Ministry Of The Dispossessed Learning From The Farm Worker Movement:

Ministry of the Dispossessed Pat Hoffman, Patricia Louise Hoffman, 1987 *Farm Workers and the Churches* Alan J. Watt, 2010-02-23 In the mid 1960s the charismatic Cesar Chavez led members of California's La Causa movement in boycotting the grape harvest and melon pickers in South Texas called a strike against growers contesting unfair labor and wage practices in both states In *Farm Workers and the Churches* Alan J Watt shows how the religious and social contexts of the farm workers their leaders and the larger society helped or hindered these two pivotal actions Watt explores the ways in which liberal expressions of Northern Protestantism transplanted to California and combined with the pro labor wing of the Catholic Church and the heritage of Mexican popular piety provided a fertile field for the growth of broad support for Chavez and his organizing efforts Eventually La Causa was able to achieve collective bargaining victories including a historic labor contract between California agribusiness and farm workers The movement did not fare as well in Texas where the combination of a locally weak union leadership a more conservative Southern Protestant ethos and the strikebreaking measures of the Texas Rangers all boded ill However a general Chicano movement ultimately took permanent root in the state because of the workers struggle Watt offers a careful examination of the complex interactions among religious traditions social heritage and ethnicity as these factors affected the course and outcomes of these two pioneering campaigns undertaken by La Causa **The Political Spirituality of Cesar Chavez** Luis D. Leon, 2014-11-14 *The Political Spirituality of Cesar Chavez Crossing Religious Borders* maps and challenges many of the mythologies that surround the late iconic labor leader Focusing on Chavez's own writings Leon argues that La Causa can be fruitfully understood as a quasi religious movement based on Chavez's charismatic leadership which he modeled after Martin Luther King Jr and Gandhi Chavez recognized that spiritual prophecy or political spirituality was the key to disrupting centuries old dehumanizing narratives that conflated religion with race Chavez's body became emblematic for Chicano identity and enfolded a living revolution While there is much debate and truth seeking around how he is remembered through investigating the leader's construction of his own public memory the author probes the meaning of the discrepancies By refocusing Chavez's life and beliefs into three broad movements mythology prophecy and religion Leon brings us a moral and spiritual agent to match the political leader *Protest, Power, and Change* Roger S. Powers, William B. Voegelé, Douglas Bond, Christopher Kruegler, 1997-01-01 Covers tactics leaders and famous actions From Solidarity's passive aggressive faceoff with communism to the courageous sit ins and marches of the Civil Rights Movement here is the first systematic survey of peaceful confrontations between the forces for the status quo and the forces for change All the important events tactics and leaders are covered Women's suffrage blockades IRA hunger strikes monkey wrenching Charter 77 the Clamshell Alliance Rosa Parks Leo Tolstoy Martin Luther King Lech Walesa and many more Focuses on critical issues Clear comprehensive and authoritative the Encyclopedia examines such critical contemporary issues as violence the nature of power conflict resolution the mechanisms of social

movements the application of moral authority and defines and surveys the underlying assumptions and prevailing thinking of all activists for change A practical blueprint for peaceful protest the first and only work of its kind For this first systematic treatment of the subject expert contributors from around the world have written essays on key persons events ideas works institutions groups and methods The result is a primer and practical guide on all aspects of nonviolent action There is an introduction a listing of the entries by category and a comprehensive index Special features First and only encyclopedia on the subject Spotlights the most important peaceful struggles of the 20th century Examines 104 nonviolent movements campaigns and events Profiles 70 activists and scholars including a dozen Nobel Peace Prize laureates Surveys 42 organizations that have led nonviolent movements Details 40 methods of peaceful protest César Chávez Ilan Stavans,2010-02-09 Labor leader social justice advocate Chicano leader and humanitarian are only some of the multifaceted renderings of C sar Ch vez Ilan Stavans has compiled essays and first person narratives that capture the multiple dimensions of this storied figure To that end Stavans s collection of timely articles separates fact from fiction or as he puts it the objective is the opposite of hagiography Broken into two sections C sar Ch vez explores a variety of topics central to understanding the actual person instead of a shadowy apparition The first part Considerations offers critical assessments of Ch vez s life that utilize different approaches to understanding his life including cultural studies critiques historical narrative that provide invaluable context and even eulogies following his untimely death The second section Voices includes personal reflections on Ch vez s life that explore his religiosity his role as an everyman and the decline of the United Farm Workers union The title is certain to assist readers in better comprehending this groundbreaking labor leader Nonviolent Action Ronald M. McCarthy,Gene Sharp,Brad Bennett,2013-07-04 This comprehensive guide to research sources and theories about nonviolent action as a technique of struggle in social and political conflicts discusses the methods and techniques used by groups in various encounters Although violence and its causes have received a great deal of attention nonviolent action has not received its due as an international phenomenon with a long history An introduction that explains the theories and research used in the study provides a practical guide to this essential bibliography of English language sources The first part of the book covers case study materials divided by region and subdivided by country Within each country materials are arranged chronologically and topically The second major part examines the methods and theory of nonviolent action principled nonviolence and several closely related areas in social science such as conflict analysis and social movements The book is indexed by author and subject **Environmental Justice Poetics** Kamala Joyce Platt,2023-10-24 This book is an interdisciplinary comparative investigation of activist artistic literary and academic discourse expressive work promoting ecological justice ending racism and representing self and community through virtual realism a cultural poetics of environmental justice Research fixed on women s work intervenes in patriarchal assumptions Focus on marginalized areas in India and a U S movement led by people of color defies racisms and promotes vigilance against structural violence that

permeates across political spectrums Striving for environmental justice is not just community work merely academic or trendy art performance or literature Environmental justice work demands interdisciplinary transnational transcommunity sharing many border crossings and solid alliance building Chicanas and women in India engaged in such activities generate a rich cultural poetics a transformative vision of environmental equity ecological and civic wellbeing and calming climate

To Serve the People LeRoy Chatfield, George Mariscal, 2019-10-15 In this collection of what the author calls Easy Essays Chatfield recounts his childhood explains the social issues that have played a significant role in his life and work and uncovers the lack of justice he saw all too frequently

Religion and Politics in the Contemporary United States R. Marie Griffith, Melani McAlister, 2008-06-09 This collection of essays from a special issue of American Quarterly explores the complex and sometimes contradictory ways that religion matters in contemporary public life Religion and Politics in the Contemporary United States offers a groundbreaking cross disciplinary conversation between scholars in American studies and religious studies The contributors explore numerous modes through which religious faith has mobilized political action They utilize a variety of definitions of politics ranging from lobbying by religious leaders to the political impact of popular culture Their work includes the political activities of a very diverse group of religious believers Christians Jews Muslims Hindus Buddhists and others In addition the book explores the meanings of religion for people who might contest the term those who are spiritual but not religious for example as well as activists who engage symbols of faith and community but who may not necessarily consider themselves members of a specific religion Several essays also examine the meanings of secular identity humanist politics and the complex evocations of civil religion in American life No other book on religion and politics includes anything like the diversity of religions ethnicities and topics that this one does from Mormon political mobilization to attempts at Americanizing Muslims in the post 9 11 United States from Cesar Chavez to James Dobson from interreligious cooperation and conflict over Darfur to the global politics surrounding the category of Hindus and South Asians in the United States

Summoned and Shaped Pat Hoffman, 2018-11-12 This is the story of a woman overcoming the odds to minister to a suffering community outside the church The model of Spiritual Accompaniment which she developed for her ministry changed her own life along with the lives of those with whom she ministered For those experiencing a call to ministry and wondering where to go beyond the age of belief here is a story that will inspire and point the way toward sharing a journey into belovedness

The Story of Latino Protestants in the United States Juan Francisco Martinez, 2018-01-30 The first major historical overview of one of America's most vibrant Christian movements This groundbreaking book by Juan Francisco Martinez provides a broad historical overview of Latino Protestantism in the United States from the early nineteenth century to the present Beginning with a description of the diverse Latino Protestant community and a summary of his own historiographical approach Martinez then examines six major periods in the history of American Latino Protestantism paying special attention to key social political and religious issues including immigration policies migration patterns enculturation

and assimilation and others that framed its development and diversification during each period He concludes by outlining the challenges currently facing Latino Protestants in the United States and considering what Latino Protestantism might look like in the future Offering vital insights into key leaders eras and trends in Latino Protestantism Martinez's work will prove an invaluable resource for all who are seeking to understand this rapidly growing US demographic

The Anthropology of Labor Unions E. Paul Durrenberger, Karaleah S. Reichart, 2012-05-15 The Anthropology of Labor Unions presents ethnographic data and analysis in eight case studies from several very diverse industries It covers a wide range of topics from the role of women and community in strikes to the importance of place in organization and addresses global concerns with studies from Mexico and Malawi Union organized workplaces consistently afford workers higher wages and better pensions benefits and health coverage than their nonunion counterparts In addition women and minorities who belong to unions are more likely to receive higher wages and benefits than their nonunion peers Given the economic advantages of union membership one might expect to see higher rates of organization across industries but labor affiliation is at an all time low What accounts for this discrepancy The contributors in this volume provide a variety of perspectives on this paradox including discussions of approaches to and findings on the histories cultures and practices of organized labor They also address substantive issues such as race class gender age generation ethnicity health and safety concerns corporate co-optation of unions and the cultural context of union management relationships The first to bring together anthropological case studies of labor unions this volume will appeal to cultural anthropologists social scientists sociologists and those interested in labor studies and labor movements

The Gospel of César Chávez Mario T. Garcia, 2007-08-10 Once asked to explain how he had sustained himself over so many years of struggle César Chávez responded I don't think I could base my will to struggle on cold economics or some political doctrine For me the base must be faith In evaluating the life and struggles of César Chávez one of the most recognized Latino leaders in the United States and the first labor leader to successfully organize and unionize U.S. farm workers many historians journalists and other writers have largely missed one significant factor of his life his faith and deep spirituality The Gospel of César Chávez uses the prolific leader's own words to express his profound faith and the way it shaped his life and leadership

The A to Z of the Kennedy-Johnson Era Richard Dean Burns, Joseph M. Siracusa, 2009-09-21 In the history of the United States few periods could more justly be regarded as the best and worst of times than the Kennedy Johnson era The arrival of John F Kennedy in the White House in 1961 unleashed an unprecedented wave of hope and optimism in a large segment of the population a wave that would come crashing down when he was assassinated only a few

years later His successor Lyndon B Johnson enjoyed less popularity but he was one of the most experienced and skilled presidents the country had ever seen and he promised a Great Society to rival Kennedy s New Frontier Both presidents were dogged by foreign policy disasters Kennedy by the Bay of Pigs fiasco although he came out ahead on the Cuban missile crisis and Johnson from the backlash of the Vietnam War The 1960s witnessed unprecedented progress toward racial and sexual equality but it also played host to race and urban riots And while impressive advances in the sciences and arts were fueling the American imagination the counterculture rejected it all The A to Z of the Kennedy Johnson Era relates these events and provides extensive political economic and social background on this era through a detailed chronology an introduction appendixes a bibliography and several hundred cross referenced dictionary entries on important persons events institutions policies and issues *The Witness* ,1988 Cesar Chavez Michelle Houle,2003 Examines the life of Cesar Chavez how his early years struggling for survival shaped his social and political life and the legacy he left behind
