

La compagnie du Cerf-Volant présente :

LES MAINS SALES

De Jean-Paul Sartre, mis en scène par Jules Lecointe

Mains Sales Les

B. P. O'Donohoe, Benedict O'Donohoe

Mains Sales Les:

Theatres of War Ted Freeman, 1998 *Theatres of War* is the first full length study to be devoted to the Committed theatre that flourished in modern France from 1944 to the mid 1950s During this crucial decade authors responded to the issues of their time by contributing a number of tense controversial plays to a distinctive genre of realist theatre **Sartre: Literature and Theory** Rhiannon Goldthorpe, 1984 In this major study Rhiannon Goldthorpe takes up the challenge of Sartre's diversity in an original and provocative way Her detailed and comprehensive exploration of the relationship between the theoretical and literary works pays due attention to their characteristic complexity The discussion of *La Nausée* *Les Mouches* *Huis clos* *Les Mains sales* and *Les Squestrés* e Altona for example does not present these literary texts as mere illustrations of Sartre's theories of consciousness imagination and emotion but as subtle philosophical and linguistic investigations in their own right In addition by reference to recently published fragments from Sartre's earlier work Goldthorpe calls into question existing views of Sartre's intellectual development and provides a new history of the crucial Sartrean concept of commitment *Jean-Paul Sartre: A Bibliography of International Criticism* Robert Wilcocks, 1975 A large comprehensive compilation of journalism and international criticism of the works and activities of Jean Paul Sartre The work covers Sartre's stormy career from 1937 to 1975 containing nearly 700 000 entries and over 3 200 authors Les Mains Sales Jean-Paul Sartre, Geoffrey Brereton, 1967 **La langue des Français** J. R. Watson, 2014-11 NO description available *Modern French Drama 1940-1990* David Bradby, 1991-05-16 An updated account and comparison of the major traditions and tendencies in the French theatre from 1940 1990 , The Perverted Consciousness Andrew N Leak, 1989-10-24 *The Early Sartre and Marxism* Sam Coombes, 2008 This work highlights key areas of common ground between the ethical aesthetic and political content of works from Sartre's early period and classic Marxist philosophy Taking account of both the specificity of early Sartrean thought and the heterogeneity of Marxist theories it affirms their lasting importance to the radical left critique **Sartre's Theatre** B. P. O'Donohoe, Benedict O'Donohoe, 2005 Published on the eve of the philosopher playwright's centenary this study offers a wide ranging re appraisal of Sartre's complete dramatic opus from the inaugural nativity play *Bariona* 1940 to the swan song chorus of *Armageddon* *Les Troyennes* 1965 It draws on a close reading of Sartre's writings in philosophy literature and criticism and provides an extensive survey of journalistic and academic reception Each play is situated in relation both to Sartre's intellectual evolution and to the broader historical context This is the first full length study in English for more than thirty years covering the whole of Sartre's theatre and it will interest students of twentieth century European drama as well as those of modern French literature and ideas
