Ministry In The Spirit:

The Ministry of the Spirit Adoniram Judson Gordon, 1894 **Understanding the Ministry of the Holy Spirit** Raymond F. Culpepper, 2011 **When the Holy Spirit Moves (eBook)** Dirkie van der Spuy, 2017-11 Do you long to know more about the Holy Spirit and experience a greater measure of His working in your life Do you want to be used by God in a more powerful way If so WHEN THE HOLY SPIRIT MOVES is written for you Examine what the Scriptures say about being filled with the Holy Spirit and the gifts He gives believers WHEN THE HOLY SPIRIT MOVES will help you to answer questions such as Is the Holy Spirit the same Spirit who was poured out at Pentecost Is the Bible still true in our time or are we so blinded by materialism and intellectualism that we are no longer open to the powerful ministry of the Holy Spirit Is the same power of the Holy Spirit available in the modern times in which we live Is the Holy Spirit of Pentecost still the same Spirit who can and wants to work in our hearts and lives in our day and age Can we expect the Holy Spirit who worked through simple and uneducated fishermen to perform powerful miracles and give miraculous signs in society today Learn how the Holy Spirit can operate in a new way in your life bringing spiritual growth and revival to you as well as to the greater Body of Christ At the end of each chapter are questions for personal Bible study or group discussion The Ministry of the Spirit CrossReach Publications, A. J. Gordon, 2017-10-16 It is not claimed that in this little volume all has been said that might be said upon the subject treated On the contrary the writer has proceeded upon the belief that the doctrine of the Holy Spirit can be better understood by limiting the sphere of discussion rather than by extending it to the largest bounds For finite beings at least presence is more intelligible than omnipresence So though the subject of this book is in itself profoundly mysterious we have sought to simplify it by dwelling upon the time ministry of the Holy Ghost without entering upon the consideration of his eternal ministry What the Spirit did before the incarnation of Christ and what he may do hereafter beyond the second advent of Christ is a question hardly touched upon in this volume We have sought rather to emphasize and to magnify the great truth that the Paraclete is now present in the church that we are living in the dispensation of the Spirit with all the unspeakable blessing for the church and for the world which this economy provides Hence as we speak of the ministry of Christ meaning a service embraced within defined limits so we name this volume the Ministry of the Spirit as referring to the work of the Comforter extending from Pentecost to the end of this dispensation How deep a subject for a study What prayer more becoming for those entering upon it than the humble petition that the Spirit himself will teach us concerning the Spirit Deeply sensible of the imperfection of this work it is now committed to the use and blessing of that Divine Person of the Godhead of whom it so unworthily speaks **Doing What Jesus Did** John Decker, Sonja Decker, 2015-10-06 But be doers of the word and not hearers only James 1 22 nkjv Doing What Jesus Did invites you to learn how to move into the supernatural realm that Jesus said in John 14 12 14 we could and should enter Husband and wife authors John and Sonja Decker will equip you to minister in the way Jesus invited us to including miracles by teaching you

His six essential strategies for effective discipleship Leading people to Christ Leading Christians into the Holy Spirit baptism Learning how to heal the sick Hearing from God Healing the sick by revelation Dealing with demons Much more than a handbook of New Testament principles Doing What Jesus Did will be a catalyst for you to love Jesus more deeply as you minister His life love and power more dynamically

The Ministry of the Spirit D. D. A. J. GORDON, 2010-11-01 Dr A J Gordon was the founder of Gordon College of Theology and Missions and wrote one of the classics on the subject of the work of the Holy Spirit The Ministry of the Spirit combines devotional examination of the scriptural teaching with a powerful challenge for the church It is not claimed that in this little volume all has been said that might be said upon the subject treated On the contrary the writer has proceeded upon the belief that the doctrine of the Holy Spirit can be better understood by limiting the sphere of discussion rather than by extending it to the largest bounds For finite beings at least presence is more intelligible than omnipresence So though the subject of this book is in itself profoundly mysterious we have sought to simplify it by dwelling upon the time ministry of the Holy Ghost without entering upon the consideration of his eternal ministry What the Spirit did before the incarnation of Christ and what he may do hereafter beyond the second advent of Christ is a question hardly touched upon in this volume We have sought rather to emphasize and to magnify the great truth that the Paraclete is now present in the church that we are living in the dispensation of the Spirit with all the unspeakable blessing for the church and for the world which this economy provides Hence as we speak of the ministry of Christ meaning a service embraced within defined limits so we name this volume the Ministry of the Spirit as referring to the work of the Comforter extending from Pentecost to the end of this dispensation How deep a subject for a study What prayer more becoming for those entering upon it than the humble petition that the Spirit himself will teach us concerning the Spirit Deeply sensible of the imperfection of this work it is now committed to the use and blessing of that Divine Person of the Godhead of whom it so unworthily speaks

The Ministry of God's Word Watchman Nee, 1994-09-01 The most important work of God on earth is the speaking out of His word through man In the Old Testament God's word was released through the ministry of the prophets and in the New Testament it was released through the ministry of the Lord Jesus and later through the apostles Even though God is pleased to allow us to speak His word the greatest measure of our usefulness as a minister of the Word is not the amount of our Bible knowledge or even the ability to eloquently present the truth rather it is the degree to which our inward parts have been molded and shaped by the Holy Spirit The Ministry of God's Word contains a series of messages given by Watchman Nee in 1948 and 1949 after nearly thirty years of ministry These messages are deep profound subjective and full of light revealing both the depth of his experience and extent of our need to open to the Holy Spirit's inward operation

the Spirit Adoniram Judson Gordon, 1964 The Spirit with Our Spirit Witness Lee, 1994 The revelation of the Spirit in the Bible points to God's desire to be received, experienced and enjoyed by man. The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God. God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God. Through faith in Christ, our human spirit is born of the Holy Spirit; we are joined to the Lord as one spirit and the Spirit witnesses with our spirit that we are the children of God.

The Ministry Gifts of the Holy Spirit Billy M. Lauderdale, 2017-06-23 Perhaps one of the most misunderstood things in the Bible is the Holy Spirit. Most people know that it is a part of the Holy Trinity; some may even know about the baptism of the Holy Spirit; however, most people rarely go beyond that. The Holy Spirit is significantly more important than most Christians understand. It's not only important to us but the Church as well. Today more than ever we need to understand the Holy Spirit as well as the gifting of the Spirit. We read in Ephesians 4:11 that the Lord gave us gifts to be used. These gifts are known as ministry gifts; they are to be used to perfect the church. They were all but forgotten; however, they were restored to the church by the reawakening of the charismatic movement. Like all things of God, the Devil has a counterfeit which had led to much confusion and misunderstanding; it has also led to much abuse. Today He is restoring a biblical understanding of what these roles and callings mean. The church has come a long way even though there is still a lot of wrong conceptions and rejection due to the abuse prevalent in His body. However, when the gifts are recognized and they start taking their rightful places, the Church can come into its maturity. Having all five offices in place in the church does not mean it is free from all work and responsibilities; on the contrary, it will find itself in a place of growth and equipping that nobody has ever dreamed possible. Only when the church becomes what God meant it to be with all of the gifts of the Holy Spirit as well as the five-fold ministry gifts in place will we truly come into full maturity and have the ability to fulfill the commission our Master Jesus gave us to make disciples of all nations, doing the same works He did and even greater. That is why now more than ever there is a need to understand the Gifts of the Spirit more than ever. Over the years there have been volumes written on the subject of spiritual gifts. Lists have been compiled and tests written and administered with various degrees of success and understanding. Even with all the differing opinions from various people, the study and application of knowing one's spiritual gift can have the greatest of impacts on the character of the church and its membership. Once you understand what your gifting is, it will bring a greater sense of pleasure, purpose and security. In today's Church, the gifts of ministry are needed more than ever; however, we don't see them in action very often. Some people may even have gone their entire life and not see the gifts working. Some may have a general idea of what they are while others may not know what they are. Most who do know of the Gifts of the Spirit are often confused about them. How often does someone misunderstand how they work and confuse the use of them? Such as the prophet and the gift of Prophecy; both are gifts of the Spirit but each is different in how they are used. For example, all prophets have the gift of prophecy and can use the gift of prophecy but not all people who can prophecy are

prophets With the reawakening of the charismatic movement the gifts of the spirit Spiritual gifts has been reawakened and brought back into the church It is sad to say that in today s church the use of Spiritual gifts are the source of much controversy and confusion among believers Some churches and or their demotions won t allow them because they don t know them are they fear them This is interesting and something of a sad commentary since these gifts are meant to be graces from God for the edification of the church Even today as in the early church the misuse and misunderstanding of spiritual gifts have brought division splitting up rather than building up in the church Here in this book I seek to avoid the controversies by simply exploring what the Bible says about spiritual gifts and help you to understand what the gifts are and how they can benefit the Church
