Mask of Merlin Donald McCormick,1963 **The Mask of Merlin. A Critical Study of David Lloyd George. [With Plates, Including Portraits.]** George Donald King MACCORMICK,1963 **The Mask of Merlin** Donald McCormick,1964

David Lloyd George 1st Earl Lloyd George of Dwyfor OM PC 17 January 1863 26 March 1945 was a British Liberal politician and statesman He was Prime Minister of the United Kingdom and led a Wartime Coalition Government between 1916 and 1922 and was the Leader of the Liberal Party from 1926 to 1931 Wikipedia **The Mask of Merlin** Donald McCormick,1963 *The mask of Merlin , The Mask of Merlin a Critical Biography of David Lloyd George - Primary Source Edition* Donald McCormick,2014-02-24 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *The Mask of Merlin* Richard Deacon,1963 *Lloyd George* Richard Wilkinson,2018-01-30 David Lloyd George left a profound political legacy despite being described by the wife of his successor Herbert Asquith as a gambler without foresight He is of course best known as the Prime Minister who led Britain to victory in World War I but his contribution to domestic politics was similarly impressive As Chancellor of the Exchequer he introduced pensions and national insurance against sickness and unemployment while as Prime Minister he extended democracy by giving votes to women Yet Lloyd George was compromised by his flaws as a human being Vain cruel capricious and dishonest at times his notoriously corrupt nature threatened to damage the British political system Providing a unique new perspective on one of the most phenomenally talented but also one of the most phenomenally flawed of British Prime Ministers this book will be essential reading for anyone interested in modern British politics and history *The Fall of Lloyd George* M.S.R. Kinnear,1973-06-18 *Lloyd George and Foreign Policy* Michael G. Fry,1977-01-01 **David Lloyd George** Jerry Gaw,2023-02-22 Unlike available biographies of David Lloyd George Jerry Gaw s study focuses on the popular British statesman s religious convictions and his lifelong adherence to Churches of Christ doctrine Gaw explores the way George applied Christian principles to the diplomatic and military crises he encountered beginning with his time in the British legislature Gaw s interpretation of George is largely based on the latter s eleven diaries and more than 3 000 letters written to his brother from 1886 1943 These diaries and letters have been little explored by modern biographers of George Gaw s deep analysis presents an entirely different perspective on David Lloyd George and explains in part how he came to the decisions now enshrined in the annals of political history **Lloyd George and the Appeasement of Germany, 1919-1945** Stella Rudman,2011-01-18 This book examines Lloyd George s attitudes to Germany during the inter war period

and beyond As Prime Minister until October 1922 and a leading player in the shaping of postwar Europe Lloyd George maintained an active critical interest in Britain's European policy almost until his death in 1945 After a brief survey of his role at the Paris Peace Conference of 1919 the book considers Lloyd George's policy towards Germany during the rest of his premiership It then examines his interventions across the remaining inter war years concluding with an evaluation of his advocacy of a compromise peace with Hitler during World War Two In 1941 Churchill likened Lloyd George's attitude to Germany to that of Marshal Pétain The evidence in some ways vindicates that comparison It shows that after 1918 Lloyd George supported appeasement on most issues involving Germany even during Hitler's chancellorship and even after World War Two began His belief that Germany had just grievances his suspicion of French motives his admiration for Hitler and his growing conviction that Germany had been treated unfairly at Versailles led him to see her as a long suffering under dog The book also sheds light on the evolution of the appeasement policies of successive British governments throughout the inter war period and by comparing Lloyd George's views with those of contemporary leaders and opinion formers it highlights ideas for alternatives to appeasement as conceived at the time rather than by historians in hindsight

Prolonging the Agony Jim Macgregor, Gerry Docherty, 2018-01-12 The fact that governments lie is generally accepted today but World War I was the first global conflict in which millions of young men were sacrificed for hidden causes They did not die to save civilization they were killed for profit and in the hopes of establishing a one world government By 1917 America had been thrust into the war by a President who promised to stay out of the conflict But the real power behind the war consisted of the bankers the financiers and the politicians referred to in this book as The Secret Elite Scouring government papers on both sides of the Atlantic memoirs that avoided the censor's pen speeches made in Congress and Parliament major newspapers of the time and other sources Prolonging the Agony maintains that the war was deliberately and unnecessarily prolonged and that the gross lies ingrained in modern histories still circulate because governments refuse citizens the truth Featured in this book are shocking accounts of the alleged Belgian outrages the sinking of the Lusitania the manipulation of votes for Herbert Hoover Lord Kitchener's death and American and British Zionists in cahoots with Rothschild's manipulated Balfour Declaration The proof is here in a fully documented exposé a real history of the world at war

The United States in the First World War Anne Cipriano Venzon, 2013-12-02 First Published in 1999 Includes six maps

The Integrity of Ireland Stephen M. Duffy, 2009 Circumstances placed John Redmond and the Irish Parliamentary Party at the center of British politics in 1912 After more than a century of struggle Irish nationalists looked likely to return a parliament to Dublin that would allow the Irish people as one nation to determine their own domestic affairs Staunch Ulster Unionists stood in opposition determined to reject Home Rule for their region Alongside them were Unionist Party members who declared that such an action would destroy the British Empire wreck the constitution and possibly foment a civil war Over the next decade the Home Rulers saw their cause betrayed and their party destroyed Asquith Lloyd George and Winston Churchill all served

to undercut Redmond and his supporters in the interests of political expediency Four years of war in Europe followed by four years of conflict in Ireland led to a more radical approach to the Irish question that allowed Sinn Fein and the Irish Republican Army to make the nationalist cause their own By 1922 Eamon de Valera Michael Collins James Craig and their followers took possession of a divided Ireland embittered by the enmity of two Irish identities and the strains of factional strife

Rivals in the Storm Damian Collins, 2024-05-23 Shortlisted for the Westminster Book Awards in the category of Best Biography by a Parliamentarian A vivid biography in cinematic snapshots of David Lloyd George one of the world's greatest statesmen Brought up in rural North Wales David Lloyd George attended neither a grand school nor ancient university He was very much an outsider And yet he rose through the ranks with charisma fierce intelligence and fighting spirit to become as Churchill put it in his tribute a man who stood when at his zenith without a rival But his rise was not without its hardships and in Rivals in the Storm experienced MP and author Damian Collins focuses on the impact of Lloyd George's personality on other leading politicians in driving progressive reforms through government changing the course of the First World War to lead the Allies to victory and cementing Britain's alliance with America Covering Lloyd George's emergence as the dominating political personality in Great Britain to the aftermath of his resignation this fascinating biography takes you inside the rooms where the important decisions happened and shows the bitter struggles as well as the triumphs of this great man of his or any other age who nonetheless fell short of his own high expectations

Hidden History Gerry Docherty, James MacGregor, 2013-07-04 Think you know about British history and the causes of the First World War Think again This fascinating and gripping study of events at the turn of the Twentieth Century is a remarkable insight into how political and social factors that we widely accept to be the causes of The Great War were really just a construct put together by a very small but powerful political elite Thought provoking Docherty and Macgregor do not mince their words their arguments are powerful Britain at War Simply astonishing Reader review Very illuminating Reader review You simply MUST read this book Reader review This is a page turner Reader review Hidden History uniquely exposes those responsible for the First World War It reveals how accounts of the war's origins have been deliberately falsified to conceal the guilt of the secret cabal of very rich and powerful men in London responsible for the most heinous crime

perpetrated on humanity For ten years they plotted the destruction of Germany as the first stage of their plan to take control of the world The assassination of Archduke Franz Ferdinand was no chance happening It lit a fuse that had been carefully set through a chain of command stretching from Sarajevo through Belgrade and St Petersburg to that cabal in London Our understanding of these events has been firmly trapped in a web of falsehood and duplicity carefully constructed by the victors at Versailles in 1919 and maintained by compliant historians ever since The official version is fatally flawed warped by the volume of evidence they destroyed or concealed from public view Hidden History poses a tantalising challenge The authors ask only that you examine the evidence they lay before you **Hayek: A Collaborative Biography** R.

Leeson,2015-01-15 F A Hayek 1899 1992 the co leader of the Austrian free market school embraced the transparently fraudulent assertion made by Donald McCormick aka Richard Deacon in The British Connection which accused A C Pigou the co leader of the Cambridge market failure school of being a Soviet spy **The British Muslim Convert Lord Headley, 1855-1935** Jamie Gilham,2020-11-12 This is the first biography of Lord Headley who made international headlines in 1913 when he defied convention by publicly converting to Islam Drawing on previously unpublished archival sources this book focuses on Headley s religious beliefs conversion to Islam and work as a Muslim leader during and after the First World War Lord Headley slipped into obscurity following his death in 1935 but there is growing recognition globally that he is a pivotal figure in the history of Western Islam and Muslim Christian relations this book evaluates the strengths and weaknesses successes and failures of the man and his work and considers his significance for contemporary understandings of Islam in the Global West
