Merely Being There Is Not Enough Heike Mlakar, 2008

Despite the advent of second wave feminism in the late 1960s it took more than twenty years before feminist literary criticism started to pay attention to the complex role of women Beat writers Merely Being There Is Not Enough theorizes the memoirs of Diane di Prima Joyce Johnson Hettie Jones and Brenda Frazer and analyzes their contributions to the Beat movement Among the writings of female Beat authors the memoir has become the most commonly used literary genre At the height of the Beat movement Frazer published Troia Mexican Memoirs in 1969 the same year that saw the publication of di Prima's Memoirs of a Beatnik Most female Beat voices however remained astonishingly silent until 1983 when Johnson published Minor Characters A Young Woman's Coming of Age in the Beat Generation Johnson's long time friend Jones followed with How I Became Hettie Jones in 1990 The memoirs of Beat women chronicle the Beat 1950s and the intimate relationships with icons of the time Jack Kerouac Allen Ginsberg LeRoi Jones Amiri Baraka and Ray Bremser Being there at a crucial moment in history validates female Beats stories as indispensable social documents of the 1950s To make women Beat writers visible and to categorize their memoirs this work immerses in the almost paradoxical project of defining a category of female Beat writing when it is the nature of Beat literature and its rebellious aesthetics to dismiss any kind of labeling Women Beats unsettle the categories of Beat writing and culture Therefore a revision and re examination of Beat history is inevitable to understand the movement's literary expression **Death and Resurrection** Dennis J

Horton,2014-07-25 In this well argued and clear structured work Dennis Horton highlights the shape and function of the death and resurrection motif by applying William Freedman's criteria of a literary motif to the Acts narrative By analysing the statements about death and resurrection together with the examples of this messianic pattern within the experiences of major and minor characters the motif becomes clear This primary motif of death and resurrection is then contrasted with a secondary motif of death and decay which functions as a warning to Christians Thus suffering is ultimately an integral part of the life in Christ but one that becomes balanced by renewed and eternal life Death and Resurrection provides a clear example of a biblical motif and how it develops and functions within the narrative serving as a valuable guide for future studies of biblical motifs The work also supplies a needed balance between the extremes of past and present Lukan scholarship by considering the combined effect of suffering and renewed life within a single motif Both the statements and actions of the characters reveal the importance of the two elements for Lukan theology and soteriology The function of the motif derives from its usage within the narrative and proves insightful for gaining a better understanding of the aesthetic quality of the story while simultaneously showing how the narrator skillfully wields the motif to provide encouragement to the followers of The Way to issue a warning to would be persecutors and to deliver an evangelistic message to potential converts such as the God fearers The messianic pattern of death and resurrection becomes a heuristic tool that the narrator carefully applies to create a potent motif with a multifaceted message for a growing and often suffering Christian community

Plotting Disability in the Nineteenth-Century Novel Clare Walker Gore,2019-11-01 This volume takes an exciting

new approach to characterisation and plot in the Victorian novel examining the vital narrative work performed by disabled characters It demonstrates the centrality of disability to the Victorian novel demonstrating how attention to disability sheds new light on texts arrangement and use of bodies It also argues that the representation of the disabled body shaped and signalled different generic traditions in nineteenth century fiction *The Construction of Character A Wait, Wait, Don't Query (Yet!)
