Official Journal Amalgamated Meat Cutters and Butcher Workmen of North America, 1903 **The Anthracite Coal Region** John G. Sabol Jr, 2008-03-24 This book is an archaeological excavation of anomalous phenomena that still lingers to haunt various locations in the anthracite coal region of Northeastern Pennsylvania The unearthing of this haunting presence is both a metaphorical excavation the bringing into the light of various dramas events and experiences of an individual and collective nature and a physical engagement the emergence of ghostly presence through investigative field performances This anthracite coal region drama is viewed through the use of a deep map of short but compendious ghost narratives This deep map consists of autobiographical events symmetrical archaeological practices memories of local places ethnic folklore haunting traces and manifestations natural history the use of ascientific field methodology and a sincere and profound sensitivity to the land These ghost narratives are a subtle multi layered and deep mining of a small regional landscape that has long been neglected and been perceived as insignificant social history This book is meant to change that perception through a sensual unearthing of its haunting uncertainties The Silver! Mine! Christopher L.

Haefner, 2009-03-24 This novel is a true story I was a part of it In 1974 a wealthy industrialist bought the oldest silver mine in the USA in Lancaster County The mine had been abandoned for over 100 years when the lower shafts broke into the water table Once they were drained out super rich veins of silver were rediscovered I was the one sent down to see what was there The discovery was kept a secret except for the few who knew The industrialist went on a 14 year quest to uncover the mineral wealth by opening up a quarry The township refused They were never told of the silver there He bided his time and meanwhile opened up a huge campground and venue for country music stars From 1974 to 1988 every country music star in the country went there and entertained over 500 000 people He figured that in time new supervisors would come and he would get his way He never did He died unexpectedly in 1988 taking his high ambition and his secret with him Except for me Now I tell you the story the truth untold for all this time The silver mine is a 300 acre park which can be visited by the

general public But there is no one there to tell the storied past Except me Read it here first Then go and see it for yourself Christopher Haefner is also the author the 2006 thriller **The Cuz Medal of Honor Commemorative 150th Anniversary Limited Edition** ,2011-11-01 This numbered limited edition of Medal of Honor Portraits of Valor Beyond the Call of Duty has been published to celebrate the 150th anniversary of the medal The clothbound book fits into an elegant clothbound slipcase embedded with a commemorative medallion that was struck for this occasion and has been embossed and debossed on both sides The book includes 144 contemporary portraits of recipients by award winning photographer Nick Del Calzo and profiles by National Book Award nominee Peter Collier First published on Veterans Day 2003 this New York Times bestseller has now been updated and augmented to include new essays plus Letters from all living presidents A foreword by Brian Williams Profiles of both Sergeant Giunta and Sergeant Petry the first two living recipients of the medal since the Vietnam War There are also essays by Tom Brokaw Senator John McCain and Victor Davis Hanson and a multimedia DVD with historic footage and recipients first person reflections The Medal of Honor recipients in the book fought in conflicts from World War II to Afghanistan serving in every branch of the armed services **Biogeochemical Cycling of Mineral-Forming Elements** P.A.
