French Classics Made Easy Richard Grausman, 2011-05-18 Classic French food is hotter than ever But one thing hasn't

changed few of us have the time the patience the technique or the cream and butter allowance to tackle the classics as presented by Julia Child's *Mastering the Art of French Cooking*. The good news is we don't need to. For the past 40 years Richard Grausman, America's premier culinary teacher, has been training American chefs in a simpler, better way of French cooking, and in *French Classics Made Easy*, a refreshed and updated edition of his original collection *At Home with the French Classics*, he shares all of his extraordinary innovations and techniques: Golden soufflés in ten minutes, A light and luscious chocolate mousse that can be made as a cake, a chocolate roll, soufflé or pudding, Plus Cassoulet, Boeuf Bourguignon, Coq au Vin, Bouillabaisse, Poached Salmon with Beurre Blanc in all 250 impeccably clear, step-by-step recipes in range of anyone who knows how to boil water or dice an onion. When a step isn't critical, Grausman eliminates it. If something can be done in advance, he does it. Plus, he's cut the amount of butter, cream, egg yolks, salt, and sugar; the result is health-conscious recipes that don't compromise the essential nature of the dish. Techniques are illustrated throughout in line drawings. It's the grandness of French cuisine made accessible for both entertaining and everyday meals.

Joy of Cooking Irma S. Rombauer, Marion Rombauer Becker, Ethan Becker, John Becker, Megan Scott, 2019-11-12

Generation after generation, Joy has been a warm, encouraging presence in American kitchens, teaching us to cook with grace and humor. This luminous new edition continues on that important tradition while seamlessly weaving in modern touches, making it all the more indispensable for generations to come.

Samin Nosrat, author of *Salt, Fat, Acid, Heat*: Cooking shouldn't just be about making a delicious dish; owning the process and enjoying the experience ought to be just as important as the meal itself. The new *Joy of Cooking* is a reminder that nothing can compare to gathering around the table for a home-cooked meal with the people who matter most.

Joanna Gaines, author of *Magnolia Table*: In the nearly ninety years since Irma S. Rombauer self-published the first three thousand copies of *Joy of Cooking* in 1931, it has become the kitchen bible, with more than 20 million copies in print. This new edition of *Joy* has been thoroughly revised and expanded by Irma's great grandson, John Becker, and his wife, Megan Scott. John and Megan developed more than six hundred new recipes for this edition, tested and tweaked thousands of classic recipes, and updated every section of every chapter to reflect the latest ingredients and techniques available to today's home cooks. Their strategy for revising this edition was the same one Irma and Marion employed: Vet research and improve. Joy's coverage of legacy recipes while introducing new dishes, modern cooking techniques, and comprehensive information on ingredients now available at farmers' markets and grocery stores. You will find tried-and-true favorites like Banana Bread, Cockaigne, Chocolate Chip Cookies, and Southern Corn Bread all retested and faithfully improved, as well as new favorites like Chana Masala, Beef Rendang, Megan's Seeded Olive Oil Granola, and Smoked Pork Shoulder. In addition to a thoroughly modernized vegetable chapter, there are many more vegan and vegetarian recipes, including Caramelized Tamarind Tempeh, Crispy Pan-Fried Tofu, Spicy Chickpea Soup, and Roasted Mushroom Burgers. Joy's baking chapters now include gram weights for accuracy, along with a refreshed lineup of baked goods like Canelés de Bordeaux, Rustic No-Knead Sourdough, Ciabatta,

Chocolate Walnut Babka and Chicago Style Deep Dish Pizza as well as gluten free recipes for pizza dough and yeast breads A new chapter on streamlined cooking explains how to economize time money and ingredients and avoid waste You will learn how to use a diverse array of ingredients from amaranth to za atar New techniques include low temperature and sous vide cooking fermentation and cooking with both traditional and electric pressure cookers Barbecuing smoking and other outdoor cooking methods are covered in even greater detail This new edition of Joy is the perfect combination of classic recipes new dishes and indispensable reference information for today s home cooks Whether it is the only cookbook on your shelf or one of many Joy is and has been the essential and trusted guide for home cooks for almost a century This new edition continues that legacy
