Ministering To Alcoholics:

Ministering to Alcoholics John E. Keller, 1991 Alcoholism affects a person intellectually physically emotionally socially and spiritually No parish pastor or minister can ignore the problems alcoholism creates and now John Keller offers practical suggestions to those who find themselves on the front lines He assists the reader in understanding alcoholism and emphasizes the importance of looking to God in a recovery process **The Addiction Ministry Handbook** Denis G.

Handbook for the Alcoholism Counselor Baltimore (Md.). Health Department. Alcoholism Center, 1970 **Treatment and Rehabilitation of the Chronic Alcoholic** Benjamin Kissin, 2012-12-06 The present volume contains a large variety of treatment approaches to the long term rehabilitation of the alcoholic ranging from the biological to the physiological to the psychological to the social The multiplicity of proposed therapies each of which has its strong proponents suggests that alcoholism is either a complex medical social disease syndrome requiring a multipronged treatment approach or a very simple illness for which we have not yet discovered the remedy The latter may indeed be true but we cannot use what we do not know and must use what we do know We do however have the obligation to be responsible in our treatment to provide the best that is known at this time and to be discriminating in our prescription of appropriate treatment for individual patients If there is one conclusion we would like to offer in our preface it is that alcoholics constitute a markedly heterogeneous population with widely disparate needs for whom at least at our present level of knowledge a broad spectrum of treatment modalities is necessary If this is true then probably most of this book has validity With this volume on the treatment and rehabilitation of the chronic alcoholic we bring to completion our five volume series *The Biology of Alcoholism* As the title of the present volume indicates we have departed from our original intention to deal solely with biological aspects of the syndrome and have attempted rather to produce a more comprehensive work Alcohol and Substance Abuse Stephen P. Apor, 1990 Alcoholism and Pastoral Ministry Steven L. Berg, 1989 **Adult Group Leader Guide for Use with Dial A-L-C-O-H-O-L and Jackson Junior High** Peter Finn, Jane Lawson, Linda Abrams, 1977 **Journal of the Senate, Legislature of the State of California** California. The Journal of the Assembly During the ... Session of the Legislature of the State of California California. Legislature. Assembly, 1955 **Anonymous Christians** Herbert E. Hudson, 2017-11-29 This book explores the relationship of clergy to Twelve Step programs Field research of pastors in the Florida Keys found that they are unsure if addiction is a disease or a sin and whether the Twelve Steps are based on Christianity Lessons learned include the validity of both traditional Twelve Step programs such as Alcoholics Anonymous and Christ centered programs such as Celebrate Recovery the coherence of sin and disease explanations of addiction and the significance of modern addiction theory The specific outcome of this study is the development of a course syllabus for clergy on addiction recovery through Twelve Step

philosophy Why Can't Church Be More Like an AA Meeting? Stephen R. Haynes, 2021-10-26 Do Christians need recovery Or is recovery something needed by the church itself Addiction whether to a substance or to a behavior is a problem within faith communities just like it is everywhere else But because churches are rarely experienced as safe places for dealing with addiction co addiction or the legacy of family dysfunction Christians tend to seek recovery from these conditions in Twelve Step fellowships Once they become accustomed to the ethos of vulnerability acceptance and healing that these fellowships provide however they are often left feeling that the church has failed them with many asking why can t church be more like an AA meeting Inspired by his own quest to find in church the sort of mutual support and healing he discovered in Twelve Step fellowships Stephen Haynes explores the history of Alcoholics Anonymous and its relationship to American Christianity He shows that while AA eventually separated from the Christian parachurch movement out of which it emerged it retained aspects of Christian experience that the church itself has largely lost comfort with brokenness and vulnerability an emphasis on honesty and transparency and suspicion toward claims to piety and respectability Haynes encourages Christians to reclaim these distinctive elements of the Twelve Step movement in the process of recovering church He argues that this process must begin with he calls Step 0 which as he knows from personal experience can be the hardest step the admission that despite appearances we are not fine **History of the Mustard Seed** Nick Willems, 2008-12 The history of the Mustard Seed is unique yet typical of many Charismatic churches birthed out of the Jesus Movement Started in the early 1970s the Mustard Seed is still a thriving church that has been impacted by revivals the Faith Word Inner healing Healing Deliverance Shepherding and Prophetic movements In order for a movement not to become a monument constant exposure to new winds of the Holy Spirit are essential This book highlights the different events that impacted the growth and development of the church as well as some of the tensions presented by some of the different streams in the charismatic movement It will bring back old memories for the thousands who have passed through the doors over the years and will also encourage them to stay the course **The Living Church** , 1955 *The Lutheran Standard* , 1970 **Congressional Record** United States.
