perceptiveness and is notable for the author's fairness in dealing with the evidence In fact the breadth of research and the extensive annotation and bibliographical material included make this volume an important source in itself *Great Issues in American History, Vol. II* Richard Hofstadter, 1969-12-12 Volume II gathers documents from the period of the Revolution through the Jacksonian era up to the Civil War and the Emancipation To fit both Colonial and Early National courses documents covering 1765-1776 appear at the beginning of this volume and at the end of Volume I *Research Report R.*, 1982 Interpretations of American History, 6th Ed, Vol. Gerald N. Grob, George Athan Billias, 2010-06-15 This collection of essays on American history reflects recent scholarship Contributors new to this edition include Gary Nash Arthur Schlesinger Richard P. McCormick Gerda Lerner Ellen C. DuBois Vicki L. Ruiz Nathan I. Huggins John Lewis Gaddis Paul Kennedy and Kevin P. Philips Edited by Gerald N. Grob and George Athan Billias **American History and Government** James Albert Woodburn, Thomas Francis Moran, 1906
