Men Women And Ghosts By Elizabeth Stuart Phelps:

Men, women, and ghosts. By Elizabeth Stuart Phelps Elizabeth Stuart Phelps, 1869 *Men, Women, and Ghosts* Elizabeth Stuart Phelps, 2022-05-11 Reprint of the original first published in 1869 **Men, Women, and Ghosts** Elizabeth Stuart Phelps Ward, 2022-03-02 *Men Women and Ghosts* is a short story collection by Elizabeth Phelps that deals with primarily the supernatural but also a whole host of topics never publicly addressed at the time Apart from a few stories such as *The Day of My Death* the ghosts here aren't the stereotypical clanking chains and wailing type they're beleaguered frustrated souls who have suffered great hardship One of the *Elect* reads like a changeling story but gradually becomes a tale dealing with sentimentality and the pains of prostitution One of the strongest tales is *Kentucky's Ghost* an old sailor's tale of bullying and revenge at sea combined with a compelling and gripping narrative Elizabeth Stuart Phelps Ward 1844-1911 was one of the first feminist American writers of the 19th century who vehemently opposed the traditional view of women in society Much of her views are expressed in her novels targeting the oppressive contemporary view of marriage and the family unit Even her marriage to Herbert Ward a journalist seventeen years her junior was another act of rebellion against the status quo Her novels are primarily focused on the topics of religion and equality mixing spiritualist themes with poignant social issues She was a prolific author of more than 50 volumes of fiction essays and poetry Phelps' most popular works include *The Gates Ajar* *Trixy Men Women and Ghosts* and *The Silent Partner* Men, Women, & Ghosts by Elizabeth Stuart Phelps, 2006 **Men, Women, and Ghosts** Elizabeth Stuart Phelps, 2011-11 This book is part of the TREDITION CLASSICS series The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide At Tredition we believe that a great book never goes out of style Several mostly non-profit literature projects provide content to Tredition To support their good work Tredition donates a portion of the proceeds from each sold copy As a reader of a TREDITION CLASSICS book you support our mission to save many of the amazing works of world literature from oblivion *Men, Women, and Ghosts* Elizabeth Stuart Phelps, 1869 But as I was going to say when I started to talk about 41 to tell the truth Johnny I'm always a long while coming to it I believe I'm getting to be an old man a little of a coward maybe and sometimes when I sit alone here nights and think it over it's just like the toothache Johnny As I was saying if she had cut that wick straight I do believe it wouldn't have happened though it isn't that I mean to lay the blame on her now *Women and the Victorian Occult* Tatiana Kontou, 2013-10-31 Increasingly contemporary scholarship reveals the strong connection between Victorian women and the world of the nineteenth century supernatural Women were intrinsically bound to the occult and the esoteric from mediums who materialised spirits to the epiphanic experiences of the New Woman from theosophy to telepathy This volume addresses the various ways in which Victorian women expressed themselves and were constructed by the occult through a broad range of texts By examining the roles of women as automatic writing mediums spiritualists authors editors theosophists socialists and how they interpreted

the occult in their life and work the contributors in this edition return to sensation novels ghost stories autobiographies sances and fashionable magazines to access the visible and invisible worlds of Victorian life The variety of texts analysed by the authors in this collection demonstrates the many interpretations of the occult in nineteenth century culture and the ways that women used supernatural imagery and language to draw attention to issues that bore immediate implications on their own lives Either by catering for the fad of ghost stories or by giving public trance speeches women harnessed the metaphorical and financial forces of the supernatural As the articles in this book demonstrate the occult was after all a female affair This book was published as a special issue of Women s Writing **Men, Women, and Ghost** Elizabeth Stuart Phelps,1873

Catalogue of the Young Men's Mercantile Library, in Cincinnati Young Men's Mercantile Library Association (Cincinnati, Ohio), 1869 **A History of American Literature Since 1870** Fred Lewis Pattee, 1933-01-01 We are beginning to realize that the Civil War marks a dividing line in American history as sharp and definitive as that burned across French history by the Revolution That the South had been vastly affected by the war was manifest from the first The widespread destruction of property the collapse of the labor system and the fall of the social regime founded on negro slavery had been so dramatic and so revolutionary in their results that they had created everywhere a feeling that the ultimate effects of the war were confined to the conquered territory Grady's phrase the new South and later the phrase the end of an era passing everywhere current served to strengthen the impression That the North had been equally affected that there also an old regime had perished and a new era been inaugurated was not so quickly realized The change there had been undramatic it had been devoid of all those picturesque accompaniments that had been so romantic and even sensational in the South but with the perspective of half a century we can see now that it had been no less thoroughgoing and revolutionary The first effect of the war had come from the sudden shifting of vast numbers of the population from a position of productiveness to one of dependence A people who knew only peace and who were totally untrained even in the idea of war were called upon suddenly to furnish one of the largest armies of modern times and to fight to an end the most bitterly contested conflict of a century First and last upwards of two millions of men the most of them citizen volunteers drawn all of them from the most efficient productive class were mustered into the federal service alone It changed in a moment the entire equilibrium of American industrial life This great unproductive army had to be fed and clothed and armed and kept in an enormously wasteful occupation But the farms and the mills and the great transportation systems had been drained of laborers to supply men for the regiments The wheatfields had no harvesters the Mississippi the great commercial outlet of the West had been closed by the war and the railroads were insufficient to handle the burden
