**Sacred Anthropology** Tyshawn Gardner, 2022-10-25 Pastors are often ill equipped in preparing churches to be sacred advocates and activists in the communities most affected by social injustice and neglect Sacred Anthropology aims to inform and equip pastors in discipling the body of Christ to effect social transformation in times of social crisis Tyshawn Gardner envisions the pastor as a sacred anthropologist as one who understands the cultures of other image bearers for the sake of promoting the justice of God in the world As a pastoral mandate the sacred anthropologist challenges churches to be engaged in the political and social transformation of their community The social anthropologist employs both secular and theological tools for an effective contextualized ministry This book posits prophetic radicalism as a pastoral theology and the pastoral office as the center of prophetic radicalism yet it does not limit prophetic radicalism to the pastoral office Sacred Anthropology is written with pastors and parishioners from any ethnic group in mind but draws heavily on the prophetic pastoral and preaching tradition of African American pastors and churches Using this foundation and tradition sacred anthropologists can lead their congregations in a way that challenges them to be involved engaged and transformative

**Gender Equality in Conditional Cash Transfer Designs** Nora Nagels,2024-08-29 Few aspects of social policy have been more controversial than the effects of Conditional Cash Transfers CCTs on gender relations and policy outcomes on gender relations are linked to policy designs Development and social policy communities have recognized gender equality as a cornerstone of development and social progress Nonetheless designing policy to integrate gender equality goals into social policies is rendered that much more complicated as and when these policies travel In Mexico in 1997 the first CCT Progresa looked quite different than CCTs look today Embedded in the design was Affirmative Action geared toward girls as was a clearly enunciated concern about the program s effects on female empowerment For the 2005 Peruvian CCT Juntos the story was very different Its design did not include any gender equality goals and it reproduced long standing social policy legacies of gendered exclusions Therefore this book is about the alteration of Conditional Cash Transfer designs in relation to gender equality goals as they have made their way through Latin America as well as through the World Bank This book aims to account for the fading goal of gender equality Jenson 2015 across time as part of this regional trajectory In short it tracks the how and the why of this trajectory in relation to gender equality goals **A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day** Zondervan,2018-12-11 A Legacy of Preaching Two Volume Set Apostles to the Present

Day explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today.
