By The Time Traveler** Charles E. Neuf, 2017-04-19 Image yourself standing on a corner waiting to cross the street when someone you know drives up in a 70 year old restored pickup truck and motions you to get in and take a ride in the 1940 s something pickup truck As your riding along the driver asks you have you every ridden in and old truck like this down a dusty country road in the summer time You reply no The driver responses with let me tell you about it It was different then really more fun than it would be today but I really don t know why *Road 19* Joe Gwerder, 2019-06-18 Road 19 is a very real place that represents the beginning foundation of what has become my family And we re not just your typical family either Some things that were and are prevelent in my family stand out as extraordinary for sure Very big highs and debilitating lows have found us in many ways through several generations thus far As honest as I can be about my family s personal story I must say it is fascinating to realize all that took place Yesterday I was hurt angry and confused Today I am happier and more aware The difference was not created through therapy or found in a church No drugs prescribed or otherwise have been used In fact no external source can be credited One simple yet complicated to admit reality is all it took Through the creation of this book and my family s story I have come to realize True understanding is found far beyond the obvious Childhood exposures set me on a path of adult experiences that have seemed extremely frustrating at times During most of my young adult years I was simply in denial I didn t even want to look at any old family photos Scars were deep resentments were strong so I set out to

detach myself from my family's past I did this for a very long time way too long in fact Now through the open minded perspective that has thankfully found me as I have aged I have looked deep into my family history Far beyond the obvious that engulfed my attention span for many years I found a lot of understanding my understanding Now I wish to record a deep and somewhat detailed exposure of our legacy I invite you in to our past Joe [Universal Truth](#) A.R. Sometimes being overlooked allows you to be seen more clearly Everyone thought they knew everything there was to know about Mary Bennet The quiet bookish middle daughter certainly didn't have anything going for her While her beautiful and talented sisters did great things everyone assumed she would spend all of her days locked away in her parents library One day an old family friend arrives and gives Mary hope There is a small elite college that offers full scholarships to five special people each year To apply Mary has to admit that her family whom she loves might be holding her back even though they mean well Can she muster the courage to walk away from everything she knows for a world that might not understand her This modern day reimagining of Jane Austen's *Pride and Prejudice* tells the story of one young woman's relentless search to find and live her own truth [Making Waves](#) Cassandra King,2012-05-29 The first novel by the author of acclaimed national bestseller *The Sunday Wife* now reissued in paperback In a small Alabama town in Zion County life is finally looking up for 20 year old Donnette Sullivan Having just inherited her aunt's old house and beauty shop she's taken over the business Her husband Tim recently crippled in an accident is beginning to cope not only with his disability but also with the loss of his dreams Once a promising artist who gave up art for sports Tim paints a sign for Donnette's new shop *Making Waves* that causes ripples throughout the small southern community In a sequence of events sometimes funny sometimes tragic the lives of Donnette Tim and others in their small circle of family and friends are unavoidably affected Once the waves of change surge through Zion County the lives of its people are forever altered [Good Friday on the Rez](#) David Hugh Bunnell,2024-06-04 *Good Friday on the Rez* follows the author on a one day 280 mile round trip from his boyhood Nebraska hometown of Alliance to the Pine Ridge Indian Reservation in South Dakota where he reconnects with his longtime friend and blood brother Vernell White Thunder In a compelling mix of personal memoir and recent American Indian history David Hugh Bunnell debunks the prevalent myth that all is hopeless for these descendants of Crazy Horse Red Cloud and Sitting Bull and shows how the Lakota people have recovered their pride and dignity and why they will ultimately triumph What makes this narrative special is Bunnell's own personal experience of close to forty years of friendships and connections on the Rez as well as his firsthand exposure to some of the historic events When he lived on Pine Ridge at the same time of the American Indian Movement's seventy one day siege at Wounded Knee in 1973 he met Russell Means and got a glimpse behind the barricades Bunnell has also seen the more recent cultural resurgence firsthand attending powwows and celebrations and even getting into the business of raising a herd of bison Substantive and raw *Good Friday on the Rez* is for readers who care about the historical struggles and the ongoing plight of Native Americans and in particular that of the Lakota Sioux who

defeated the U S Army twice and whose leaders have become recognized as among America s greatest historical figures
Good Friday on the Rez is a dramatic page turner an incredible true story that tracks the torment and miraculous
resurrection of Native American pride spirituality and culture how things got to be the way they are where they are going
