Mainstay For The Well Spouse Of The Chronically Ill:

Mainstay Maggie Strong, 1988 Professor Cromer Learns to Read Janet M. Cromer, 2010 When a harrowing heart attack and cardiac arrest robbed Alan's brain of vital oxygen he lost his abilities to read write walk talk think and remember In a flash Alan went from being a successful physics professor to a brain injury survivor fighting to relearn everything he once knew So began seven years of intensive rehabilitation re creation and redefining priorities and goals Alan also faced the huge challenge of shaping a new identity and life Above all our book is the story of a marriage that transforms and triumphs but is never defeated by catastrophic illness In a memoir brimming with information Janet explores the mysteries and miracles of their new world from her perspective as Alan's wife Interpreter of the World and rehab partner Alan shares his eloquent tour of the shattered and healing universe inside his brain as few people can Professor Cromer Learns to Read shows that it is possible for a person with an injured brain to continue to heal and improve for years with the right treatment It is possible for love to thrive and adapt to challenging circumstances It is possible to build a life with meaning and gusto even with a devastating illness Our process of gracefully and grudgingly accepting the roles of chronically ill person and caregiver will resonate with many families The universality of our situation transcends diagnosis and age to salute the human spirit Please visit www.janetcromer.com to read advance praise for the book **Helping Families Cope With Mental**

Illness Harriet P Lefley, Mona Wasow, 2013-05-13 In this age of spiraling health care costs it is imperative that the family's role in treating patients with chronic mental illness not be overlooked by policy makers and clinicians alike The families themselves insist that the government and care providing agencies learn new ways to relate to them and patients Helping Families Cope with Mental Illness is a comprehensive guide to the family's experience of chronic and serious mental illness for clinicians and educators in a wide range of mental health disciplines It details all major areas of the clinician family relationship consumer perspectives cultural diversity social policy ethical issues practical coping strategies research and training issues major service issues managed care and cost saving measures Caring and Competent Caregivers Robert Moroney, 1998 Chronic health conditions are the leading cause of illness disability and death in the United States today affecting nearly one hundred million citizens These conditions cost the economy more than 470 billion a year in direct medical costs and more than 230 billion in lost productivity While Americans pride themselves on living in a caring country society as a whole has not fully prepared for the many challenges presented by chronic illness This timely book illustrates the caregiving needs to be faced in the next century Written by individuals associated with the National Quality Caregiving Coalition NQCC of the Rosalynn Carter Institute Caring and Competent Caregivers is a foundation book for use by academicians conducting professional training programs diverse health care and social service providers on the front lines providing assistance to others and students entering the field Incorporating philosophy social science research and impressionistic evidence this book provides a basis for education and practice that is both inspirational and practical **The**
