The Synoptic Problem William Reuben Farmer, 1976

Rethinking the Gospel Sources Delbert Royce Burkett, 2009

Burkett offers a new viewpoint on the much debated Synoptic Problem. He contends that each theory regarding the Synoptic Problem is problematic. Each presents a case for the mutual dependence of one source upon another. For example, Matthew and Luke depend primarily on Mark but use each other where they report the same story not contained already in Mark. Neither Mark nor Matthew nor Luke served as the source for the other two but all depended on a set of earlier sources now lost. The relations between the Synoptic Gospels are more complex than the simpler theories have assumed.

Narrative Elements in the Double Tradition Stephen Hultgren, 2014-11-27

For a long time mainstream gospel scholarship has assumed that the so-called Q material, the double tradition in Matthew and Luke, represents a document or tradition that was almost exclusively orientated towards the sayings of Jesus of Nazareth with little interest in a narrative about him. This book argues on the contrary that the narrative material in the double tradition existed from the very beginning within a coherent Jesus narrative that ran from his baptism to his passion. Far from being inserted by Matthew and Luke into the framework of Mark, the double tradition is structured on the very same narrative framework as the Gospel of Mark, a framework that predates Mark. Conventional dichotomies in gospel origins, the historical Jesus, and the history of early Christianity are thus drawn into question.

The Cradle, the Cross, and the Crown Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15

The Cradle, the Cross, and the Crown guides serious New Testament students through the historical, literary, and theological dimensions of the biblical text, allowing them to better understand and share God's word of truth. 2 Tim 2:15. It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth, his crucifixion and resurrection, and triumphant return. The second edition features updated bibliographies and footnotes, interpretation sections that cover different literary genres in the New Testament, an epilogue that canvasses the entire storyline of Scripture, and a variety of maps. All of these new features contribute to making this a life-long resource for students of Scripture.

Relating the Gospels Eric Eve, 2021-01-14

This volume examines the synoptic problem and argues that the similarities between the gospels of Matthew and Luke outweigh the objections commonly raised against the theory that Luke used the text of Matthew in composing his gospel. While agreeing with scholars who suggest that memory played a leading role in ancient source utilization, Eric Eve argues for a more flexible understanding of memory which would both explain Luke's access of Matthew's double tradition material out of the sequence in which it appears in Matthew and suggest that Luke may have been more influenced by

Matthew's order than appears on the surface Eve also considers the widespread ancient practice of literary imitation as another mode of source utilization the Evangelists particularly Luke could have employed and argues that Luke's Gospel should be seen in part as an emulation of Matthew's Within this enlarged understanding of how ancient authors could utilize their sources Luke's proposed use of Matthew alongside Mark becomes entirely plausible and Eve concludes that the Farrer Hypothesis of Matthew using Mark and Luke consequently using both gospels to be the most likely solution to the Synoptic Problem

Synoptic Problems John S. Kloppenborg, 2014-07-02 This volume contains a collection of twenty one essays of John S. Kloppenborg with four foci conceptual and methodological issues in the Synoptic Problem the Sayings Gospel Q the Gospel of Mark and the Parables of Jesus Kloppenborg a major contributor to the Synoptic Problem is especially interested in how one constructs synoptic hypotheses always aware of the many gaps in our knowledge the presence of competing hypotheses and the theological and historical entailments in any given hypothesis Common to the essays in the remaining three sections is the insistence that the literature thought and practices of the early Jesus movement must be treated with a deep awareness of their social literary and intellectual contexts The context of the early Jesus movement is illumined not simply by resort to the literary and historical sources produced by Greek and Roman elites but more importantly by data gathered from documentary sources available in non literary papyri

Reflections on Biblical Themes by an Octogenarian Reuben J. Swanson, 2007-01-01 *Reflections on Biblical Themes by an Octogenarian* represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college university and theological school levels There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life This growth came about through the interchange in the classroom as a student in preparation for ministry then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning Some of the viewpoints may seem to be controversial but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings

The Gospel of the Lord Michael F. Bird, 2014-08-22 In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird's study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and

research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans Author Interview Series *The Lukan Passion Narrative. The Markan Material in Luke 22,54 - 23,25* Revd Jay M. Harrington,2019-07-01 This study traces the debate surrounding Luke's use of the Gospel of Mark and special sources such as Proto Luke in a section of the passion narrative Lk 22 54 23 25 The survey covers roughly the period from the 1880 s to 1997 Part I details the development from P Feine to the 1960 s Part II begins with G Schneider continuing up through 1997 In treating each scholar's position the author reviews their underlying Synoptic theory their source theory in the passion in general then the trial of Pilate and finally the trial before Herod Part III is devoted to an interpretation of Lk 23 6 16 Part IV contains the list of abbreviations the bibliography and three appendices 1 Special LQ vocabulary and constructions according to J Weiss 2 Lukan priority theories and 3 the Gospel of Peter and its relation to the Herod pericope Part IV concludes with the name index The Lukan Passion Narrative will be particularly useful to those concerned with Luke's redactional technique Source theories Minor Agreements and the history of exegesis **The Devil, Demons, Judas, and "the Jews"** Torsten Lofstedt,2021-11-09 What place do the four Gospels give Satan demons and Jesus human opponents including Jewish leaders but also Jesus disciples in their accounts of Jesus life This study takes a literary historical approach to the Gospels examining them as narratives It shows how the authors were in the process of developing the devil as a character and determining which roles he filled New interpretations of individual passages in the Gospels are given as well as new understandings of the theological emphases of each author This study is also a contribution to redaction criticism and the relative chronology of the Gospels It employs the theory of Matthean posteriority which revolutionizes our understanding of the literary relations between the Gospels and allows for a new understanding of theological development in early Christianity **The Gospels According to Michael Goulder** Chris A. Rollston,2002-09-01 A variety of noted scholars respond to Michael Goulder's reading of the Gospel as Midrash on the liturgies of the Jewish festivals and calendar *Gospel Interpretation and the Q-Hypothesis* Mogens Müller,Heike Omerzu,2018-04-05 The Q Hypothesis has functioned as a mainstay of study of the synoptic gospels for many years Increasingly it comes under fire In this volume leading proponents of Q as well as of the case against Q offer the latest arguments based on the latest research into this literary conundrum The contributors to the volume include John Kloppenborg Christopher Tuckett Clare Rothschild Mark Goodacre and Francis Watson The Q Hypothesis is examined in depth and the discussion moves back and forth over Q's strengths and weaknesses As such the volume sheds light on how the gospels were composed and how we can view them in their final literary forms **The Gospels** John Muddiman,John Barton,2010-04-22 Newly issued in a series of part volumes the OBC is now available in an affordable and portable format for the four canonical Gospels Matthew Mark Luke and John Includes a general introduction to using the Commentary in

addition to an introduction to study of the New Testament and a detailed comparison of the four gospels in synopsis **New Testament Foundations** Ralph P. Martin, Carl N. Toney, 2018-09-12 Drawing upon over fifty years of scholarly experience of one of the most industrious contemporary scholars this work which was first published in 1975 has been revised updated and expanded to offer a fresh in depth introduction to the New Testament for today's students Students will be immersed into the world of the first century learning about both Greco Roman and Jewish backgrounds While discussing the fundamental questions surrounding the content of each book including its authorship audience and message this work also engages with the wider historical critical discussion helping students navigate the wider world of modern New Testament scholarship
