David Michael Coffey,2001 The author discusses the theology of the sacrament of Reconciliation that emanated from the
reformed rites that were promulgated after Vatican II He treats the public nature of sin and forgiveness and shows that the
Church has always been concerned to continue Christ s reconciling ministry in a public and sacramental way Further he
treats the constitutive parts of the developed sacrament and analyzes the sacramental forms of reconciliation as well as the
non sacramental form in a way that reveals their complementarity He concludes by suggesting some possibilities for the
development of the sacrament **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office,1975
