Words with Wings Moira Andrew, 1991 Ideas for writing using diaries invitations recipes letters posters prayers books and poetry *Picturing Pity* Marianne Gullestad, 2007 Picturing Pity is the first full length monograph on missionary photography Empirically it is based on an in depth analysis of the published photographs taken by Norwegian evangelical missionaries in Northern Cameroon from the early nineteen twenties at the beginning of their activities in this region and until today Being part of a large international movement Norway sent out more missionaries per capita than any other country in Europe Marianne Gullestad's main contention is that the need to continuously justify their activities to donors in Europe has led to the creation and maintenance of specific ways of portraying Africans The missionary visual rhetoric is both based on earlier visualizations and has over time established its own conventions which can now also be traced within secular fields of activity such as international development agencies foreign policy human relief organizations and the mass media Picturing Pity takes part in the present pictorial turn in academic teaching and research constituting visual images as an exciting site of conversation across disciplinary lines *Subject Guide to Children's Books In Print, 1996* R R Bowker Publishing, 1996 *The Victory Series Bundle 2: Books 3 & 4* Natalie J. Damschroder, 2025-07-02 The last two books in the Victory series in one bundle Victory in Action Maybe she was really good at this Digital dynamo Corin Faulkner has always worked behind the scenes at Victory using her computer to help complete missions successfully But being banned from searching for Victory's nemesis has put her at a complete loss When her vacation in LA starts out with action movie hero Jace Weber asking her to help find his missing friend she gets a chance to put her lack of field training to work Her research uncovers a shady scam Jace's friend might have been pulled into and she and Jace follow a trail that leads them to a medical mastermind with dangerous intentions She really was so not good at this At first the adrenaline of investigation is spiced with Corin and Jace's immediate connection More than just attraction it's something deeper that happens terrifyingly fast But Corin's first foray into field work lands her and Jace in the ER and then gets her caught by the bad guys Tough to rescue someone when you need rescuing yourself Jace has been along for the ride deferring to Corin the way he defers to a director or stunt coordinator With Corin's life on the line he's pushed out of the lane he always thought he belonged in He really needs to be good at this Her straightforward working vacation gets complicated with the involvement of Corin's imprisoned father She's forced to confront the family drama that disrupted her life before Victory hired her Her too intense too fast feelings for Jace are another disruption she doesn't think she wants But Jace's go with the flow perspective isn't passive He acts on his convictions and his gut tells him he needs to keep Corin in his life if he can save hers Unwavering Victory Iain Fraser thought he understood his life Then the brother he didn't know existed turned it all upside down Everything he has built everyone he cares about is under attack And every choice he makes to defend it seems to be the wrong one It's time to go on offense but it's hard to take the fight to the enemy when you can't find him Cassandra Michaelson has been in a

protective limbo since her husband was killed Victory has been her entire focus a cocoon wrapping her up keeping her safe but also confining her Fighting Iain's brother the man who stripped that protection away has awakened her again and made her see not only that she doesn't have to be alone doesn't want to be alone but also that she wants far more She wants to fly again And she wants to fly with Iain Iain has always been waiting for Cassandra He hadn't put his life on hold in fact he'd thought he was building something new away from Victory and from the partnership that shattered when his best friend was killed But Cass refuses to stay away stay safe and now they must work together to trigger their enemy's end game What they can be after that will have to wait until and if they survive it *The Secret Lives of Garden Bees* Jean Vernon, 2020-03-30 A
