Men In Perspective

**Louise Dixon, Denise A Hines, Emily M
Douglas**

Men In Perspective:

Men in Perspective Nigel Edley, Margaret Wetherell, 1995 A systematic but critical review of contemporary perspectives on masculinity and identity The authors cover a range of perspectives from biological analysis and psychoanalytical accounts to cultural analysis and feminist approaches

Perspectives in Male Psychology, 2021-07-08 PERSPECTIVES IN MALE PSYCHOLOGY Discover a balanced perspective on men's psychology in this accessible new resource Male psychology is a new field within the discipline of psychology which focuses on men and boys Male psychology moves us towards a more scientific and balanced understanding of the psychology of men and of boys drawing on a range of perspectives and away from an overreliance on social constructionism and preoccupations with notions such as patriarchy and privilege too often seen in the narrative about men In *Perspectives in Male Psychology: An Introduction* two of the most prominent authors in this new field Louise Liddon and John Barry introduce and deliver an insightful exploration of some of today's most hotly contested issues regarding men and masculinity This book puts forward a balanced perspective that has been missing from academic and media narratives around topics such as child development education sport and exercise the workplace crime the military health and wellbeing mental health therapy masculinity and sex differences and considers the role that evolution biology and culture play in shaping male behavior This book will also help readers to better understand some key issues such as Why there are controversies around sex differences research How bias in research has led to a distorted view of the psychology of men and boys The ways in which the mental health and other needs of men and boys are routinely overlooked In turn this helps us ask some important questions such as If there are more similarities than differences between men and women does that mean the differences are unimportant How can we undo our distorted understanding of men and masculinity What are the best ways of identifying and meeting the psychological needs of men and boys Readers whether students or lecturers will also benefit from the inclusion of our companion Wiley website containing additional resources to support the development of knowledge and understanding of male psychology Perfect for undergraduate and graduate students in psychology medicine and sociology as well as established professionals in these and related fields *Perspectives in Male Psychology: An Introduction* will also earn a place in the libraries of anyone interested in the psychology of sex and gender differences in various aspects of mental health and human behaviour

Why Men Buy Sex Philip Birch, 2015-02-20 Sex work has been a contentious issue in a variety of ways throughout history socially morally ethically religiously and politically Traditionally noted as one of the oldest professions in the world sex work has commonly been demonised and is often viewed as a social disgrace While sex work involves both providers of sexual services most commonly women and purchasers of sexual services most commonly men providers have attracted the most social commentary Recent research shows that a limited number of studies have been conducted since 1990 concerning men who procure sexual services This book aims to help reset this balance In this book Philip Birch examines the procurement of female sexual services with a focus on the

personal and social aspects of men who procure such exchanges and offers insight into the demographics amongst men who purchase sexual services alongside an analysis of the reasons why they purchase sex This book brings together existing literature with analyses of new data to develop a multi factor model reflecting men s procurement of sexual services and demonstrates the complexities surrounding the procurement of these sexual services in exchange for money The book considers what contribution the understanding of the personal and social aspects of men who procure sexual services has on re theorising the purchasing of sex in the 21st Century and will be of interest to academics and students involved in the study of criminology criminal justice social policy law sociology sexuality and gender studies *Crossing into Manhood: A Men's Studies Curriculum* Christopher P. Mason, 2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men s lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity *Crossing into Manhood* is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social constructionist and the essentialist perspectives on masculine gender As a result a men s studies curriculum has been formulated one that offers a balanced bio psycho social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men s studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher s website *The Prettiest Girl on Stage Is a Man* Kathleen B. Casey, 2024-01-12 In this highly readable book Kathleen Casey makes an important intervention into the study of early twentieth century American vaudeville and some of its most infamous stars She pinpoints the blind spot in current scholarship by demonstrating how race as much as gender charges the meanings in vaudeville performance Linda Mizejewski author of *Pretty Funny Women* Comedians and Body Politics and *Ziegfeld Girl* From the 1890s through the 1920s vaudeville reigned as one of the most popular entertainment forms in urban America Through drama humor and satire it invited its socially economically and ethnically diverse audiences to turn a self conscious eye upon themselves and their culture which was being rapidly transformed by such forces as immigration racial discord and new conceptions of gender roles It was no coincidence that acts featuring cross dressing performers and racial impersonators were among vaudeville s biggest attractions In this lively and enlightening study Kathleen B Casey explores the ways in which the gender and race bending spectacles of vaudeville dramatized the economic technological social and cultural upheaval that gripped the United States in the early twentieth century She

focuses on four key performers Eva Tanguay known as The I Don't Care Girl was loved for her defiance of Victorian decorum linking white womanliness to animalistic savagery at a time when racial and gender ideologies were undergoing significant reconstruction In contrast Julian Eltinge the era's foremost female impersonator used race to exaggerate notions of manliness and femininity in a way that reinforced traditional norms more than it undermined them Lillyn Brown a biracial woman who portrayed a cosmopolitan black male dandy while singing about an antebellum southern past offered her audiences black and white starkly different visual and aural messages about race and gender Finally Sophie Tucker who often performed in blackface during the early years of her long and heralded career strategically played with prevailing ideologies by alternately portraying herself as white Jewish black manly and womanly while managing remarkably to convince audiences that these identities could coexist within one body Analyzing a wide assortment of primary materials advertisements recordings lyrics sheet music costumes photographs reviews and press accounts from the era Casey looks not only at gender and racial impersonation but also at how spectators reacted to these performances Kathleen B Casey is an assistant professor of history at Virginia Wesleyan College

Kingdom Man Devotional Tony Evans, 2013-09-20 God wants to prepare you kingdom man for a big bold and adventurous life Kingdom Man Devotional is based on the principles and concepts presented in the book Kingdom Man For the man who wants to be the leader that God has called him to be this 90 day devotional will help him explore the scriptural mandate to exercise dominion and take responsibility over the various areas of his life This daily devotional will challenge and encourage men to embrace their role of provider protector cultivator champion visionary and leader discipling them in the areas of responsibility and spiritual authority Packed with wisdom for men of any age each day of this devotional includes A brief reading designed to help you embrace biblical masculinity Questions to help you put the information into action and experience spiritual growth A short prayer to help you connect with God even on your busiest days Kingdom Man Devotional challenges and equips men to fully understand their position under God and their position over what God has given them while empowering them to initiate the practical implementation of Christian leadership principles

The Routledge Handbook of Men's Victimisation in Intimate Relationships Louise Dixon, Denise A Hines, Emily M Douglas, 2025-05-29 This handbook provides a timely synthesis of the international literature that investigates men's experiences of intimate partner violence and help seeking behavior and considers what the findings mean for research practice and policy Providing the reader with a synthesis of cutting edge knowledge this book draws together a wealth of information from leading international researchers and practitioners working in the field of men's victimization in intimate relationships By including chapters that address a diverse range of men's experiences and needs it offers an accessible format for the reader to learn about the experiences of underrepresented groups of men across the world and how this knowledge can shape practice policy and future research The Routledge Handbook of Men's Victimisation in Intimate Relationships will be of great use to postgraduate students including training psychologists psychiatrists medics

barristers attorneys social workers probation officers doctors and nurses academics researchers and professionals working in areas of family violence law practice policy and service provision

Male Friendship, Homosociality, and Women in the Hebrew Bible Barbara Thiede, 2021-07-01 Male alliances partnerships and friendships are fundamental to the Hebrew Bible This book offers a detailed and explicit exploration of the ways in which shared sexual use of women and women s bodies engenders sustains and nourishes such relationships in the Hebrew Bible Hebrew Bible narratives demonstrate that women and women s bodies are not merely used to foster and cultivate male homosociality male friendship and toxic hegemonic masculinity but rather to engender them and make them possible in the first place Thiede argues that homosocial bonds between divine and mortal males are part of a continual competition for power rank and honor and that this competition depends on women s bodies for its expression In a final chapter she also explores whether female characters in the Hebrew Bible use male bodies to form friendships and alliances to advance female power status and rank The book concludes by arguing that women are essential to the toxic biblical hegemonic masculinity we find in the Hebrew Bible but only because their bodies are used to make it possible in the first place This book is intended for scholars of the Hebrew Bible as well as advanced undergraduate and graduate students in religious studies women and gender studies masculinity studies queer studies and like fields The book can also be read profitably by lay students of biblical literature seminary students and clergy

Persuasion in the Media Age Timothy Borchers, 2012-11-21 Persuasion is omnipresent in today s media saturated society From politicians to advertisers to friends and colleagues persuaders are using increasingly sophisticated strategies to influence our attitudes beliefs and behaviors Fortunately this updated edition of Persuasion in the Media Age provides a timely solid understanding of the methods used by contemporary persuaders and offers strategies to help readers become critical consumers of persuasion Borchers begins with the premise that contemporary culture has been forever changed by electronic media and explores the way media technologies have influenced the study and practice of persuasion He draws from a wide variety of scholars bringing together the latest perspectives and research as well as foundational concepts The Third Edition spotlights the influence of social media presents storytelling as a key driver for persuasion and incorporates updated examples that reflect recent political campaigns and developments in popular culture This pedagogically rich illustrated volume includes learning objectives key terms discussion questions and activities that encourage students to apply chapter content to their everyday experiences Internet based exercises provide practical relevant opportunities for students to evaluate Web based persuasion while ethics cases explore compelling issues that have emerged in today s media dominated environment

A Men's Ministry for the Small Church Karl W. Kloppmann, 2004-03 This book is a thorough and well documented study on why churches need to develop effective men s ministries Containing a wealth of vital information this is a solid treatment of the biblical basis for male leadership in the church The thrust of the book is that the development of men is the slow but sure way to build the church for men either positively or negatively

impact every aspect of church and family life Jesus invested his life in a small group of men and those men changed the world

Winters, 2013-03-20 Print CourseSmart **Insights Into Gender Equity, Equality and Power Relations in Sub-saharan Africa** Mansah Prah, 2013 Since gender entered the development discourse in the Seventies African countries have increasingly taken the concept on board in policy and practice This concern may be due to either one or a combination of the following factors the ideological positioning of African countries demands by their donors and development partners and demands by organised local groups and NGOs Gender in the development discourse ought to transform power relations between men and women and shift them to social relations that reflect their equal access to productive resources opportunities and social and material benefits The result of such actions should be an achievement of comparable status of women and men This volume initiated by OSSREA seeks to examine in more depth issues regarding the gender power imbalance in sub Saharan African countries with a specific focus on the eastern and southern African regions The chapters in this book present research that examines and analyses the effectiveness and efficiency of gender mainstreaming policies strategies and projects developed and implemented by national and international actors The themes inter weave with each other although they address gender issues in specific countries and specific contexts This can be explained by the shared colonial and post colonial heritage of African countries It is useful therefore to view the structure of the book as a spiral of inter connected issues that address similar themes approaching them from different levels Purely for ease of reading the contributions have been organised into three parts with over arching themes that at first glance may seem not to fit well together A theme that runs through all the chapters is the persistence of patriarchal values and attitudes in Africa and its constraining effect on the achievement of gender equity and equality **Gender Revolution** Pamela Aronson, Matthew R.

Fleming, 2023-10-12 Gender Revolution carefully examines the profound transformations happening in both public and private arenas of gender relations It also draws critical attention to the simultaneous and potent challenges that have risen in response The authors look to large scale phenomena in this contemporary study and address how electoral politics and the

MeToo movement are reshaping everyday life This gender revolution has led to a culture in which women and increasing numbers of men refuse to accept traditional gender norms and gender inequalities People of all genders no longer tolerate abuses of power in politics or in their interpersonal relationships Despite vigorous resistance women are seizing power and refusing to back down in ways both large and small The authors note on the one hand that people of all genders in support of these transformations are voting for progressive candidates engaging on social media and making their interpersonal relationships more equal On the other hand they document considerable backlash and contestation as some people are resisting these changes and creating adversarial gender divisions Probing across these issues the book develops an analysis of gendered social and cultural change that reveals how movement ideas diffuse into broader culture Gender Revolution presents a vibrant and essential study for a moment marked by significant changes to attitudes beliefs and views surrounding gender and gender relations and will appeal to readers interested in the scholarly study of gender society politics media law and culture

How To Catch a Man: And Keep Him for Good Darren G. Burton, 2023-04-19 How to Catch a Man And Keep Him for Good Much has been written about how to find a good man This book goes one step further by offering advice on how to attract him AND KEEP HIM You will learn the power of the Attraction Factor how to capture a man's attention and ultimately his heart And once you have him you will also know how to keep him attracted to loyal and devoted to you Catch him and keep him how to attract love in your life tips for a good relationship and how to find a man to love It's all here in this book on love relationships What's inside How To Catch A Man About You Personality and Character The Physical You Your Extended Circle What Men Want Where To Meet A Man The Dating Game And Keep Him For Good Communication Personality and Character Compatibility Quality Time Around The House The Extended Circle Finances Intimacy *Men's Issues and Men's Mental Health* Rob Whitley, 2021-11-15 Traditionally men's mental health woes have been attributed to male stubbornness and rigid notions of masculinity However there is growing recognition that mental health issues in men are socially determined by a range of factors including family educational occupational and legal issues These and a variety of other social issues have been collectively labelled men's issues and are being increasingly linked to negative men's mental health outcomes This book gives an overview of men's mental health as well as related men's issues adopting a public health inspired approach examining the research linking social exposures and mental health outcomes The book is unique in that it synthesizes and explores men's issues men's mental health and social determinants in a holistic and integrated manner through assessment of the social scientific and psychiatric literature In this book the author discusses the social determinants of men's mental health and accompanying psychosocial interventions moving beyond one dimensional discussions of masculinity Among the topics covered are The Social Determinants of Male Suicide Attention Deficit Hyperactivity Disorder in Young Males The Medicalization of Boyhood Why Do Men Have Low Rates of Formal Mental Health Service Utilization An Analysis of Social and Systemic Barriers to Care and Discussion of Promising Male Friendly Practices

The Gender Gap in Education Understanding Educational Underachievement in Young Males and its Relationship to Adverse Mental Health Employment Unemployment and Workplace Issues in Relation to Men's Mental Health Men's Issues and Men's Mental Health An Introductory Primer is essential reading for healthcare practitioners and social service providers including psychiatrists psychologists social workers occupational therapists counsellors teachers charity workers health promotion specialists and public health officers It is also a useful text for graduate and advanced undergraduate students in health care social services public health epidemiology and social sciences particularly sociology psychology and gender studies Finally the book can be read and understood by an intelligent lay reader making it accessible for the wider public

Manning the Law Ngairé Naffine, 2025-09-18 This is a study of elite English men of English law and the methods they used to retain and justify their power and privilege through controlling the story of the legal person It looks at how these men of legal authority thought of themselves and their institution how they studied and explained law and how they put themselves in the middle of it as the standard human in need of legal regulation and protection and in charge of that regulation and protection and assigned to women an inferior legal role and being The main strategy used to do all this was manipulation of the concept of the legal person From the 1860s to the 1920s the courts declared that women were not persons who could exercise public power to vote to sit in Parliament to gain degrees to be lawyers Up to the end of the 20th century and into the 21st women's personhood remained precarious in the private sphere for rape was excused within a marriage and female reproduction remained under state control as it still does The book examines the active exclusion of women from the means of making legal meaning especially the ability to shape law's central concept and shows the epistemological effects of this sex differential of legal power which are still felt today Leading legal thinkers who helped to masculinise the concept of the person to the detriment of women are still revered Law's continuing male orientation is neither seen nor acknowledged and the legal person is treated falsely as if he had always been and remains anyone Men's Health in Primary Care Joel J. Heidelbaugh, 2016-01-14 This book fills a major gap in the literature by providing comprehensive guidelines for the care of male patients through the lifecycle and across healthcare settings Devoted solely to improving men's health this book serves as an accessible practical reference for clinicians treating these patients It focuses on the psychosocial challenges that men encounter in obtaining healthcare as well as acute and chronic medical and psychological diseases The book also offers current evidence based guidelines for wellness and health maintenance Topics include the problem of help seeking preventative services sexual dysfunction cardiovascular health prostate cancer screening and testosterone deficiency Men's Health in Primary Care is a valuable resource for primary care clinicians and students in family medicine internal medicine and adolescent medicine **Los Angeles Magazine**, 2000-02 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define
