folklorist by inclination and training was born and raised amongst the hill country folk of the Georgia Appalachians and it was
there that he returned once he decided to leave academia And he s the perfect person to turn to when the owner of a
mysterious medallion one with some connection to the area wants to uncover the provenance of the piece On the surface it
sounds simple enough but in Fever s life nothing is ever simple Especially when the medallion s owner is found dead
murdered in Fever s own house and the papers of Fever s late grandfather of no intrinsic value are stolen And Fever himself
in the prime suspect in the murder The only clue to the truth behind these confusing events is the medallion itself which is
somehow tied to Fever s secretive family s history With someone trying to frame him for the murder and other hidden forces
hot on the trail of the medallion itself Fever is wedged tightly between the proverbial rock and equally proverbial hard place
And the only possible way out is buried within the uncomfortable hidden truths about his own family that Fever has spent
years trying to avoid December's Thorn Phillip DePoy,2013-01-22 Recovering from a near death experience in his family
home in the Georgia Appalachian Mountains Fever Devlin finds his sanity questioned when he is approached by a woman
from his past who claims to have had his baby an encounter that precedes an attempt on his life A Corpse's Nightmare
Phillip DePoy,2011-11-08 Storytelling at its finest beguiling Kirkus Reviews starred on The Drifter s Wheel Fever Devlin is
killed by an intruder He doesn t stay dead thanks to an emergency medical team but he does slip into a months long coma
When he comes out of it there are two things he now knows that he s been dreaming about the legendary Paris 20 s caf scene
and that his would be killer was after a blue tin box containing a photo of what Fever believes to be an angel As Fever
struggles to recover out there is a would be killer who must be found while there s still time **The Writer's Directory,**
