#### **Minority Rights in Europe: Policies and Practices in CSCE Participating States**

Minority Rights Group, Leningrad Association of Scientists, 1991-06-30 The Conference focused on minority issues that have not yet in our opinion been solved satisfactorily There are several open ends in the theoretical and pragmatic approaches that are currently discussed internationally the content of collective minority rights that need elaboration after decades of focusing on individual human rights only ways in which one can include rights for non territorial minorities e g migrants and the role non governmental organizations and independent researchers can play in a process that is still dominated by governmental i e majority bodies Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues

#### **On Cultural Rights**

William Kurt Barth, 2008 This work addresses the question how has the evolution of a legal regime within the United Nations and regional organisations influenced state behaviour regarding recognition of minority groups The author assesses the implications of this regime for political theorists a TM account of multiculturalism This research bridges a gap between normative questions in political theory on multiculturalism and the international law on minorities It does so by means of case studies of legal challenges involving two groups namely the Aboriginal peoples of Canada and the Roma peoples in Europe The author concludes by discussing the normative implications of the minority regime for helping to resolve conflicts that arise out of state treatment of minority groups
