Me N Mama:

And Then Mama Said ... Tumi Morake, 2018-10-01 Tumi Morake modelled her public persona on her mother a charming and contentious woman who used her big bold voice to say what others were afraid to mention It s the personality that Tumi takes on stage in the mostly male space of stand up comedy and the one that gave her the courage to join a white Afrikaans radio station and comment about apartheid on air But there s only so much you can find out about Tumi from the stage the screen and the internet *And Then Mama Said* is the voice of Tumi in private as well as a behind the scenes perspective of a pioneering South African star who has been both deeply loved and viciously hated by her audiences In her memoir Tumi gets frank about the race row at Jacaranda FM the Jaguar car accident that cyber bullies said she deserved the body shaming she endured on the set of *Our Perfect Wedding* her tumultuous relationship with her beloved husband and affords us a rare glimpse into South Africa s glitzy but often ruthless entertainment industry Throughout her story she carries the voice of her mother and with it the indispensable life lessons that made her who she is today **Mama's Girl** Daybreak

Jones, 2017-10-31 May Jameson has never fully approved of the questionable things her mother does to subsidize her income That s why when her mother encourages her to date a much older man from a family of means May is torn Her desire to lead a positive life is at odds with her mother s advice but also with the physical desire she feels for this older man Her best friend s warning against an affair has the opposite reaction and May begins a relationship even though she knows she doesn t really love him May must make some tough decisions because although she wants to do right she is feeling the need to do wrong Her role models add to her confusion with some offering real opportunities for jobs and education while others are caught up in drugs gambling and the illegal sale of alcohol Will she fall into the same trap that holds her mother back from living her best life or will she ignore that advice and follow her own path to success May thinks beyond the life she s been born into but can she achieve what she sees in her mind *China Men* Maxine Hong Kingston, 2011-01-26 The author chronicles the lives of three generations of Chinese men in America woven from memory myth and fact Here s a storyteller s tale of what they endured in a strange new land

Red Light Wives Mary Monroe, 2010-10-01 From New York Times bestselling author Mary Monroe comes a powerful novel about the hopes dreams laughter and limits of six unique women surviving on the streets of San Francisco They re about as different as six women can be haughty and humble beautiful and plain young and not so young black white Latina and origins unknown But aside from a gift for laughing hardship in the face they have one very important thing in common Clyde Brooks You might say that Clyde is their manager And you might say that Lula Mae Ester Megan Rosalee Helen and Rockelle are colleagues in the world s oldest profession Clyde likes to refer to them as his wives Maybe it s their love for the high life and for each other that makes the bond between Clyde s ladies so unbreakable Maybe it s their private demons that keep them so loyal to Clyde or so he thinks For hard as they try to distract themselves nothing can quell the women s longing for a life free from Clyde and what he represents until one daring act of defiance
