[Standard Methods of Contract Bridge Complete](#) DK Acharya, 2014-10-06 The book *Standard Methods of Contract Bridge Complete* comprises of a methodical study and critical analysis of bidding, play, defence, and other strategic instruments of contract bridge. In order to make a clear conception of all the norms, options, and techniques, more than 200 deals have been illustrated thoroughly. The book compiles a systematic consolidation and logical explanation of all sorts of theories, conventions, norms, and techniques of modern systems of Contract Bridge. Such unique and comprehensive compilation may provide immense assistance to the new generation of bridge players to develop and improve skill and strategic maturity for much better performances, even up to the national level. Even the experienced players may prefer this book for consultation from time to time. The chapters on bidding explain most of the popular systems, artificial, conventional bids, and logical illustration of the correct norms of bidding under various situations. The bidding in general has been explained according to the Standard American System. Whether it is bidding, play, or defence, the most vital art is to take the correct decision at the correct time for the correct method, strategy, option, or technique to be adopted for a profitable result.
