**The Minor Prophets** John Lineberry, 1989      *The Minor Prophets* James E. Smith, 1994      **The Minor Prophets** John Bernard Taylor, 1970      **Everybody Hurts - A Foray into the Minor Prophets** Richard Bradbury, 2017-11-23 Many see the Minor Prophets as dusty old men who are irrelevant to the 21st Century world However on further reading we encounter real people who were brave enough to challenge the attitudes and behaviours of their generation Speaking prophetically they called their nation back to God even when it cost them personally which it usually did They suffered harassment rejection and sometimes death but proclaimed their message faithfully That is why I have called this book everybody hurts their message was painful to deliver and painful to receive As you read this book you will find out a little more about these men and the context in which they were bringing their message This includes a synopsis of the political and social situation of the times as well as a view of the history that formed the backdrop to their words The message they were given to bring into those situations is summarised and then mapped to our own context The reader will be left in no doubt that the words of these men are as relevant today as when they were first given This book contains a prophetic message that speaks right into our own generation which we would do well to heed Richard Bradbury is based in Beverley East Yorkshire and leads Beverley Community Church He also represents the Groundlevel network of churches in Churches Together in England Married with four children his primary gifting is as a teacher to the Body of Christ Book reviews online PublishedBestsellers website

The Minor Prophets Edward Bouverie Pusey, 1885      Preaching from the Minor Prophets Elizabeth Achtemeier, 1998 An excellent guide to the books of the Minor Prophets this volume is unique for its theological depth It was written to provide clergy with the tools to once again preach from these important texts with confidence and relevancy      *The Bible Knowledge Commentary Minor Prophets* John F. Walvoord, Roy B. Zuck, 2018-03-01 God's Love and Justice on Display What do we know about the date of Joel's ministry How do the warnings of Malachi relate to the Book of Revelation How did Amos's profession as a rancher influence his prophetic voice Drawing on the research of internationally known Bible scholars this detailed commentary looks at each verse of the final books of the Old Testament The words of the minor prophets draw us closer to God by teaching us about His enduring love His judgment to the unfaithful and mercy to the repentant and His call to restoration for people who have suffered Covering every book from Hosea through Malachi this commentary shows the meaning behind these powerful prophecies while reminding us how ordinary people spoke extraordinary truth on behalf of a loving and just God      The minor prophets with a commentary explanatory and practical, and introductions to the several books Edward Bouverie Pusey, 1860      **The Minor Prophets** Lucian Farrar Jr, 2015-12-26 The Minor Prophets were the courageous and true spokesmen for God during the time of the great Assyrian Babylonian and Persian empires Joel's prophecy appears to be the first of all the books of prophecy and Malachi the last They are called Minor Prophets because they are shorter in length than the Major Prophets However their writings are no less important We will look at the prophets

in their chronological order Joel Jonah Amos Hosea and Micah prophesied during the Divided Kingdom Nahum Zephaniah Habakkuk and Obadiah were prophets in Judah before the Babylonian Exile Haggai Zechariah and Malachi prophesied after the return to Jerusalem from the exile Jonah of Israel and Nahum of Judah prophesied against the city of Nineveh in Assyria Before the time of Christ these twelve books were joined together to make one scroll known collectively as The Twelve

**The Minor Prophets in the New Testament** Maarten J.J. Menken, Steve Moyise, 2019-07-25 The Minor Prophets in the New Testament brings together a set of specially commissioned studies by authors who are experts in the field After an introductory chapter on the use of the Minor Prophets in the second temple literature each of the New Testament books that contain quotations from the Minor Prophets are discussed Mark Matthew Luke Acts John Paul Hebrews James 1 and 2 Peter and Revelation Readers are given an overview of the status role and function of the Minor Prophets in the first century The text considers the Greek and Hebrew manuscript traditions and offers insights into the various hermeneutical stances of the New Testament authors and the development of New Testament theology

**Running the Race** John Keddie, 2012-01 This book will encourage God's people to turn to the clean pages of their Bibles and feast on the Minor Prophets This is no ordinary meal it is a twelve course feast There is no excess fat just lean tasty meat delectable and digestible It is a delight Enjoy And encourage others to do the same George Curry

**Jesus in the Minor Prophets: Hosea-Malachi** Donald Louis Giddens, 2007-11-01 On the road to Emmaus Jesus told two of His followers all the references concerning Himself in Moses and the Prophets What were those references In Jesus in the Minor Prophets you can examine for yourself the amazing prophecies of Jesus of Nazareth identified as the Lord of Hosts by the prophets Hosea through Malachi Ample room for notes for personal or class study

**Major Points from the Minor Prophets** John Blanchard, 2012 A simple way to introduce these studies in the Minor Prophets will be to ask and answer these questions about them Who were they Why are they known as Minor Prophets When and where did they live What was their ministry What was their message Once we have answers to these questions we will be in a position to look at the prophets main themes before focusing on one specific statement made by each one of them Not only should we rely wholeheartedly on the faithful exposition of the Bible as the written Word of God we should not insist on signs and wonders as an authentication of a preachers ministry The message is clear if people will not listen to the Word of God and turn to him in repentance and faith as a result no signs and wonders will move them to do so not even a long buried friend coming back to life The Bible is the only infallible word we have or need revealing to us that in the Lord Jesus Christ we have the Prophet to end all prophets the Priest to end all priests and the King to end all kings Our great need today is not for prophets but for preachers men who will give themselves sacrificially to the study of the Word of God and to its systematic exegesis and exposition rightly handling the word of truth 2 Timothy 2:15 and applying its truth to their hearers

**Notes on the Minor Prophets** Henry Allan Ironside, 1982     Minor Prophets II John Goldingay, Pamela J. Scalise, 2009

The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes
