Allison,2021-05-11 We rarely give thought to our bodies until faced with a physical challenge or crisis We have somehow internalized the unbiblical idea that the immaterial aspect of our being our soul or spirit is inherently good while the material aspect our body is at worst inherently evil and at best neutral just a vehicle for our souls to get around So we end up neglecting or disparaging our bodies seeing them as holding us back from spiritual growth and longing for the day we will be free of them But the thing is we don t have bodies we are our bodies And God created us that way for a reason With Scripture as his guide theologian Gregg Allison presents a holistic theology of the human body from conception through eternity to equip us to address pressing contemporary issues related to our bodies including how we express our sexuality whether gender is inherent or constructed the meaning of suffering body image end of life questions and how to live as whole people in a fractured world
